ARTICLE 1

RECOGNITION

The Employer recognizes the Association as the sole and exclusive bargaining agent for the purposes of establishing wages, hours, standards of productivity and performance and other terms and conditions of employment for all employees in the Unit as defined by MLRC Case No. SCR-2115, as amended by CAS 3080 and CAS 3081. For the purposes of this Agreement, the Unit shall be understood to consist of:

All full-time and regular part-time administrative, clerical, and technical employees of the University of Massachusetts at Amherst; excluding regular part-time employees who are expected to work less than 50 percent (50%) of the hours in a work year of a full-time employee in the same title; managerial and confidential employees within the meaning of M.G.L. Chapter 150E; students; employees paid on an hourly basis; and all other employees.

Should any new non-exempt classification(s) be added to the workforce, the appointing authority shall notify the Association of such new non-exempt classification(s). The appointing authority shall determine if such new non-exempt classification(s) shall be added to the bargaining unit and the appointing authority shall notify the Association of its determination. If the Association disagrees with the appointing authority's determination, the matter may be referred to the Department of Labor Relations by the Association with a request that the Commission make a determination. In the event it shall be finally adjudicated that the non-exempt classification(s) be added to the bargaining unit, the non-exempt classification(s) shall then be subject to the provisions of this Agreement.

Should the appointing authority determine that a position(s), in a classification included in the Unit at the time of the execution of the April 28, 1981, Memorandum of Understanding concerning the exclusion of confidential/managerial employees as most recently amended by the parties, is no longer appropriately included in the Unit, it shall notify the Association of such determination. In the event the Association does not agree to the exclusion(s), the matter shall be referred to the Department of Labor Relations for determination. Upon notification to the Association, any employee determined by the appointing authority to be excluded shall pay into an escrow account the equivalent of the Association's dues or agency fee. Said money shall either be returned to the employee or tendered to the Association, depending upon the outcome of the parties' discussions or the determination of the Department of Labor Relations.

The appointing authority agrees that when an employee in the bargaining unit is promoted, transferred, successfully applies for, or otherwise moves from their unit position to a position excluded from the bargaining Unit by virtue of the April 28, 1981, Memorandum of Understanding, as most recently amended by the parties, the appointing authority shall so advise the Association.

The Employer will not aid, promote, or finance any labor group or organization which purports to engage in collective bargaining, or make any agreement with any such group or individual for the purpose of undermining the Association or changing any condition in this Agreement. The Employer agrees to apply applicable provisions of this Agreement to those employees who receive all contractual benefits, whose funding source is derived from institute, grant, or contract funds, and who perform the function of those positions covered by this Agreement to the extent that the terms of their respective institute, grant, or contract funding source and the level of funding there under so allow, as determined by the CEO.

ARTICLE 2

SCOPE OF AGREEMENT

The parties agree that this Agreement, in all respects, supplants all particular provisions of the following General Laws of the Commonwealth of Massachusetts and the Rules and Regulations thereto and any future rules and regulations promulgated there under namely: the second paragraph of section twenty-eight (28) of chapter seven (7) (Red Book); section twenty-four A (24A); paragraphs four (4) and five (5) (Gray Book), formerly paragraphs five (5) and six (6) of section forty-five (45); paragraphs one (1), four (4), and ten (10) of section forty-six (46), and section fifty-three (53) of chapter thirty (30); section thirty (30) to forty-two (42), inclusive, of chapter one hundred forty-nine (149).

It is acknowledged during the negotiations which resulted in this Agreement, the Association had the unlimited right and opportunity to make demands and proposals with respect to all proper subjects of collective bargaining. Therefore, for the life of this Agreement, this Agreement shall constitute the total Agreement between the parties; and the Association agrees that the Employer shall not be obligated to any additional collective bargaining.

No addition to, alteration, modification, practice, or waiver of any term, provision, covenant, condition, or restriction in this Agreement shall be valid, binding, or of any force or effect, unless made in writing and executed by the Employer and the Association.

Any prior agreements covering employees covered by this Agreement shall be terminated and have no effect upon the effective date of this Agreement and shall be superseded by this Agreement.

ARTICLE 3

ARTICLE 4

ASSOCIATION SECURITY

The Association shall have the exclusive right to the check off and transmittal of Association dues or agency service fees on behalf of each employee.

SECTION 2.

An employee may consent in writing, to the authorization of the deduction of Association dues from their wages and to the designation of the Association as the recipient thereof. Such consent shall be in a form acceptable to the appointing authority and shall bear the signature of the employee. An employee may withdraw their Association dues check off authorization by giving at least sixty (60) days' notice, in writing, to the Association treasurer and the designated campus personnel officer. The Association will then notify the appointing authority upon receipt of written notice from an individual employee to terminate their dues check off within twenty (20) working days of receipt of such notification. The foregoing, notwithstanding, deduction of dues will automatically and immediately cease for an employee upon their departure from the bargaining unit. In the event that the employee is transferring to a non-bargaining unit University position, individual notification of such cessation shall be made to the Association and the employee. The Association hereby agrees that it will indemnify and hold the appointing authority harmless from any claims, actions, or proceedings by an employee arising from the failure of the Association to transmit the dues deduction authorization by an employee, as stated above.

SECTION 3.

An employee may consent, in writing, to the authorization of the deduction of an agency service fee from their wages and to the designation of the Association as the recipient thereof. Such consent shall be in a form acceptable to the appointing authority and shall bear the signature of the employee. An employee may withdraw their agency service fee authorization by giving at least sixty (60) days' notice, in writing, to the Association treasurer and the designated campus personnel officer. The Association will then notify the appointing authority upon receipt of written notice from an individual employee to terminate their agency service fee authorization within twenty (20) working days of receipt of such notification. The foregoing notwithstanding, deduction of an agency service fee will automatically and immediately cease for an employee upon their departure from the bargaining unit. In the event that the employee is transferring to a non-bargaining unit University position, individual notification of such cessation shall be made to the Association and the employee. The Association hereby agrees that it will indemnify and hold the appointing authority harmless from any claims, actions, or proceedings by an employee arising from the failure of the Association to transmit the agency service fee deduction authorization by an employee, as stated above.

SECTION 4.

In the event of administrative error or other concerns involving the authorized deduction of Association dues or agency service fee from employees' wages, the parties shall expeditiously meet to attempt to correct the error or address the difficulties. This provision is not subject to the grievance and arbitration procedure contained herein.

SECTION 5.

The appointing authority shall deduct dues or an agency fee from the pay of employees who request such deduction, in accordance with this Article, and transmit such funds monthly in accordance with departmental policy as of July I, 1977, to the Association treasurer together with a list of employees whose dues or agency service fees are transmitted and the amounts thereof. ARTICLE 5

The Association will intervene in and defend any administrative or court litigation concerning the propriety of such termination for failure to pay the agency service fee. In such litigation, the appointing authority shall have no obligation to defend the termination.

SECTION 4.

Disputes between the parties concerning this Article shall be resolved in accordance with the grievance procedure contained in this Agreement. In the event such a dispute is submitted to arbitration, the arbitrator shall have no power or authority to order the appointing authority to pay such agency service fee on behalf of any employee. If the arbitrator decides that an employee has failed to pay or authorize the payment of the agency service fee in accordance with this Article, the only remedy shall be the termination of the employment of such employee, if the employee continues to refuse to pay or authorize payment of the required agency service fee after having sufficient time to do so.

SECTION 5.

It is specifically agreed that the appointing authority assumes no obligation, financial or otherwise, arising out of the provisions of this Article and the preceding Association Security Article, and the Association hereby agrees it will indemnify and hold the appointing authority harmless from any claims, actions, or proceedings by an employee arising from the termination of an employee hereunder or from deductions made by the appointing authority.

4. The University shall not be required to provide funds in excess of those provided in Article 20 section 5.

ARTICLE 7

ANTI-DISCRIMINATION, AFFIRMATIVE ACTION, AND CONFLICT OF INTEREST

SECTION 1.

The Employer and the Association agree not to discriminate, in any way in violation of applicable law or University policy, against employees covered by the Agreement on account of race, religion, creed, color, national origin, sex, age, veteran status, sexual orientation, marital status, mental or physical disability, political belief or affiliation, or membership or non-membership in any organization.

SECTION 2.

The Association and the Employer agree that when the effects of employment practices, regardless of their intent, discriminate against any group of people on the basis of race, religion, creed, color, age, sex, national origin, or mental or physical disability, specific positive and aggressive measures must be taken to redress the effects of past discrimination, to eliminate present and future discrimination, and to ensure equal opportunity in the area of hiring, upgrading, promotion, transfer, recruitment, layoff, termination, rate of compensation, and in-service or apprenticeship training programs. Therefore, the parties acknowledge the need for positive and aggressive affirmative action. To accomplish these goals, certain positions may be designated as affirmative action target positions in accordance with the Employer's Affirmative Action Plan filed with the U.S. Department of Labor. The President of the Association shall be informed of such targeted positions simultaneously with the Division of Human Resources.

SECTION 3.

No employee shall participate directly in any decision or recommendation relating to appointment, promotion, retention, or other condition of employment at the University of any parent, child, spouse, sibling, parent-in-law, sibling-in-law, child-in-law, or stepchild of such employee, or supervise the performance of any such person except under such circumstances as the CEO may determine as warranting waiver of this prohibition in the best interests of the University.

SECTION 4.

The Employer and the Association acknowledge that sexual harassment is a form of unlawful sex discrimination, and the parties mutually agree that no unit employee should be subjected to such harassment. The term sexual harassment, as used here, is conduct such as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature which constitutes sexual harassment when:

- A. Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment.
- B. Submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual.
- C. Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment.

SECTION 5.

Any charges of discrimination in violation of this Article shall be subject to the Campus

An employee who is a member of a reserve component of the armed forces of the United States and who is called for duty other than the annual tour of duty not exceeding seventeen (17) working days, shall be subject to the provisions of chapter 708 of the Acts of 1941 as amended, or of chapter 805 of the Acts of 1950 as amended, or chapter 671 of the Acts of 1966, and amendments thereto.
- D. In accordance with chapter 708 of the Acts of 1941, as amended, an employee who, on or after January 1, 1940, shall have tendered their resignation or otherwise terminated their service for the purpose of serving in the military or naval forces of the United States who does serve, was, or shall be rejected for such service shall, except as otherwise provided by chapter 708 of the Acts of 1941, as amended, be deemed to be or to have been on military leave, and no such person shall be deemed to have resigned from the service of the Commonwealth or to have terminated such service until the expiration of two (2) years from the termination of said military or naval service by them.

