

SEVERE WEATHER CLOSING INFORMATION 2020/2021 UMASS AMHERST

PROCEDURES	<ul style="list-style-type: none"> • Only those designated as essential personnel will be required to report to work on site at the physical campus. Compensation will be treated consistent with snow day compensation procedures. Your supervisor is responsible for informing you if your position has been designated as essential during a weather event. • All non-essential personnel designated as on-site or hybrid will work remotely. If remote work is not available, compensation will be treated with snow day compensation procedures. • All other employees will work remotely as scheduled. • Scheduled face-to-face classes will not take place on the physical campus. They may be transitioned that day to a remote class. Faculty should communicate directly with their students on what activity, if any, will take place. • Remote classes will be held. Faculty who typically come to campus to lead their remote classes will be unable to do so. In that instance, faculty should communicate directly with their students on what activity, if any, will take place. <p style="text-align: center;">Closing designation in effect from 5:00 AM until midnight unless campus officially changes the status on same day</p>
