# Voluntary Self-Identification of Veterans

## Definitions

This employer is a Government contractor subject to the Vietnam Era Veterans' Readjustment Assistance Act of 1974, as amended by the Jobs for Veterans Act of 2002, 38 U.S.C. 4212 (VEVRAA), which requires Government contractors to take affirmative action to employ and advance in employment: (1) disabled veterans; (2) recently separated veterans; (3) active duty wartime or campaign badge veterans; and (4) Armed Forces service medal veterans. These classifications are defined as follows:

A "disabled veteran" is one of the following:

- A veteran of the U.S. military, ground, naval or air service who is entitled to compensation (or who but for the receipt of military retired pay would be entitled to compensation) under laws administered by the Secretary of Veterans Affairs; or
- A person who was discharged or released from active duty because of a service-connected disability.

A "recently separated veteran" means any veteran during the three-year period beginning on the date of such veteran's discharge or release from active duty in the U.S. military, ground, naval, or air service.

An "active duty wartime or campaign badge veteran" means a veteran who served on active duty in the U.S. military, ground, naval or air service during a war, or in a campaign or expedition for which a campaign badge has been authorized under the laws administered by the Department of Defense.

An "Armed forces service medal veteran" means a veteran who, while serving on active duty in the U.S. military, ground, naval or air service, participated in a United States military operation for which an Armed Forces service medal was awarded pursuant to Executive Order 12985.

Protected veterans may have additional rights under USERRA—the Uniformed Services Employment and Reemployment Rights Act. In particular, if you were absent from employment in order to perform service in the uniformed service, you may be entitled to be reemployed by your employer in the position you would have obtained with reasonable certainty if not for the absence due to service. For more information, call the U.S. Department of Labor's Veterans Employment and Training Service (VETS), toll-free, at 1-866-4-USA-DOL.

## Self-Identification

As a Government contractor subject to VEVRAA, we are required to submit a report to the United States Department of Labor each year identifying the number of our employees belonging to each specified "protected veteran" category. If you believe you belong to any of the categories of protected veterans listed above, please indicate by checking the appropriate box below. If you are not a veteran, select box 1 OR select the box(s) that apply to your veteran status.

I am not a veteran. (I did not serve in the military.)

I belong to the following classifications of protected veterans (Choose all that apply):

DISABLED VETERAN

RECENTLY SEPARATED VETERAN

Military Discharge Date (MM/DD/YYYY):

ACTIVE WARTIME OR CAMPAIGN BADGE VETERAN

ARMED FORCES SERVICE MEDAL VETERAN

I am NOT a protected veteran. (I served in the military but do not fall into any veteran categories listed above.)

I choose not to identify my veteran status.

I certify that the number of withholding exemptions claimed on this certificate does not exceed the number to which I am entitled.

Date..... Signed .....

**THIS FORM MAY BE REPRODUCED**

**THE COMMONWEALTH OF MASSACHUSETTS, DEPARTMENT OF REVENUE**

**A. Number.** The more exemptions you claim on this certificate, the less tax withheld from your employer. If you claim more exemptions than you are entitled to, civil and criminal penalties may be imposed. However, you may claim a smaller number of exemptions without penalty. If you do not file a certificate, your employer must withhold on the basis of no exemptions.

If you expect to owe more income tax than will be withheld, you may either claim a smaller number of exemptions or enter into an agreement with your employer to have additional amounts withheld.

You should claim the total number of exemptions to which you are entitled to prevent excessive overwithholding, unless you have a significant amount of other income. Underwithholding may result in owing additional taxes to the Commonwealth at the end of the year.

If you work for more than one employer at the same time, you must not claim any exemptions with employers other than your principal employer.

If you are married and if your spouse is subject to withholding, each may claim a personal exemption.

**B. Changes.** You may file a new certificate at any time if the number of exemptions increases. You must file a new certificate within 10 days if the number of exemptions previously claimed by you decreases. For example, if during the year your dependent son's income indicates that you will not

provide over half of his support for the year, you must file a new certificate.

**C. Spouse.** If your spouse is not working or if she or he is working but not claiming the personal exemption or the age 65 or over exemption, generally you may claim those exemptions in line 2. However, if you are planning to file separate annual tax returns, you should not claim withholding exemptions for your spouse or for any dependents that will not be claimed on your annual tax return.

If claiming a spouse, write "4" in line 2. Entering "4" makes a withholding system adjustment for the \$4,400 exemption for a spouse.

**D. Dependent(s).** You may claim an exemption in line 3 for each individual who qualifies as a dependent under the Federal Income Tax Law. In addition, if one or more of your dependents will be under age 12 at year end, add "1" to your dependents total for line 3.