SECTION 7. MATERNITY AND ADOPTIVE LEAVE

- A. A full-time or regular part-time employee who has completed the probationary period and who is absent from their employment with the University for a period not exceeding eight (8) weeks for the purpose of giving birth, or adoption of a child, shall be granted a maternity leave without pay, if the request for such leave is made to the CEO at least two (2) weeks in advance of the anticipated date of departure. If an employee has accrued sick leave or vacation credits at the commencement of the maternity or adoptive leave, the employee may use such leave credits for which they may be eligible for under the sick leave or vacation provisions of this Agreement.
- B. At the expiration of the maternity or adoptive leave, the employee will be restored to their previous position or similar position with the same status, pay, and length of service credit as of the date of their leave. If during the period of the leave, employees

in the same or similar position in the department have been laid off through no fault of their own, the employee will be extended the same rights or benefits, if any, extended to employees of equal length of service in the same or similar position in the department.

- C. Notwithstanding any other provision of this Agreement to the contrary, the maternity or adoptive leave granted under this Article shall not affect the employee's right to receive any contractual benefits for which they were eligible for at the time of the leave. Upon the expiration of a maternity or adoptive leave, an additional eight (8) weeks leave may be granted at the discretion of the CEO. The leave shall be unpaid unless the employee chooses to use any accrued vacation, personal leave, or compensatory time to cover this period of absence. The period of unpaid leave shall not be included in any computation of contractual benefits, rights, or advantages. Not later than two (2) weeks prior to the expiration of the eight (8) week maternity or adoptive leave, an employee may request a return to work at reduced time. If approved by the CEO, said employee will accrue benefits in the same proportion that such part-time service bears to full-time service.

An employee on maternity or adoptive leave may have their group health insurance benefits continued for the period of time the employee is absent on such leave. The employee, while on leave, is required to pay the same monthly premium they would have paid had such leave not been taken.

During the first ten (10) workdays of maternity leave, birth leave, adoptive leave, or foster care leave, the employee shall receive their regular weekly salary. When an eligible full-time or part-time employee and their eligible spouse are both employees of the University, they shall jointly be entitled to a combined total of not more than ten (10) days paid under this provision.

SECTION 8. PARENTAL LEAVE

Upon written application to the appointing authority, including a statement of any reasons, any employee, who has completed any applicable probation period, who has been employed at least three (3) consecutive months, who has given at least two (2) weeks prior notice of their anticipated date of departure, and who has given notice of their intention to return, may be granted parental leave for a period not exceeding ten (10) weeks. Such leave shall be without pay for such period. The purpose for which an employee may submit their application for such unpaid leave shall be limited to the need to care for, or to make arrangement for care of, a minor dependent child of the employee, whether or not the child is the natural, adopted, stepchild, foster, or child under legal guardianship of such employee. An employee, who requests and is granted parental leave for the purpose of caring for the employee's minor dependent child under three years of age, may have their group health insurance benefits continued for a period of ten (10) weeks while the employee is absent on such leave. The employee, while on leave, is required to pay the same monthly premium they would have paid had such leave not been taken.

SECTION 9. FAMILY LEAVE

- A. Upon written application to the CEO, including a statement of any reasons, any employee who has completed their probationary period or if there is no probationary period who has been employed at least three (3) consecutive months and who has given at least two (2) weeks prior notice of their anticipated date of departure and who has given notice of their intention to return may be granted family leave for a period not exceeding ten (10) weeks. Such leave shall be without pay or benefits for such period. The CEO may, in their discretion, assign an employee to back fill for an

employee who is on family leave. Such assignment may not be subject to the grievance procedure. The purpose for which an employee may submit their application for such unpaid leave shall be limited to the need to care for, or to make arrangements for the care of, the employee's spouse, parent, grandparent, grandchild, domestic partner, or relative living in the same household.

- B. Ten (10) days of family leave may be taken in not less than one (1) day increments. However, such leave requires the prior approval of the CEO.
- C. If an employee has accrued sick leave, personal leave, or vacation leave credits at the commencement of their family leave, that employee may use such leave credits for which they are eligible under the sick, personal, or vacation leave provisions of this Article.
- D. Between periods of family leave where an employee returns to the payroll for a period of less than two (2) weeks, when a holiday falls during that time, no holiday pay or compensatory time shall be granted for such holiday.

SECTION 10. EDUCATION LEAVE

Employees may be granted a paid leave of absence in accordance with the policies of the University for educational purposes, to attend conferences, seminars, briefing sessions, or other functions of a similar nature that are intended to improve or upgrade the individual's skill or professional ability. The employee shall not suffer any loss of seniority or benefits as a result of such leave.

SECTION 11. UNPAID PERSONAL LEAVE

Unpaid personal leave, other than hereinbefore specified, may be granted by the appointing authority upon the written request of an employee at least thirty (30) days in advance. Approval shall not be unreasonably denied. Retirement, seniority, sick leave, vacation credit, and time accrual for step increase shall not accrue during the term of such leave.

SECTION 12. THE FAMILY AND MEDICAL LEAVE ACT (FMLA)

The parties agree that where the provisions of FMLA are more generous than the contract, FMLA will prevail.

SECTION 13. TRANSITIONAL WORK ASSIGNMENTS

Consistent with any and all medical limitations identified for an employee, the University may require an employee, who experiences injury or illness that results in loss of time from work, to accept a transitional work assignment. Transitional assignments are meant to support employee recovery, protect employee income, reduce workers' compensation and paid sick leave costs, and shall not prevent the filling of vacant unit positions. Transitional duty shall be limited to a specific time period and shall not be permanent or long-term. The employee shall be paid their normal pre-injury or pre-illness salary or the higher salary if the transitional work assignment is of a higher grade, for the duration of the transitional duty period. No member of the USA/MTA bargaining unit shall be assigned transitional duty which falls outside the scope of bargaining unit work. However, it is understood that within the limitations described in this provision, employees from other units on transitional work assignment may be assigned work which falls wholly or partially within the USA/MTA bargaining unit's scope.

In collaboration with an occupational health professional, transitional positions will be identified to ensure that the recovering employee has the knowledge, skills, and abilities to succeed in the duties and so that the work can be accomplished safely. An employee will

work in a temporary transitional position until they have the necessary capacity to perform their normal position, or until the transitional job is terminated.

SECTION 14. VOLUNTARY SERVICE

Bargaining unit members, who have been employed for at least six (6) months and have applied for and received approval from their direct supervisors, shall be eligible to provide approved voluntary services, on site, in communities within the Commonwealth, during approved working hours, for a maximum of up to one (1) day (7.5 or 8 hours) per month, and without loss of salary or benefits, in order to assist in the improvement of our state. Part-time employees are eligible to participate in the program on a pro-rated basis, (i.e., the maximum number of volunteer hours allowed per month are pro-rated in accordance with the number of hours that the employee works per month).

SECTION 15. ORGAN DONATION LEAVE

Bargaining unit members may take a leave of absence of not more than thirty (30) days in a calendar year to serve as an organ donor, without loss of or reduction in pay, without loss of leave to which they are otherwise entitled and without loss of credit for time or service. All leaves granted under this Section shall be done in accordance with Chapter 149, Section 33E of the Massachusetts General Laws. Bargaining unit members may take a leave of absence of not more than five (5) days in a calendar year to serve as a bone marrow donor, without loss of or reduction in pay, without loss of leave to which they are otherwise entitled and without loss of credit for time or service.

SECTION 16. BLOOD DONATION LEAVE

Leaves of absence with pay may be granted for the purpose of donating blood, not to exceed two (2) hours per instance.

SECTION 17. EMPLOYEE LEAVE FOR VICTIMS OF ABUSE

The employer must provide up to fifteen (15) working days of paid leave without loss of leave to which the employee is otherwise entitled and without loss of credit for time or service, to allow the employee to seek or obtain aid for themselves or a family member as a victim of domestic violence, sexual assault, stalking or kidnapping, including but not limited to: medical attention, counseling, victim services or legal assistance; secure housing; obtain a protective order from a court; appear in court or before a grand jury; meet with a district attorney or other law enforcement official; or attend child custody proceedings or address other issues directly related to the abusive behavior against the employee or family member of the employee. All leaves granted under this Section shall be done in accordance with Chapter 149, Section 52E of the Massachusetts General Laws. Human Resources may require documentation as provided in applicable regulation and guidance supplied by officials of the Commonwealth regarding implementation of this statute.

SECTION 18. INCLEMENT WEATHER

When the campus closes due to inclement weather or other unanticipated or emergency reasons employees who do not report when the campus reopens shall be required to use accrued time for the hours between when the campus reopens and the end of their regular work shift. Essential employees who do not report shall report accrued time for their full work day. Employees taking previously scheduled accrued time off shall be charged for their full regular work shift.

ARTICLE 10

SICK LEAVE BANK

STATEMENT OF PURPOSE - The Sick Leave Bank (hereinafter referred to as the SLB) is intended to be used for short-term and non-work related disabilities, where the employee has a reasonable expectation of returning to consistently perform the job from which they became disabled. It is not intended as a substitute for, supplement to, other income sources (e.g., long-term disability).

ESTABLISHMENT - Upon the execution of this Agreement, every new member of the bargaining unit shall be members of the Sick Leave Bank upon the commencement of their employment. Benefits and contributions under this Article shall be pro-rated for part-time employees. New bargaining unit members shall not be able to access the USA Sick Leave Bank until they have completed the probationary period in Article 17A, § 1.

OPEN ENROLLMENT - Unit members who did not join the SLB prior to execution of this Agreement, may join the SLB during Open Enrollment. Open Enrollment is held during the month of October. During an open enrollment period, a unit member has the right to:

JOIN: become a member by assigning one (1) or more full days of their sick leave accumulation to the Bank, provided however, that on the date of making such assignment the employee must have at least three (3) days of sick leave. No one shall be able to access the Sick Leave Bank until ninety (90) days after enrolling.

MAINTAIN MEMBERSHIP - Sick Leave Bank members must donate one (1) full sick day each year which shall be deducted at the rate of 1/26th of a day per pay period for each of the twenty-six (26) pay periods. Members with at least fourteen (14) days of sick leave may voluntarily donate additional time to the Bank in one (1) day increments so long as the member maintains at least ten (10) days of sick leave. A regular part-time employee shall donate sick leave in the same proportion that their part-time service bears to full-time service.

