Opening Reception April 17th 4:30pm-6:30pm

Herter Gallery presents the BFA Thesis Exhibition for Olivia DiPietrantonio, Hannah Farnham, Mark Garron, Caroline Murphy and Missy Rubinfeld. This show brings together five undergraduate students in the Department of Art who work in a broad range of materials, languages, and concerns. Some explore the dynamic relationship between the self and family, our intimate spaces and emotional landscapes. Others mine personal and social memories to create new worlds within paintings, digital drawings, ceramics, and prints.

The oldest exhibition space on campus, Herter Art Gallery is a significant landmark in the University's commitment to public education as well as the cultural history of the region. It supports the teaching mission of the Department of Art, to which it belongs, by supporting, pioneering, and redefining contemporary art.

The exhibition and reception are free and open to the public as well as to all Five College students, faculty, and staff. For further questions, please contact the gallery at hertergallery@umass.edu Herter Gallery's regular opening hours are: Mon - Fri: 11A.M. – 4 P.M. and Sun: 1- 4 P.M. (closed Saturdays).
