Request for Transfer of Nondegree Course Credit for Master's Level Programs

Criteria for Acceptable Transfer Credit
(Also refer to the *Graduate School Handbook*)

1. Six nondegree credits may be transferred from nondegree to degree status. (Some higher credit degree programs may transfer up to twelve nondegree credits.)
2. Courses must have been taken within three years of formal admission to the master's program.
3. Courses must not have been used to satisfy the requirements for any other degree.
4. The department must verify that the courses are applicable to the student's program.