APPLICATION - The Sick Leave Bank shall be administered by a joint labor-management committee with equal representation between unit members appointed by the Association and the administration. A Sick Leave Bank member may apply to draw from the Bank by submitting a completed Sick Leave Bank Application, signed by a physician, stating the nature of the employee's illness or disability and its anticipated duration.

If a majority vote by the Sick Leave Bank Committee approves an application, a member may draw upon the Bank after the exhaustion of the member's sick leave and all but ten (10) days of accrued leave other than sick leave [thus allowing the member to retain ten (10) days of total leave from personal, compensatory, and/or vacation time]. The Sick Leave Bank Committee shall determine the period of time the member may draw from the Bank. After an employee has drawn from the Bank for the approved period of time, not to exceed ninety (90) days, their case shall be reviewed by the Sick Leave Bank Committee upon reapplication by the employee. The Sick Leave Bank Committee may, by majority affirmative vote, authorize the employee to continue drawing from the Bank. Any employee drawing on the Sick Leave Bank may at any time be disqualified from continuing to draw on the Bank by majority vote of the Sick Leave Bank Committee.

Any vacation leave, sick leave, and personal leave, which accrues to an employee during

a period in which they are drawing on the Sick Leave Bank, shall be credited to the Bank.

Employees retiring from the University shall be permitted to contribute any remaining days of sick leave to the sick leave bank at their date of retirement before any payment for unused sick leave is processed.

It is further agreed that bank members may apply for leave required to care for a child, parent, or sibling of either a bargaining unit member or their spouse; the bargaining unit member's spouse, grandchild or grandparent; or a relative living in the immediate household of a bargaining unit member in the event that close relative is suffering a serious health condition, or for additional leave under Article 9, Section 7. In both cases, the SLB shall allow for an initial grant of up to two (2) weeks.

SECTION 7.

The appointing authority shall grant vacation leave within twelve (12) months after it is credited, unless in the appointing authority’s opinion it is impossible or impracticable to do so because of work schedules or emergencies. No employee shall carry more than sixty-four (64) days of vacation leave credit. An employee who has available unused vacation leave and, who because of the provisions of this Section of this Article, would lose such vacation leave shall have such vacation leave converted to sick leave on the last day of the month in which such vacation would be lost if not taken.

United States, under the provisions of chapter 708 Acts of 1941 as amended, and, who upon honorable discharge from such service in said armed forces returns to the service of the institution, shall be paid an amount equal to the vacation leave which had been accrued prior to their entry into such service in said armed forces which had not been used prior to military leave, provided that no monetary or other allowance has already been made therefore.

This means the base salary after any retroactive base salary adjustments. All payment amounts regardless of calculation method shall be prorated for less than full time and less than 52-week employees.
- E. Additional Salary Adjustment concerning Paid Family and Medical Leave Deductions: Notwithstanding the provisions contained in paragraphs A-C above, in consideration for the mutual promises contained in the attached Memorandum of Agreement, employees who are otherwise eligible for the annual salary adjustment effective on the first day of the first full pay period in July 2020, shall receive an additional one-half of one percent (0.5%)—not compounded—for a total of two and one-half percent (2.5%) inclusive of the annual salary adjusted listed in paragraph A.

Employees who leave the University voluntarily or are discharged for cause after the effective date of the compensation increase are not eligible for any increase or any retroactive pay.

SECTION 2. STEP RATE INCREASES AND PROMOTIONS

- A. (1) An employee shall advance under the terms of this Agreement to the next higher step in their job group until the maximum salary rate is reached, unless the employee is denied. In the event an employee is denied a step rate increase, they shall be given a written statement of reasons therefore not later than five (5) days preceding the date when the increase would otherwise have taken effect. Time off the payroll during the regularly scheduled workweeks for an employee is not seniority within a given step for the purpose of step rate increases.

- B. An employee entering a position within the bargaining unit covered by this Agreement, without a break in service from a position in another Commonwealth of

Massachusetts public employer, in a bargaining unit not covered by this Agreement, from a position determined by the Division of Human Resources to be of a type with similar duties and responsibilities to the positions in this unit, which are at a lower grade level than the position which they are being hired into, shall be placed at a step-in-grade in accordance with the provisions of Section 2 of this Article.

- C. An employee entering a position within the bargaining unit covered by this Agreement, without a break in service from a position in another Commonwealth of Massachusetts public employer, in a bargaining unit not covered by this Agreement, from a position determined by Division Human Resources to be of a type with similar duties and responsibilities to the positions in this unit, which are at a higher grade level than the position which they are being hired into, shall be placed at a step-in-grade within their new job grade based upon the employee's years of service in the equivalent new job grade or higher job grade, provided that in no event shall the employee be placed in a step-in-grade which results in the employee receiving a salary rate equal to or greater than the average salary received by the employee for the preceding six (6) months.

SECTION 6.

The Division of Human Resources may create a recruitment range if the entry-level salary for a particular position or class of positions is insufficient to permit recruitment and/ or retention of employees in those positions and the rate normally paid is not competitive in the appropriate labor market. The Labor Relations Department shall notify the Association of the University's intent to establish any recruitment range and, if requested, the parties shall meet to bargain the issue. The decision to create a recruitment range and the placement of employees within the range shall not be subject to Article 27 of this Agreement. When implementing a recruitment range, the Division of Human Resources will consider the experience and training of existing employees at the time of hire and adjust salaries accordingly.

SECTION 7.

Effective July 1, 2018, and expiring June 30, 2020, employees shall receive lump sum payment as described below in the first payroll of December of each fiscal year under the following terms.

ARTICLE 15

COST ITEMS AND APPROPRIATION BY THE GENERAL COURT

SECTION 1.

The cost items contained in this Agreement are specifically subject to additional, complete and identifiable appropriation by the General Court and shall not become effective unless the appropriation necessary to fully fund such cost items has been enacted in accordance with Massachusetts General Laws, Chapter 150E, Section 7 and allocated by the Governor to the Trustees of the University of Massachusetts in which case the cost items shall be effective on the effective date provided in this Agreement.

SECTION 2.

SECTION 3.

The Trustees of the University of Massachusetts shall make a request for the funding of this Agreement as required by Massachusetts General Laws, Chapter 150E, Section 7. In the event the additional specific, complete, and identifiable funding in each year of this Agreement is not fully provided, the remaining cost items shall be returned to the parties for further bargaining.

ARTICLE 16

HEALTH AND WELFARE

SECTION 1. GROUP HEALTH INSURANCE CONTRIBUTIONS

- A. The Commonwealth shall be responsible for paying only that percentage of the monthly premium rate for the Group Health Insurance Plan (further noted in this article as “Plan”) that is established by the Commonwealth’s Group Insurance Commission and/or enacted by the legislature; each employee shall be required to pay the remaining percentage of the premium rate for the type of coverage that is provided for the employee and their eligible dependent(s) under the Plan.

- C. The amount of contributions for each year shall be based upon the number of full-time equivalent employees as of the last payroll period in the month of October; however, non-state-funded employees may be surveyed quarterly. The contributions shall be made by the Employer in an aggregate sum within forty-five (45) days following the end of the calendar month during which contributions were collected.

Said committee shall meet no later than thirty (30) days from the execution of this agreement.

ARTICLE 17

VACANCIES AND PROMOTIONS

SECTION 1.

- A. The appointing authority is recognized as the sole authority to appoint an applicant to a vacant position. When the appointing authority determines that a vacancy is to be filled, it will be made public on a website designated for that purpose and through which applications shall be submitted. The appointing authority will not be obligated to consider an application for a position from an employee who has not submitted their application by the date on which the posting states it will close.
- B. For the purpose of this Article, promotion shall be defined as an appointment to a position of a higher job grade; a change in job title without a change in job grade shall be considered a lateral appointment.

SECTION 2.

Vacant positions in the bargaining unit will be posted as internal campus job postings on the University's on-line applicant tracking system for a minimum of seven (7) business days before being posted for external (off-campus) applicants. Applications submitted online by internal (on-campus) applicants and received during the internal campus job posting period by the hiring department will be considered prior to interviewing any external applicants for the position. Internal applicant may also submit a written application form for such internal campus job postings under procedures of the Employment Office. Such written application forms will be mailed to the department and/or hiring authority for the position through campus mail. Hiring departments will not be required to hold internal campus job posting if the written application form is received after the seven (7) business day internal posting period.

SECTION 3.

In filling vacancies, campus seniority will govern where, upon review by the appointing authority, the ability, experience, training, and education of the applicants are equal. In the event the appointing authority fills a vacancy by appointing a non-bargaining unit applicant and such appointment results in bypassing the campus seniority of a bargaining unit applicant, then the reasons for bypassing the bargaining unit employee's seniority, if requested, shall be given in writing to the employee and/or the Association.

Only a senior bargaining unit member, who has been bypassed, and/or the Association, shall have the right to request such information. Under these circumstances, the appointing authority's determination may be grieved and processed through arbitration. In the event arbitration is invoked hereunder, the arbitrator's authority shall be limited to reviewing, consistent with the criteria set forth herein, the appointing authority's determination that the qualifications of the successful and unsuccessful candidates are not equal. A unit member or the Association may grieve their non-selection for a position only to Step 4 of the grievance process if such position was awarded to another unit member.

SECTION 4.

The Employer shall use reasonable efforts to answer requests for information regarding the search and selection procedure submitted by the senior unit member, who has been bypassed and makes such request pursuant to Section 2 or Section 3 and requests made in the investigation of a grievance filed under Section 2 or Section 3.

SECTION 5. TRIAL PERIOD

- A. An employee, who is appointed to a different position, shall serve a two (2) month trial period from the effective date of the appointment. In no case, however, shall this trial period expire prior to the completion of six (6) months of continuous employment from the most recent date of hire.
- B. During this trial period, if the employee's work performance in the new assignment is not satisfactory to the CEO, said employee shall revert back to their former position. This matter may be a proper subject for the Grievance procedure.
- C. If the employee is not satisfied with the new position, they may elect to return to the former position within thirty (30) days from the effective date of the said new appointment.
- D. All appointments made, related to this section, shall be temporary or provisional appointments at least until the completion of the trial period. All vacancies, resulting from an employee's appointment, pursuant to this section, shall be filled temporarily or provisionally at least until the appointed employee has completed their trial period. The employer shall notify all employees of this provisional appointment trial period.
- E. During the two (2) month trial period, there will be no changes made to the employee's previous job description so that if it is necessary for their return to said department, their original position will be available. Also during this two (2) month trial period, it is strongly encouraged that the supervisor will conduct a thirty (30) day evaluation to help the employee with their decision on returning to the previous position.

