

Pictures from the 25th & Other Times

updated June 8, 2008

On this page we will be posting pictures from the past, many from the 25th reunion and other times when CIE members have gathered together. You are encouraged to send us pictures for this page (Please do NOT embed them in Word documents - send them as attached jpeg files for easy manipulation). Many of the pictures currently here are courtesy of Mike Marzolla and James Key both of whom were active photographers at the 25th.
