Welcome to UMass Amherst Handshake

Find jobs, internships, co-ops and connect to UMass Career Centers for recruiting events, fairs, workshops and helpful career resources!

Signing up is easy!

1. Go to UMass.JoinHandshake.com

2. Click and login using your UMass Net ID and Password

3. Complete your profile. Some information is already pre-loaded, so check it for accuracy. Profiles are automatically set to private, so if you want your profile to be viewable by employers you need to change it to public. A public profile is only viewable by employers connected with UMass. You can have a public profile and keep some information (for example GPA) private. Here’s how to change your setting:

   **Profile Privacy Setting**
   a) Click your name in the main menu in the top right corner
   b) Select Settings & Privacy
   c) Select Account Information in the upper left side of the page, then in the privacy section Select the option that meets your privacy preference

   **GPA Privacy Setting**
   a) Click your name in the main drop down menu in the top right corner
   b) Select My Profile
   c) Click the edit symbol in the Education section and Select the options that meets your privacy preference

4. Start searching for your future career!