SECTION 6.

The step anniversary date shall only change when an employee is promoted into a higher graded position per this Article and shall be the appointment date on which they occupy the position. There shall be no change to a step date for an employee occupying a higher graded position through a temporary promotion or out-of-title work, per Article 19, Out of Title Work, or a grade increase through a reclassification per Article 20, Classification or Reclassification.

SECTION 7.

A bargaining unit vacancy may not be filled with a CC/03 employee unless it is to meet one of the following conditions:

- a) Temporarily replace a bargaining unit member, who is on approved leave of absence.
- b) To fill a position that is known to be of limited duration or duration of less than twelve (12) months.
- c) To deal with an emergency situation.

SECTION 8.

- A. The University may advertise and fill new bargaining unit positions as temporary appointments. A temporary appointment shall not exceed two (2) years but may be extended one (1) year upon written notice to the Association. When the University seeks to fill a temporary position, it shall identify the position as temporary on the designated web site.
- B. A temporary employee, who has completed their term of appointment before three (3) years have elapsed, may be separated from the University without recourse to Articles 22, except as provided herein, and Article 26. Laid off temporary employees shall be considered "off campus" applicants when they apply for a position they held as a

temporary appointment that becomes permanent. For all other positions, they shall be considered “on campus” applicants for two (2) years from their date of layoff.

SECTION 9.

The University shall designate and advertise a specific website at which all applications for employment and job vacancies shall be listed and to which applications shall be submitted. Bargaining unit employees who cannot use computers or have no access to computers shall be provided a location at which they may use a computer to search job vacancies and make applications.

SECTION 10.

Every month the employer shall provide the Association with a list of the name, requisition or posting bid number of employees hired into vacancies as described in this Article. This list shall include the bargaining unit of each employee hired.

ARTICLE 17A

SENIORITY - PROBATIONARY EMPLOYEES

SECTION 1.

New employees hired in this unit shall be considered as probationary employees for the first six (6) months of their continuous employment. When an employee finishes the probationary period, they shall be entered on the seniority list of the unit and shall rank for seniority from the six (6) months prior to the date they completed the probationary period. There shall be no seniority among probationary employees.

SECTION 2.

The Association shall represent probationary employees for the purposes of collective bargaining in respect to tours of duty and other conditions of employment.

SECTION 3.

During the probationary period, an employee may be disciplined or terminated without recourse to the grievance and arbitration procedure provided herein, except discipline or discharge for lawful and protected Association activity or as indicated pursuant to Article 29.

SECTION 4.

Seniority shall be defined as service in a benefited position from the most recent date of continuous hire at the University.

ARTICLE 17B

PERMANENT, INVOLUNTARY TRANSFERS

- A. No employee, who is employed on the central campus of the University of Massachusetts at Amherst, shall be involuntarily transferred, on a permanent basis, to a work site that is more than fifteen (15) miles from Amherst.
- B. No employee, who is employed at a work site away from the central campus of the University of Massachusetts at Amherst, shall be involuntarily transferred, on a permanent basis, to a work site that is more than fifteen (15) miles from their current work site, unless the employee's entire office is relocated.
- C. When a permanent, involuntary transfer results in changing an employee's permanent work site, the employee shall be given thirty (30) calendar days advance, written notice of such transfer. If the transfer is made because of a change in work load, assignments shall be filled by qualified volunteers in order of seniority. If there are no volunteers, assignments shall be made in inverse order of seniority. Such transfers shall not be made in an arbitrary or capricious manner.

ARTICLE 17C

TEMPORARY TRANSFERS

Consistent with the needs of the appointing authority, voluntary, temporary transfers shall be offered on a seniority basis and rotated among employees within the department whenever practicable. Assigned transfers will be allocated by inverse seniority, consistent with the requirements of the appointing authority, and rotated among employees of the department whenever practicable. Such transfers shall not be made in an arbitrary or capricious manner.

ARTICLE 17D

WORK AREA, SHIFT PREFERENCE

The appointing authority may change an employee's workweek schedule, shift, and location as deemed necessary by the appointing authority. Unless the need for changing an employee's workweek schedule, shift, or location is of an emergency nature, the appointing authority shall give the employee twenty-one (21) calendar days written notice of such change. Notwithstanding the forgoing in work locations and for employees whose schedules change at regular intervals during the year, seven (7) calendar days notice of such change shall be required. Whenever an Employee requests a change of workweek schedule or shift, approval of such request shall not be unreasonably withheld if a vacancy exists in the classification on a workweek schedule or shift other than that which they are then working, provided the employee has sufficient classification seniority and, in the judgment of the appointing authority, is able to adequately perform the duties of the vacancy.

ARTICLE 17E

VOLUNTARY LATERAL TRANSFERS

SECTION 1. DEFINITIONS

- A. Executive Area - as defined by the University organizational chart
https://www.umass.edu/oir/sites/default/files/publications/organization/organization_chart.pdf
- B. Minimally Qualified Employee - For the purposes of this Article, a “minimally qualified employee” is a Unit Member who:
 - 1. Possesses the minimum qualifications as described in the approved position description for which the transfer is sought, with the understanding that the need for reasonable training in a particular program or process shall not be automatically disqualifying;
 - 2. Has satisfactory performance reviews for up to the prior three years. If there is no review for a pertinent year worked, performance for that year shall be deemed satisfactory for voluntary lateral transfers;
 - 3. Has served twelve (12) or more full months in the present position transferring from, and;
 - 4. Has no open or pending disciplinary process.
- C. Reasonable Accommodation Transfer-Eligible Employees – Unit members deemed eligible for a transfer to a comparable position based on medical or health necessity as determined by the parties under the guidelines of the Americans with Disabilities Act and other laws.
- D. Voluntary Lateral Transfer – A voluntary lateral transfer shall mean a change by a minimally qualified employee from one position to another position in the same title and grade as the one then held by the member requesting the transfer.

SECTION 2.

- A. Prior to posting a vacancy on the University’s online applicant tracking system under Article 17, the hiring authority may open a vacancy to voluntary lateral transfers. The University will create an internal transfer link for the vacancy on its applicant tracking system open only to unit members who have been identified as seeking a voluntary transfer. The internal transfer link shall include the position description, location, and supervisor of the position.
- B. The hiring authority or designee shall forward the link to the Association at usa@external.umass.edu and to the Association President. The Association will notify its members by disseminating the link. To qualify for a voluntary lateral transfer under this Article, eligible members may apply to the link beginning the Thursday immediately following its dissemination through the following Wednesday at 11:55 pm. This period shall be known as “the internal transfer link posting period.”
- C. An employee seeking a voluntary lateral transfer who applies within the internal transfer link posting period shall be given consideration and interviewed prior to other members as currently described in Article 17.
- D. Applications by minimally qualified employees for voluntary lateral transfers shall be considered and reviewed in the following order: Those applicants who work within the pertinent Department or College, those who work within the same Executive area of the position, and those in other Executive areas. Whenever more than one minimally qualified employee is in the same area of preference, the position shall be

offered to employees in campus seniority order.

SECTION 3.

The Association and/or an employee who has applied for a voluntary lateral transfer and is not selected shall be given the reason(s) for non-selection upon written request to the hiring authority made within thirty (30) days of the appointment. A unit member or the Association may grieve the non-selection for a position. If the position is awarded to another unit member, the grievance shall advance only to Step 4 of the grievance process.

SECTION 4.

Employees appointed through the voluntary lateral transfer process are subject to the Trial Period set forth in Article 17, Section 5.

SECTION 5.

The provisions of this Article shall not supersede the transfer process for Reasonable Accommodation transfer-eligible employees and shall not supersede the provisions for employees scheduled to be laid off or in layoff status as set forth in Article 22. Those employees shall be considered prior to employees seeking a voluntary lateral transfer.

SECTION 6.

By mutual agreement, the parties may modify the process in order to resolve workplace matters.

ARTICLE 18

CONTRACTING OUT

When contracting out work, which will result in the layoff of employees, who perform the function that will be contracted out, is contemplated, but prior to its implementation, a Special Labor Management Committee will be established to advise the CEO on the contracting out of personnel services. The Committee shall consist of four (4) persons: two (2) designated by the Association and two (2) designated by the Assistant Vice Chancellor for Human Resources. Said Committee shall examine cost effectiveness, quality of work, impact on career development, availability of positions within the University for which any laid-off employee may be qualified and the availability of applicable training programs and make appropriate recommendations to the CEO.

When the decision to implement the contracting out is finalized, the appointing authority will notify the Association and discuss the decision and the availability of positions within the University for which the laid-off employee is determined to be qualified and the availability of any training programs which may be applicable to the employee. In reviewing these placement possibilities, every effort will be made to seek matches of worker skills and qualifications with available, comparable positions.

ARTICLE 19

OUT OF TITLE WORK

SECTION 1. WORK IN A LOWER CLASSIFICATION

- A. When an Employee is assigned by their supervisor to perform the duties of a position classified in a grade lower than that in which the employee performs their duties, they will be compensated at their regular rate of pay as if performing their regular duties.
- B. An Employee, who is assigned by their supervisor to perform overtime work in a lower classification, shall have overtime compensation computed at the employee's regular rate of compensation.

SECTION 2. WORK IN A HIGHER CLASSIFICATION

An employee who is clearly directed by their supervisor to perform work in a higher classification shall receive pay at the step as determined by Article 14 from the start of the period for which such work is assigned. Prior to receiving such pay, the out of title Temporary Work Assignment Form signed by the direct supervisor and department head must be received in Human Resources. That form must contain a brief description of the work performed in a higher classification assigned to that employee. Only one employee shall receive such compensation for performing work in a higher classification formerly done by another bargaining unit employee. A job audit by the Personnel Administrator or designee shall be conducted only in cases where there is a dispute between the employee and supervisor and/or designee. Working out of title pay shall not be available for employees filling in for employees on scheduled vacation leave of less than three (3) weeks.

An Employee, who is assigned by their supervisor to perform overtime work in a higher classification, shall have overtime compensation computed at the same step rate of the higher classification, unless the employee's regular rate of compensation is higher, in which case the overtime compensation shall be computed at the employee's regular rate of compensation.

