

**NEED AN INTERNSHIP?** While Career Services does our best to screen, not all websites screen as diligently for companies who are might be a scam to students. **If a listing seems too good to be true, be cautious and bring your concern to Career Services.** If you see listings by "Dream Careers", while they have good contacts, they charge a fee to get you an internship. If you come in, we can help you find one on your own. **Below are some suggested sites, in addition to the UMass CareerConnect system.**

**Vertical Engines:** use key words like psychology internships, Boston, or chemistry intern, NJ, etc.
