The Center for Early Education and Care of the University of Massachusetts Amherst (the “CEEC”) uses photographs, digital film, and audio recording of children and adults participating in Center activities to document children’s learning, share classroom and Center-wide information with enrolled families, promote the Center to prospective families, train other early childhood professionals, and support University academic coursework and research. These activities facilitate the awareness of and support for the CEEC program from individuals both on- and off-campus.

I hereby grant permission to the CEEC and the University of Massachusetts Amherst (the “University”) to take photographs, digital film, audio recordings of my child and family. - University faculty research.

I acknowledge CEEC’s and the University's right to crop and/or treat photograph images at their discretion. I release the CEEC, the University, the photographer, their trustees, employees, servants, agents, and designees from liability for any violation of any personal or proprietary right I may have in connection with such use.