An employee performing work formerly done by an employee in another bargaining unit shall receive a stipend of fifteen (\$15.00) dollars per day. Within ninety (90) days after funding of this agreement a joint labor-management committee consisting of three members appointed by each party to this agreement shall meet to discuss the creation of and implementation of a system for compensating USA employees performing out of title work in positions in other bargaining units. The committee shall also have authority to revise the Temporary Work Assignment Form.

An employee working out of grade shall not use that fact as a basis to pursue a reclassification appeal nor shall it serve as that employee's salary from which a promotion is determined under this agreement.

ARTICLE 20

CLASSIFICATION AND RECLASSIFICATION

SECTION 1. CLASS SPECIFICATIONS

- A. The appointing authority shall provide the Association with a copy of the class specification of each title covered by this contract for which such a specification exists.
- B. Each Employee in the bargaining unit shall be permitted by the appointing authority to have access to examine their class specification.

SECTION 2. INDIVIDUAL APPEAL OF CLASSIFICATION

The parties agree that any appeal, pertaining to reclassification or reallocation, shall continue to be governed by the provisions of Section 49 of Chapter 30 of the Massachusetts General Laws and shall not be subject to the grievance and arbitration procedure herein. An employee, who seeks a reclassification may request an audit of the position on the form attached hereto (Appendix C).

The employee shall file said form with the Manager of Total Compensation or designee and shall forward a copy of same to the Association. The Manager of Total Compensation or designee or designee shall conduct a job audit within ninety (90) calendar days of receipt of the request. The Manager of Total Compensation or designee shall make a final determination within thirty (30) calendar days of the hearing whenever possible.

The decision of the Manager of Total Compensation or designee may be appealed within ten (10) calendar days to the Director of Human Resources or designee, who shall issue a decision within thirty (30) calendar days of receipt of the appeal but not more than sixty (60) days.

SECTION 3. TRUST-FUNDED POSITIONS

The parties agree that the procedure herein provided shall be the sole procedure for reclassification of "trust funded" positions and the grievance and arbitration procedures of Article 27 shall not apply. Within ten (10) working days of completion of the job audit, the Manager of Total Compensation or designee or designee shall hold a hearing. In the case of a request for an individual reclassification, the hearing officer shall not be in the supervisory chain of the employee seeking the reclassification. The Association may participate in the hearing.

SECTION 4. NOTICE TO THE ASSOCIATION

The University shall provide notice to the Association of any and all reclassifications filed by or on behalf of bargaining unit members and the ultimate disposition of any and all reclassifications.

SECTION 5. CAMPUS BARGAINING UNIT NEEDS AND ANOMALY CORRECTION POOL

Effective on the date on which this agreement is funded, there shall be a one-time salary and Campus Bargaining Unit Needs and Anomaly Correction Pool consisting of 3/10th of 1% of the total payroll as of July 8, 2007. As soon as possible after ratification of this contract the parties shall meet to bargain over guidelines for the expenditure of these funds.

ARTICLE 21

CLASS REALLOCATIONS

SECTION 1.

Class reallocations may be requested by the Association whenever it believes a reallocation is justified by the existence of an inequitable relationship between the positions covered by the reallocation requests and other positions covered by this Agreement. If the appointing authority agrees that such an inequity exists, the appointing authority and the Association agree to jointly petition the General Court for such class reallocation. If all incumbents of a position covered by this Agreement, for which such reallocation is sought, are paid from other than State-appropriated monies, the appointing authority agrees that money to fund the reallocation shall be budgeted for the following fiscal year by the University. If, however, the parties are unable to reach agreement, the matter shall not be subject to the grievance procedure.

SECTION 2.

The appointing authority and the Association agree that the procedure provided in Section 1 shall be the sole procedure for class reallocation for all classes covered by this Agreement and no other class reallocations shall be granted.

ARTICLE 22

LAYOFF AND RECALL

SECTION 1. DEFINITION OF LAYOFF

A. Layoff shall be defined as the reduction of the work force due to lack of work, lack of funds, or curtailment of programs. Layoff may result from departmental “reorganization,” which shall mean the restructuring or redeployment of resources resulting from legitimate (demonstrated) economic and/or programmatic changes or needs resulting in the lack of work, lack of funds, or the curtailment of programs that are not and cannot be related to employee conduct or performance and shall not constitute discharge or termination for cause. The appointing authority agrees that no unit employee will be laid off in an arbitrary or capricious manner. Employees hired with a minimum commitment of thirty-five (35) weeks per year shall be laid off in accordance with their employment agreement. The terms of this Article shall not apply to employees paid from grant, contract, or institute funds. However, such employees shall receive a thirty (30) day notice of impending layoff unless a predetermined date for the end of employment has been established and shall be placed in the on-campus callback pool for two (2) years pursuant to Section G. The terms of this Article shall not apply to probationary employees.

B.

1. The appointing authority agrees that it will hold a layoff meeting with the Association to discuss the impact of pending layoffs and to explore alternatives for laid off employees. Upon notification to the Association, if a meeting is requested to discuss the situation, it shall be held as soon as possible. Layoffs shall be conducted by job classification on the basis of the employee’s campus seniority, provided the employee retained has the ability to perform the job. In the event of a layoff within a job classification, probationary employees, within that job classification, shall be laid off first with regard to their individual periods of employment. Non-probationary employees shall be next for being laid off.
2. In the event that there are full and part-time employees within a job classification in a department or area and it is determined that the department must reduce a full-time position to a part-time position, it shall proceed as follows:
 - a) If a more senior employee works part-time, the department may require the part-time employee to either accept a full-time schedule or be laid off.
 - b) If the more senior employee elects to accept the full-time schedule, the department shall then lay off the least senior employee in the job classification.
 - c) The department may also elect to reduce or restructure the full-time schedule of the least senior employee in the job classification, pursuant to subsection M of this Article.

C.

1. Employees who are on layoff shall be recalled to available jobs in their classification in accordance with their campus seniority, in the reverse order from which they were laid off, provided the employee(s) recalled have the ability to perform the job.
2. Employees who would have been laid off, except that they exercised their options under Sections F and G, and accepted positions in lower graded classifications from the one they held before the layoffs, shall be recalled to available jobs in their classification in accordance with their campus seniority, in the reverse order from which they were laid off, provided the employee(s) recalled have the ability

- to perform the job. Said employees shall retain the right to be recalled for one (1) year from the date of their layoff.
3. An employee who has been laid off and identifies a position to which they are entitled to be recalled shall, within five (5) days of identifying such positions, notify the Division of Human Resources, who shall review the position and, if it meets the criteria set forth in this section, award the position to the laid off employee.
- D. Layoff in excess of three (3) continuous months shall not be credited or accrued towards seniority for any purpose. Employees whose layoff result in their going “off payroll” may request the Division of Human Resources to retain accrued vacation credits, without paying out accrued vacation, for up to one hundred and twenty (120) days from the actual date of layoff. A laid off employee, who returns to employment, shall have their sick leave credits at the time of layoff, as well as personal leave credits, restored. However, if they are on layoff through the end of the calendar year, they shall be entitled to a personal day accrual that is the same as a newly hired employee on that date.
 - E. Employees to be laid off will be notified of such layoff in writing, as soon as practicable, but in no event less than thirty (30) calendar days prior to the layoff. The Association will be sent a list, from the appointing authority, of the employees being laid off at the same time as the written notices are given to the employees. The University will provide, within five (5) calendar days, the Form 30s and other information necessary for an employee scheduled to be laid off to make an informed decision on bumping options.
 - F. At the same time as the University notifies the Association of the layoff, the University shall compile the following information which shall be provided to the Association with said notice:
 1. The name, state title, working title, salary grade or level and seniority date of the employee(s) facing layoff.
 2. The names and seniority dates of all other employees in the organization who have the same title.
 3. The names and bargaining unit affiliation of the employee(s) who will take over the work, and whether the work will be outsourced, or a CC/03 employee who will be hired to cover the task.
 4. The reasons for the layoff; i.e. loss of grant funding, reorganization, cut in state funding, need to reallocate funds or other factors.
 5. The proposed effective date of layoff.
 - G. In the event an employee is scheduled to be laid off. or is on layoff status, as set forth in Article 22, and there exists a vacant position in the bargaining unit which has been certified for filling in an equal or lower-graded classification, provided the employee can perform the work, campus seniority shall prevail in permitting such an employee to fill such position. Any employee, in such category, shall have their name forwarded for any vacant position prior to Article 17 being applicable. An employee may refuse an interview offered in accord with this provision and continue to have their name forwarded. An employee, who is offered a position through this process and declines it, shall not continue to have their name forwarded. Should the University fail to inform an employee of their rights under this Article 22, Section G, within ten (10) days from the date of the notice of layoff, the employee’s lay off date shall be extended one day for each day the University fails to meet its obligation.

Option #1.

In the event a non-probationary employee is scheduled to be laid off, they may elect to receive a severance payment which shall constitute one (1) week of pay for each year of service to a maximum payout of thirty (30) weeks. Or

Option #2.

- a) An employee scheduled to be laid off from a unit position shall first seek to bump one (1) of the three (3) least senior individuals in their current classification. If there is no position available or if the bump is denied, they may next seek to bump one (1) of the three (3) least senior employees in a lower graded position they have previously held on campus. If that position is unavailable or the bump is denied, they may seek to bump one (1) of the three (3) least senior employees in a position where the regular duties of the position are basically similar to the normal requirements of the employee’s present position. An employee denied bumps three (3) times shall be deemed terminated.
- b) (1) If the position of the least senior employee is a part-time position, the full- time employee to be laid off may elect to accept the part-time hours.

- c) For purposes of this Article, the regular duties of a position are those listed on the Form 30 for that position, provided the duties described on the Form 30 do not exceed the level, tenor, and complexity of the state specification.
- I. When an employee returns to employment with the University in the same title or an equivalently graded title, either through the subsection (G) of this Article or recall, the employee shall be placed at the same step in grade as they held at the time of layoff.

