Term:

Student name:

SPIRE ID No.:

Student email:

Date submitted:

**Project Title:**

**Project description.** Describe the research project.

**Task description.** Describe the duties and responsibilities of the student and the researcher.

**Commitment.** Please check the following boxes to indicate commitment to the project.

The student will:

1. Enroll in a three-credit, letter-graded Independent Study.
2. Work eight (8) hours per week for the 14-week semester.
3. Present the research in a poster session at the end of the semester.

The faculty researcher will:

1. Meet regularly with the student, assign tasks related to the project, and give feedback.
2. Assist the student in acquiring skills needed to complete the tasks.
3. Sponsor and grade the Independent Study.

The Department will provide:

- a stipend of \$600 for first-time Economics Undergraduate Research Assistants, contingent upon availability of funds.
- these additional resources, e.g., software, training, (requires Chair's signature):

Signatures. We the undersigned have read and confirmed all parts of this document and agree to the specified duties and responsibilities. We agree to confer with a departmental advisor should the need arise and to alert advisors to any changes immediately.
