The Impact

In 2014, alcohol-impaired driving fatalities accounted for 9,967 deaths (31 percent of overall driving fatalities).

Nearly 88,000 people die from alcohol-related causes annually, making alcohol the fourth leading preventable cause of death in the United States.

Annually, 97,000 students report experiencing alcohol-related sexual assault or date rape.

In 2010, alcohol misuse problems cost the US$249.0 billion.