- K. Notwithstanding their position on the seniority list, Association stewards, in the event of a layoff, shall be offered the first open job in the bargaining unit, which they can perform in their specific district. Notwithstanding their position on the seniority list, eleven (11) Association officials, including the grievance officer, chief stewards and the most senior stewards shall continue to be employed at all times in the event of a layoff, provided they can perform the duties of any available bargaining unit positions.
- L. Any grievance filed, pursuant to Article 22 concerning a layoff, may be filed at Step 3 and if unresolved at that step may be referred to arbitration under that agreement by the Association.
- M. If the University determines that a total layoff could be avoided by reducing a position’s percent of time or the number of weeks of guaranteed employment, the University shall offer such a position to the affected employee according to the terms and conditions as set forth below.

1. An employee, who has received a layoff notice and whose position has been determined by the University to be possibly restructured by reducing the position's percent of time or the number of weeks of guaranteed employment, shall be notified of such possible restructuring at least thirty (30) calendar days prior to the implementation of the restructuring. Said employee's effective date of layoff shall not occur prior to the effective date of hire of the restructured position.
2. Notification to the employee of the possibility of a restructured position shall be in writing and copied to the Association. The notice shall include a proposed schedule, work hours, and the number of weeks of the restructured position. Said notification shall be a separate letter from the layoff notice.

Discussions between the department and the employee regarding the restructured position shall take place after the consultation meeting between the University and the Association.
4. The employee, given notice by the University of the proposed restructuring, shall be given released time to meet with the Association and the department to discuss the details of the restructured position. After such discussion with the employee, the department shall decide to either offer the employee the proposed restructuring as originally presented or to offer the employee a modified version. In either case, the offer to the employee of the restructured position shall be in writing and forwarded to the employee and the Association by the Labor Relations Office.
5. The employee shall have ten (10) calendar days from receipt of the department's written offer of the restructured position to inform the University that they accept or decline the restructured position.
6. The parties agree that an employee who has accepted the restructured position shall have Article 22, Section G rights for two (2) years from the effective date of layoff. Said employee shall waive any rights under Article 22, Section C.
7. The parties agree that should the restructured position be made a higher percentage of time or full-time and/or full year, there shall be no obligation to post that position if the employee accepts the restructured position. In that circumstance, said employee's time shall be increased accordingly.
8. If the employee does not accept the restructured position, said employee's layoff shall proceed in accordance with Article 22.
9. At the Association's request, a labor management meeting shall be held to re-examine an employee's restructured schedule in order to assess returning the employee's schedule to the status quo ante.
10. Any restructured position shall be a minimum of thirty-five (35) workweeks per year. No restructured position shall be less than 18.75 hours per week.

These Standards apply to all members of the University community, except where any discount or other benefit contained in a collective bargaining agreement may be more favorable. See, M.G.L. c.150E, § 7(d).

Each campus and the President's Office is responsible for developing procedures to process requests for the Student Tuition Credits described in these Standards.

An employee and/or the Association shall not have the right to grieve pursuant to this Article or Article 27, disciplinary action taken as a result of the employee engaging in a strike, work stoppage, and slowdown or withholding of services unless the Association alleges that the employee did not engage in such conduct.

ARTICLE 27

GRIEVANCE AND ARBITRATION PROCEDURE

SECTION 1. INTRODUCTION

The parties recognize that G.L. c. 150E Section 8 provides a mechanism for arbitration of disputes between the parties to a collective bargaining agreement and further provides that the parties to an agreement may establish an independent grievance procedure culminating in final and binding arbitration. It is the intent of the parties to this Agreement to use their best efforts to encourage the informal and prompt settlement of grievances which may arise between the Association or an employee or group of employees and the Employer. Therefore, the parties agree that they shall use the procedures set forth in this Article for the resolution of all disputes involving the interpretation or application of this Agreement, unless such matters have been specifically excluded from these procedures. Further, each party hereby waives its right if any, and the rights of all those whom it represents, if any, to use any other procedure established by law to initiate binding arbitration of grievances. In the event the Association or an employee elects to pursue any matter covered by this Agreement in any other forum, the Employer shall have no obligation to process or to continue to process any grievance or arbitration proceedings pursuant to this Article or Article 26 herein.

SECTION 2. DEFINITIONS

- A. Conciliation Period – “Conciliation Period” shall mean the period of time for an informal grievance process, the rights of which may be exercised by the Grievant or Association to request a meeting of any Grievance – The period ends 10 days after said meeting, with the possibility of extension upon mutual agreement of the parties. The parties may also re-open the conciliation period at any time of the grievance process upon mutual consent of both parties.

prejudice for filing at an appropriate level. No such notice may be filed more than thirty (30) days from the date of the occurrence of the event or the date on which the unit member had reasonable knowledge of the event or conditions upon which the grievance is based. The parties, which may include a union representative, shall meet as soon thereafter as practicable, whether remotely or in-person, to try to resolve the matter informally during the conciliation period. Any resolution shall be consistent with the contract and without precedent to any future matters between the University and the Association. A grievant may initiate the formal grievance process if resolution cannot be reached.

B. Step 2: Intermediate Supervisor – If the grievant elects to proceed to this Step, then within ten (10) days after the receipt of the Step 1 decision, the grievant shall file a grievance with the intermediate supervisor and provide a copy to the immediate supervisor. The intermediate supervisor shall, within five (5) days of receipt of the grievance, arrange to meet with the grievant to resolve the dispute and shall respond in writing within ten (10) working days from the date of the meeting.

C. Step 3: Chief Executive Officer of the Campus or designee (hereinafter in this Article “CEO”) – If the grievant elects to proceed to appeal a Step 2 decision, then within ten (10) days of receipt of the Step 2 decision, they shall send a notice of this intent to the CEO and a copy of the notice to the intermediate supervisor who, upon receipt of said notice, shall forward the grievance record to the CEO. The CEO shall, within five (5) days of receipt of the grievance, arrange to meet with the grievant for a review of the grievance and shall respond in writing within ten (10) days of the date of the meeting.

D. Step 4: The President of the University of Massachusetts or designee (Hereinafter in this Article “the President”) - If the grievant elects to proceed to this Step, then within ten (10) days of receipt of the Step 3 decision, they shall file a notice of this intent with the President and a copy of such notice with the CEO. The CEO shall forward, forthwith, a complete copy of the grievance record to the President. Within thirty (30) days of receipt of the notice required to initiate this step or of a brief, if the Association elects to so submit, the President shall review said grievance and issue a written decision. A brief must be submitted within ten (10) working days of the notice of appeal.

Mediation. The parties may agree, as an alternate to step 4, to refer the matter to Grievance Mediation. A grievance mediator may be requested from the Commonwealth of Massachusetts Division of Labor Relations or the parties may agree on the choice of a neutral mediator. If after sixty (60) days the grievance is not settled, the Association may proceed to step 5 Arbitration. The costs of mediation shall be shared equally by the parties. All statements, documents, communications, and correspondence made during or concerning grievance mediation shall not be admissible at Arbitration. The parties understand the purpose of the prior sentence is to facilitate communications during mediation and not to prevent the introduction of otherwise admissible evidence at arbitration

E. Step 5: Arbitration

Initiation of Arbitration: Within fifteen (15) working days of receipt of the step 4

decision arbitration of a grievance may be initiated subject to and in accordance with the following provisions:

1. The Association shall have the exclusive right to initiate arbitration of a grievance. Whenever the Association shall initiate arbitration of a grievance, the resolution of which has been previously sought by a member or members of the Association, then such member or members shall join in or shall be deemed to have joined in, as a party to said proceeding and shall be bound in all respects by the decision of the arbitrator to the same extent as the Employer and the Association.
 2. The Association may initiate arbitration of a grievance only if the resolution of the grievance has been sought through all applicable prior steps of the grievance procedure, except as is otherwise provided in Article 26 hereof.
 3. The Association shall initiate arbitration by giving written notice to the President and the CEO within the said fifteen (15) days that it intends to submit a grievance to arbitration.
 4. The Association and the Employer and/or the appointing authority shall select an arbitrator from the following panel of arbitrators: Gary Altman, Timothy Buckalew, Richard Boulanger, Roberta Golick, and Joan Dolan. The arbitrators shall be used alternately. If the next in line cannot be available in a reasonable period of time, the next shall be selected.
 5. The arbitrator shall convene a hearing on the issue presented by the Association giving due regard to the necessity of the parties for time to prepare and the availability of witnesses, if any. The arbitrator shall give at least ten (10) days' notice to the parties of the scheduled hearing date.
 6. The parties shall have the right to be represented by counsel at any hearing convened by the arbitrator pursuant to the provisions of this Article. All proceedings before the arbitrator, including their jurisdiction to inquire into any issue presented by the grievance and their authority to render an award, shall be governed solely by the provisions of this Article.
- F. Decision of the Arbitrator: Within thirty (30) days after the conclusion of the hearing, the arbitrator shall determine:
1. Whether the Association and an employee or group of employees sought resolution of the grievance through the applicable steps of this Article; such employee or group of employees has complied with the procedures for initiating and pursuing a grievance as set forth in this Article;
 2. Whether the complaint alleges an express breach of the contract;
 3. Whether the arbitrator has jurisdiction to arbitrate;
 4. Whether an express provision of this Agreement has been violated in its application to the grievant.

The arbitrator shall render a decision in writing, shall state the reasons therefore, and shall promptly provide copies of the decision to the parties to the arbitration proceeding.

Anything herein contained to the contrary, notwithstanding, in making a decision, the arbitrator shall apply the express provisions of this Agreement and shall not alter, amend, extend, or revise any term or condition hereof. The decision of the arbitrator shall be final and binding on all parties to the arbitration proceeding and shall be enforceable in any court of competent jurisdiction.

Costs of Arbitration: In all arbitration proceedings, the arbitrator's fees and expenses shall be paid fifty percent (50%) by the Association and fifty percent (50%) by the University. In all other respect, the parties shall bear their own costs of

arbitration.

SECTION 4. ASSOCIATION REPRESENTATION

Any member of the unit may initiate and pursue a grievance through the first four (4) steps of the grievance procedure without intervention by any agent of the exclusive representative, provided that the exclusive representative shall be afforded the opportunity to be present at any conference held and that any adjustment made shall not be inconsistent with the terms of this Agreement. Any employee may request that the Association represent them at any step of the grievance procedure. No other representation shall be permitted. The Association shall notify the immediate supervisor, the department head, the CEO, and the Chancellor, as the case may require, of the name and address of such Association representative at the time they are authorized to represent the grievant.

SECTION 5. WAIVER, ADMISSION AND TERMINATION

- A. **Waiver** - Failure of a grievant to comply with any of the provisions of this Article shall be deemed to be a waiver of the right to seek resolution of the grievance under the terms of this Agreement. In determining whether there has been any such failure to comply with any of the provisions of this Article, time shall be deemed to be of the essence and any failure of the grievant to comply with any of the time limits prescribed herein shall be deemed to be such failure to comply with the provisions of this Article; however, provided that the time limits prescribed herein may be extended in any specific instance by mutual written agreement of the parties. Failure of the Employer/University Administration to respond to any grievance, within the specified time limits of this Article, shall mean that the grievant(s) or the Association may take the grievance to the next level of the grievance procedure.
- B. **Admission** - The resolution of a grievance by the immediate supervisor, intermediate supervisor, the department head, the CEO, the Chancellor, or any of their designees, as the case may be, shall not be deemed to be an admission by the Employer that the grievance has, for any other purpose or proceeding, standing as a grievance or constitutes an admission of any violation or breach of the terms of this Agreement, or is cognizable or justifiable according to any applicable provisions of the laws of the Commonwealth.
- C. **Termination** - If any party to this Agreement or any employee shall initiate any proceeding relating to a grievance in any administrative or judicial forum, or pursuant to any administrative procedure adopted from time to time by the Board of Trustees, while a proceeding relating to such grievance is pending under any provision of Section 3 of this Article, such Section 3 proceeding shall terminate as of the date of the initiation of such other proceeding and the grievance procedures aforesaid shall be inapplicable to such grievance.
- D. **Grounds of Appeal** - The Employer and the Association shall have the right to appeal any final decision of the arbitrator pursuant to the provisions of Chapter 150E, Section 8, and Chapter 150C, Sections 10, 11, and 12 of the General Laws.

SECTION 6. COLLATERAL CONSEQUENCES OF A GRIEVANCE

The fact that a grievance is alleged by a member of the bargaining unit, regardless of the ultimate disposition thereof, shall not be recorded in the official personnel file of such member; nor shall such fact be used in the making of any recommendation for the job placement of such member; nor shall such member or any other member or members who participate in any way in the grievance procedure be subjected to any action by the appointing authority whether disciplinary or otherwise, for having processed such grievance; however

provided that nothing herein contained shall derogate or be deemed to derogate from the right of the appointing authority to take any action that might be authorized or required to be taken to give effect to the resolution of any grievance.

SECTION 7. APPLICATION

The parties hereby agree that the provisions of Section 53 of Chapter 30 of the General Laws are, in their entirety, hereby rendered of no force and effect in their application to members of the bargaining unit.

ARTICLE 28

PERSONNEL RECORDS

Each employee shall have the right, upon request, to examine and copy all materials, except that covered by waivers, including any and all evaluations, contained in the official personnel records maintained by the Division of Human Resources concerning such employee. The Association shall have access to an employee's records upon written authorization by the employee involved. Whenever any evaluative material is inserted into the personnel file or records of an employee, such employee shall be promptly notified and given a copy of such material. The Association or any employee may challenge the accuracy or propriety of a personnel evaluation by filing a written statement of challenge to the personnel file. An employee may file a grievance based on a personnel evaluation which results in a negative action. Upon determination at any step of the grievance procedure that such material is improperly placed, in such employee's personnel records, such material(s) shall be removed.

An employee who wishes to have adverse material removed from their university personnel file may make a written request for such removal to the Labor Relations Administrator. In making a decision as to whether material will be removed, the Administrator shall consider the time which has elapsed since the material was placed in the employee's file, the employment record of that employee prior to and after the material was placed in the file, and the importance of the material to maintaining necessary information about an employee's University service. In the case of material that is more than two (2) years old, the decision of the Administrator shall be subject to review through the grievance arbitration procedure as to whether the decision not to remove material was arbitrary and capricious.

ARTICLE 29

EMPLOYEE EVALUATION

SECTION 1.

Performance evaluations are designed to serve the needs of both the employee and employer. An organized program for employee performance evaluation will:

- A. Improve employee satisfaction and potentially reduce employee absenteeism, turnover, and grievance.
- B. Serve as an important motivational tool and improve the quality of job performance.
- C. Enhance the ability to achieve Affirmative Action goals through improved supervisor-employee communication.
- D. Base personnel actions on objective, accurate, and fair performance appraisals.
- E. Monitor the performance of probationary employees on a timely basis. Performance evaluation is the review and rating of all factors relevant to an employee's effectiveness on the job. It involves observation, guidance, training, and open communication between the employee and supervisor. For it to be of significant benefit to both the individual employee and the employer, it should be a continuous process. Performance evaluation should be seen primarily as a developmental tool. Its purpose is to assess an employee's job-related strengths and weaknesses and develop their competence to the fullest. In a correctly executed evaluation, the supervisor and the employee work together to find the means by which the employee's ability can be strengthened and directed.

SECTION 2.

A performance evaluation of all bargaining unit employees in a department (or major business unit, MBU) shall be completed annually during a sixty (60) day period selected by the Employer. This period should be made known to employees by the department head in writing at least thirty (30) days prior to the period; with exception of a probationary employee who shall be evaluated at the completion of the first three (3) months of probationary service and within one (1) month prior to the completion of the probationary period. Employees that transferred into the department or MBU within three (3) months prior to the commencement of the evaluation cycle shall not be evaluated. For any bargaining unit position in which an employee's immediate supervisor is not a University employee, the employee's evaluation shall be independently reviewed by the employee's University-employed intermediate supervisor. Such evaluation will be recorded in writing on the form attached hereto, as Appendix A, and shall be made on the basis of the following criteria:

- A. Quality and quantity of work
- B. Work habits
- C. Work attitudes
- D. Working relationships with others
- E. Supervisory ability (if employee supervises others)

In an unusual case, where a department/MBU can demonstrate that an unforeseeable and significant circumstance has arisen that make it impossible for evaluations to be completed within the established sixty (60) day period, the department may be granted up to an additional thirty (30) days to complete all evaluations. If a supervisor requests an extension, in the limited circumstances described above, the University shall inform the Association and, if requested, a meeting will be held to review the need for such extension. This schedule for performing annual performance reviews shall be effective on January 1, 2006.

SECTION 3.

- A. To the extent possible, an employee who may be nearing a “Fails to Meet Expectations” rating shall be counseled by their supervisor at least three (3) months in advance of the final stage of the evaluation as to the specific areas that must be improved and what they must do to attain a “Meets Expectations” rating.
- B. Each employee shall receive a written copy of their evaluation and shall be entitled to discuss the evaluation with their immediate supervisor and, if requested, with the supervisor of the next higher level than the immediate supervisor who has been assigned to review the performance evaluation. For the purpose of this article, the term immediate supervisor shall mean an individual who is outside of the bargaining unit.
- C. Upon receipt of a “Fails to Meet Expectations” evaluation, the employee shall receive a remedial plan on how to reach a “Meets Expectations” rating.

The re-evaluation period shall be up to one hundred eighty (180) days in length. An employee may request to have their re-evaluation done at any time during the re-evaluation period with thirty (30) days’ notice to the supervisor to determine if a “Meets Expectations” rating has been achieved. If an employee receives a “Meets Expectations” evaluation during the re-evaluation period, they shall be eligible for the denied step and/or denied salary increase effective the first full payroll week after the date of receiving the “Meets Expectations” review.

- D. An employee’s rating during the re-evaluation process shall not retard their anniversary date for step purposes.

SECTION 4.

The Assistant Vice Chancellor for Human Resources shall receive all evaluations from the immediate supervisors and shall retain such evaluations together with any recommendations made on the basis of any such evaluation and any evidence or materials submitted in support of such evaluation in the respective personnel file of each employee. Upon receipt of an employee’s evaluation, the Assistant Vice Chancellor for Human Resources or designee shall determine whether a rating of “Exceeds Expectations,” “Meets Expectations,” or “Fails to Meet Expectations” shall apply.

SECTION 5.

The Assistant Vice Chancellor for Human Resources shall receive all evaluations from the immediate supervisors and shall retain such evaluations together with any recommendations made on the basis of any such evaluation and any evidence or materials submitted in support of such evaluation in the respective personnel file of each employee. Upon receipt of an employee’s evaluation, the Assistant Vice Chancellor for Human Resources and/or designee shall determine whether a rating of “Exceeds Expectations,” “Meets Expectations” or “Fails to Meet Expectations” shall apply. The point average of an employee, who is eligible to receive a salary rate increase pursuant to Article 14, section I, B and C, or a step increase pursuant to Article 14, section 3, shall be compiled as follows:

- For a rating of Superior, four (4) points should be granted
- For a rating of Above Standard, three (3) points shall be granted
- For a rating of Good, two (2) points shall be granted
- For a rating of Fair, one (1) point shall be granted
- For a rating of Unsatisfactory, zero (0) points shall be granted

The total number of points shall then be divided by the number of categories rated

(exclude not applicable). The result shall be the employee's point average for salary purposes. A point average of 2.0 or higher shall indicate the employee "Meets Expectations."

SECTION 6.

Any evaluation so retained in respect of any employee may be reviewed by such employee in the office of the Assistant Vice Chancellor for Human Resources at any reasonable time upon prior written notice. Such employee shall have the right to file a written statement in response to any such evaluation.

SECTION 7.

An employee may not grieve the substance of their evaluation, except where such evaluation results in a negative action. A negative action shall include denial of a pay raise or a step increase. Thirty (30) days after the execution of this Agreement, the Labor/Management Committee will meet to discuss alternative ways to appeal a negative evaluation.

Employees may grieve the evaluation procedure, as set out in the preceding sections of this Article, to step four of the grievance procedure.

SECTION 8.

Notwithstanding any language in this agreement to the contrary employees in this bargaining unit paid at or above grade 15 may have included in their job descriptions and may be required to evaluate employees they supervise.

ARTICLE 30

LABOR/MANAGEMENT COMMITTEE

There shall be established a Committee at the University to be known as the Labor/Management Committee. Such Committee shall be comprised of six (6) members: three (3) representing the campus administration and three (3) representing the Association. Such representatives shall respectively be appointed by the Chief Executive Officer of the campus and the Association. In addition, the Chief Executive Officer of the campus shall designate the chairperson for the local campus administration and the Association shall designate the chairperson for the Association. The purpose of said committee shall be to discuss matters of mutual concern to the campus and the Association and discussions shall include professional training and career ladders and the impact on employees of technological changes in the workplace. The Labor-Management Committee shall meet within sixty (60) days of the execution of this Agreement and shall meet every month, unless mutually agreed otherwise, with the position of chairperson alternating between the campus administration and the Association. Both parties may submit items for the agenda to the chairperson at least two (2) weeks in advance of any scheduled committee meetings. The agenda shall be distributed one (1) week in advance of any scheduled committee meetings. The Committee is not intended to serve as a forum to bargain the contract nor hear grievances. USA/MTA may from time-to-time request meetings with specific Vice Chancellors to address matters which are pertinent to their executive area and are an appropriate subject for labor-management discussions as defined above. Such requests will not be unreasonably refused.

ARTICLE 31

NO STRIKES/NO LOCKOUT

SECTION 1.

Neither the Association nor any employee shall engage in, induce, support, encourage, or condone a strike, work stoppage, slowdown, or withholding of services by employees.

SECTION 2.

The Association shall exert its best effort to prevent any violation of Section 1 of this Article and if such action does occur to exert its best effort to terminate it.

SECTION 3.

The Employer agrees not to engage in the lock-out of unit employees.

ARTICLE 32

PARKING AND TRANSPORTATION

SECTION 1.

Proper parking facilities shall be available to the employees, covered by this Agreement, within reasonable proximity of their regular work location in accordance with the provisions of the University Transportation and Parking Program. The Employer shall endeavor to maintain adequate lighting in all parking areas and shall endeavor to maintain adequate security to ensure the safety of all employees using campus parking facilities. The Employer agrees to discuss with the Association any proposed changes in the University Transportation and Parking Program and will inform the Association and all employees prior to implementing any such change.

SECTION 2.

Employees who drive University vehicles or operate University equipment that requires a driver's license, such as a forklift, shall immediately report to their supervisor any change in license status, which would impact their ability to operate the vehicles or equipment they use in the performance of their University responsibilities.

The University shall immediately notify the Association and a Labor-Management Meeting shall be convened as soon as practicable to discuss the consequences to the employee.

ARTICLE 33

SAVINGS CLAUSE

If any of the provisions of this Agreement shall in any manner conflict with or contravene any federal or state law or the rules and regulations promulgated there under, such provisions shall be considered null and void and shall not be binding on the parties hereto; in such event, the remaining provisions of this Agreement shall remain in full force and effect and the Employer agrees to reopen negotiations on said issue(s). The provisions of this Article notwithstanding, the parties may, by mutual agreement upon the request of one (1) or both parties, reopen negotiations on the provisions of this Agreement prior to the expiration date as provided in Article 34.

ARTICLE 34

DURATION

This Agreement shall be for the three (3) year period from July 1, 2020, through June 30, 2023, and terms contained herein shall become effective on the date of its execution by the parties, unless otherwise specified. At the written request of either party, Agreement will remain in full force and effect until a new Agreement is executed or an impasse in negotiations is reached. Nothing herein shall derogate from the legal rights and duties of the respective parties relative to matters that impact mandatory subjects of collective bargaining.

Unit members shall not be required to wear identification badges unless all members of the department requiring badges are required to wear badges.

Discipline of unit members who do not comply with department identification badge procedures shall follow the contractual requirement for “just cause” and shall be grievable.

If the Employer wishes to expand the identification badge requirements, said changes shall be mutually agreed to by the parties.

APPENDIX G

MEMORANDUM OF UNDERSTANDING

The University of Massachusetts and the University Staff Association/Massachusetts Teachers Association are parties to a Collective Bargaining Agreement which provides for employees covered by the terms and conditions of the Agreement to have their salaries directly transferred electronically. Whereas the Association has expressed concern that not all members would be able to avail themselves of the electronic transfer because of severe hardship, the parties agree as follows:

1. The University and the Association agree that all employees will have their net salary checks electronically forwarded to an account or accounts selected by the employee.
2. In the extraordinary event that the Association alleges that an employee cannot comply with the agreement relative to transfer due to severe hardship such as inability to access a bank or financial institution during off hours or there is no ATM available within a reasonable geographic distance from an employees' work site or home, the Association shall petition the University Division of Human Resource for a Direct Deposit Special Exemption.
3. The University Division of Human Resource shall review the request for Direct Deposit Special Exemption and will notify the Association of its finding.
4. The parties agree that no other appeal may be commenced by the employee or the Association relative to the Direct Deposit Special Exemption and, further, that the terms of this Memorandum are not grievable and are not arbitrable.

SIDE LETTERS

Side Letter 1: Reopener Clause

The University acknowledges receiving the Association's demand to reopen the prior collective bargaining agreement due to raises given other Unions. The University agrees with the Association to continue to discuss this re-opener during the life of this Agreement. The University agrees to discuss the issue of vacation payment upon death or termination with the Association during the life of this Agreement. If it is determined that the limitation on such payment violates the law, the University will amend the contract in accord with such determination.

Side Letter 2: Administrative Computing and Payroll System

The parties acknowledge that the Employer will be implementing new administrative computing and payroll systems. To ensure that the changes required by these systems are introduced and implemented in the most effective manner, the Association agrees to accept the Employer's implementation and changes to business practices, procedures, and functions as are necessary to achieve such implementation (e.g. the change from a weekly to biweekly payroll system). The Employer and the Association will establish a Special Labor Management Committee made up of an equal number of Association representatives and Employer representatives. This committee shall be the sole forum for the parties to discuss any issues of impact to the bargaining unit arising from the implementation of the systems. The parties will reopen negotiations subject prior to implementing any change which has the effect of reducing a unit member's pay in any fiscal year.

Side Letter 3: Parking

The Employer agrees to enter into multi-union negotiations, after the execution of this Agreement, on Amherst campus parking rates. If in these negotiations, no agreement is reached by May 1, 1999, the University can implement its last best offer without the Association filing a grievance or other action before an administrative agency. If the multi-union negotiations do not take place, the parties to this Agreement agree to resume negotiations on this issue.

Side Letter 4: Floating Holidays

The Association agrees that should the Amherst Campus adopt a campus wide policy of no longer awarding either Bunker Hill Day or Evacuation day or both days as floating holidays and replacing those floating holidays by either a new holiday on the day after Thanksgiving and/or a ½ day before Christmas and a ½ day before New Year's Day, such policy shall not be considered a violation of the USA/MTA Collective Bargaining Agreement nor will the Association seek to bargain over such implementation should it occur during the life of this Agreement. In no event, will either of the above referenced days be eliminated as floating holidays unless an equal amount of holiday time, as described above is, provided for employees.

Side Letter 5: Classification Study

The Employer and the Union agree to continue to take all necessary steps toward review and development of a classification plan for members of the University Staff Association. The joint labor-management committee, to be chaired by the Manager of Total Compensation, will be comprised of three (3) unit members selected by the Union and three (3) non-unit members selected by the University. Attendance at committee meetings will be on Employer-paid time. The committee will serve as the sole forum for issues and concerns

identified by members in regards to the classification.

Side Letter 6: Job Essential Functions Review

During the life of this Agreement, the Association acknowledges and agrees that an essential functions review of unit positions may occur. The Association shall be given advance notice of such review and a joint labor-management team, created of three (3) members from each party to the agreement, serves as the sole forum to refer issues and concerns raised by unit members about such review. The University agrees to meet all legal bargaining requirements as it is made aware of them and agrees it has such an obligation concerning this process.

Side Letter 7: Vacancies

During the life of this Agreement, if the Employer determines it can implement a system using either e-mail or web based processes to allow employees to efficiently indicate their desire to have their name forwarded to particular positions, they shall notify the Association. A meeting shall be scheduled within thirty (30) days of such notice. After such meeting, the process may be implemented and only the names of those showing interest shall be forwarded for consideration in job vacancies.

Side Letter 8: Retroactive Payments

The Employer will, within sixty (60) days of the President of the University signing this Collective Bargaining Agreement, make available a sum of ninety thousand (\$90,000.00) dollars which shall be paid out in accord with this agreement. Moreover, it is understood that this payment resolves fully and completely SUP 4980-02 and any other related issues. All further funding of any payments related to wage reopener contained in the Collective Bargaining Agreement covering the term June 30, 1995, through June 30, 1998, shall be resolved through legislative appropriation only. These funds shall be divided as follows:

1. The sum of ninety thousand (\$90,000) shall be divided by the number of full-time equivalent employees in the bargaining unit represented by the University Staff Association/Massachusetts Teachers Association at the end of the first payroll period following the date of the President of the University signing this Collective Bargaining Agreement.
2. At such time as any retroactive wage increase resulting from this Collective Bargaining Agreement are paid at or any time prior to that time, this fund shall be paid out prorated to all employees in the unit and on payroll on the date of payment, on the basis of what percentage of full time their service represents.
3. This payment shall be paid as a lump sum bonus subject only to tax withholdings to all persons on the payroll described above.

Side Letter 9: Cell Phone Policy

If a cell phone or other electronic communication device is offered to an employee to facilitate his or her job, but is not required as part of the job, then the employee will be given the ability to opt out of using the device, in addition to the campus option listed below. Employees, who are required to use a cell phone, shall have that requirement added to their job description. Employees may be required to use an alternative communications device such as a beeper, when departmental needs require that an employee be contacted immediately.

Amherst Campus: If an employee is required by their supervisor to use a cell phone or other electronic communication device as part of their job, they shall be allowed to choose one of the following:

1. The employee may certify that the device will have personal use and the full value of the plan cost will be assessed as taxable income to the employee.

Side Letter 12: Presidential Grade

The Association president shall be paid at the rate equivalent to a grade 18 position as provided in this agreement inclusive of benefits. The provision shall take effect as of the first pay period in July 2014. Upon vacating the position and returning to the work force, the former President shall revert to their prior rate or the rate of the job they enter at that time except service credit shall be given for their period as President.

Side Letter 13: Sick and Vacation Leave Review

The parties agree that not more than ninety (90) days after funding of this agreement a joint labor-management committee shall be formed with the authority to research, design, and bargain one or more employer-sponsored systems to improve or replace the current sick-leave system and/or vacation-leave system for employees in the bargaining unit. For the duration of the agreement, a 120-day cap shall be placed on the accrual of sick leave for employees hired on or after July 1, 2018. For the duration of the agreement, the current vacation-leave terms will remain unchanged. If the committee fails to reach mutual agreement on a replacement system, the sick-leave and vacation-leave systems contained in the contract covering July 1, 2012, to June 30, 2014, will continue without any additional accrual limits.

Side Letter 14: Employee Evaluation Review