You are not allowed to claim "federal withholding deductions and adjustments" under the Massachusetts withholding system.

If you have income not subject to withholding, you are urged to have additional amounts withheld to cover your tax liability on such income. See line 5.

**Employee's Withholding Certificate**

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay.

Give Form W-4 to your employer.

Your withholding is subject to review by the IRS.

<b>Step 1: Enter Personal Information</b>	(a) First name and middle initial	Last name	(b) Social security number
	Address		
	City or town, state, and ZIP code		
	(c) <input type="checkbox"/> <b>Single or Married filing separately</b> <input type="checkbox"/> <b>Married filing jointly or Qualifying surviving spouse</b> <input type="checkbox"/> <b>Head of household</b> (Check only if you're unmarried and pay more than half the costs of keeping up a home for yourself and a qualifying individual.)		
	<b>Caution:</b> To claim certain credits or deductions on your tax return, you (and/or your spouse if married filing jointly) are required to have a social security number valid for employment. See page 2 for more information.		

**TIP:** Consider using the estimator at [www.irs.gov/W4App](http://www.irs.gov/W4App) to determine the most accurate withholding for the rest of the year if you: are completing this form after the beginning of the year; expect to work only part of the year; or have changes during the year in your marital status, number of jobs for you (and/or your spouse if married filing jointly), dependents, other income (not from jobs), deductions, or credits. Have your most recent pay stub(s) from this year available when using the estimator. At the beginning of next year, use the estimator again to recheck your withholding.

**Complete Steps 2–4 ONLY if they apply to you; otherwise, skip to Step 5.** See page 2 for more information on each step, who can claim exemption from withholding, and when to use the estimator at [www.irs.gov/W4App](http://www.irs.gov/W4App).

<b>Step 2: Multiple Jobs or Spouse Works</b>	Complete this step if you (1) hold more than one job at a time, or (2) are married filing jointly and your spouse also works. The correct amount of withholding depends on income earned from all of these jobs.		
	Do <b>only one</b> of the following.		
	(a) Use the estimator at <a href="http://www.irs.gov/W4App">www.irs.gov/W4App</a> for the most accurate withholding for this step (and Steps 3–4). If you or your spouse have self-employment income, use this option; <b>or</b> (b) Use the Multiple Jobs Worksheet on page 3 and enter the result in Step 4(c) below; <b>or</b> (c) If there are only two jobs total, you may check this box. Do the same on Form W-4 for the other job. This option is generally more accurate than Step 2(b) if pay at the lower paying job is more than half of the pay at the higher paying job. Otherwise, Step 2(b) is more accurate . . . . . <input type="checkbox"/>		

**Complete Steps 3–4(b) on Form W-4 for only ONE of these jobs.** Leave those steps blank for the other jobs. (Your withholding will be most accurate if you complete Steps 3–4(b) on the Form W-4 for the highest paying job.)

<b>Step 3: Claim Dependent and Other Credits</b>	If your total income will be \$200,000 or less (\$400,000 or less if married filing jointly):			<b>3</b> \$ . . . . .
	(a) Multiply the number of qualifying children under age 17 by \$2,200 . . . . .	<b>3(a)</b> \$ . . . . .		
	(b) Multiply the number of other dependents by \$500 . . . . .	<b>3(b)</b> \$ . . . . .		
	Add the amounts from Steps 3(a) and 3(b), plus the amount for other credits. Enter the total here . . . . .			
<b>Step 4: Other Adjustments</b>	(a) <b>Other income (not from jobs).</b> If you want tax withheld for other income you expect this year that won't have withholding, enter the amount of other income here. This may include interest, dividends, and retirement income . . . . .			<b>4(a)</b> \$ . . . . .
	(b) <b>Deductions.</b> Use the Deductions Worksheet on page 4 to determine the amount of deductions you may claim, which will reduce your withholding. (If you skip this line, your withholding will be based on the standard deduction.) Enter the result here . . . . .			
	(c) <b>Extra withholding.</b> Enter any additional tax you want withheld each <b>pay period</b> . . . . .			

Exempt from withholding	I claim exemption from withholding for 2026, and I certify that I meet <b>both</b> of the conditions for exemption for 2026. See <i>Exemption from withholding</i> on page 2. I understand I will need to submit a new Form W-4 for 2027 . . . <input type="checkbox"/>		
<b>Step 5: Sign Here</b>	Under penalties of perjury, I declare that this certificate, to the best of my knowledge and belief, is true, correct, and complete.

## General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

## Future Developments

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to [www.irs.gov/FormW4](http://www.irs.gov/FormW4).

## Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

**Exemption from withholding.** You may claim exemption from withholding for 2026 if you meet both of the following conditions: you had no federal income tax liability in 2025 **and** you expect to have no federal income tax liability in 2026. You had no federal income tax liability in 2025 if (1) your total tax on line 24 on your 2025 Form 1040 or 1040-SR is zero (or less than the sum of lines 27a, 28, 29, and 30), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2026 tax return. To claim exemption from withholding, certify that you meet both of the conditions by checking the box in the *Exempt from withholding* section. Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 16, 2027.

**Your privacy.** Steps 2(c) and 4(a) ask for information regarding income you received from sources other than the job associated with this Form W-4. If you have concerns with providing the information asked for in Step 2(c), you may choose Step 2(b) as an alternative; if you have concerns with providing the information asked for in Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c) as an alternative.

**When to use the estimator.** Consider using the estimator at [www.irs.gov/W4App](http://www.irs.gov/W4App) if you:

1. Are submitting this form after the beginning of the year;
2. Expect to work only part of the year;
3. Have changes during the year in your marital status, number of jobs for you (and/or your spouse if married filing jointly), or number of dependents, or changes in your deductions or credits;
4. Receive dividends, capital gains, social security, bonuses, or business income, or are subject to the Additional Medicare Tax or Net Investment Income Tax; or
5. Prefer the most accurate withholding for multiple job situations.

**TIP:** Have your most recent pay stub(s) from this year available when using the estimator to account for federal income tax that has already been withheld this year. At the beginning of next year, use the estimator again to recheck your withholding.

**Self-employment.** Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at [www.irs.gov/W4App](http://www.irs.gov/W4App) to figure the amount to have withheld.

**Nonresident alien.** If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

## Specific Instructions

**Step 1(c).** Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

**Step 2.** Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work. Submit a separate Form W-4 for each job.

Option **(a)** most accurately calculates the additional tax you need to have withheld, while option **(b)** does so with a little less accuracy.

Instead, if you (and your spouse) have a total of only two jobs, you may check the box in option **(c)**. The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount of tax withheld will be larger the greater the difference in pay is between the two jobs.

 **Multiple jobs.** Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

**Step 3.** This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You (and/or your spouse if married filing jointly) must have the required social security number to claim certain credits. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include **other tax credits** for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

### Step 4.

**Step 4(a).** Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

**Step 4(b).** Enter in this step the amount from the Deductions Worksheet, line 15, if you expect to claim deductions other than the basic standard deduction on your 2026 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for qualified tips, overtime compensation, and passenger vehicle loan interest; student loan interest; IRAs; and seniors. You (and/or your spouse if married filing jointly) must have the required social security number to claim certain deductions. For additional eligibility requirements, see Pub. 501.

**Step 4(c).** Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe when you file your tax return.

**Step 2(b) – Multiple Jobs Worksheet (Keep for your records.)**

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on **only ONE** Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job. To be accurate, submit a new Form W-4 for all other jobs if you have not updated your withholding since 2019.

**Note:** If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at [www.irs.gov/W4App](http://www.irs.gov/W4App).

**1 Two jobs.** If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 5. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter that value on line 1. Then, **skip** to line 3 . . . . .

1 \$ \_\_\_\_\_

**2 Three jobs.** If you and/or your spouse have three jobs at the same time, complete lines 2a, 2b, and 2c below. Otherwise, skip to line 3.

**a** Find the amount from the appropriate table on page 5 using the annual wages from the highest paying job in the "Higher Paying Job" row and the annual wages for your next highest paying job in the "Lower Paying Job" column. Find the value at the intersection of the two household salaries and enter that value on line 2a . . . . .

## Information about Social Security Form SSA-1945 Statement Concerning Your Employment in a Job Not Covered by Social Security

The Social Security Protection Act of 2004, Pub. L. No. 108-203, Section 419 requires State and local government employers to provide a statement to employees hired January 1, 2005, or later in a job not covered under Social Security. Form SSA-1945, **Statement Concerning Your Employment in a Job Not Covered by Social Security**, is the document that employers must use to meet the requirements of the law.

While the earlier version of the SSA-1945 discussed the effect of the Windfall Elimination Provision and/or Government Pension Offset on an employee's potential future benefits, the Social Security Fairness Act (SSFA) of 2023 enacted on January 5, 2025, eliminated the reduction of Social Security benefits under the Windfall Elimination Provision and/or Government Pension Offset for individuals entitled to certain pensions from work not covered by Social Security, starting January 2024. However, this did not remove the requirement for State and local government employers to provide a statement to employees hired January 1, 2005, or later in jobs not covered under Social Security. This version of SSA-1945 explains to an employee that non-covered earnings will not be used to determine eligibility to or calculate the amount of potential future benefits.

Employers must:

- Get the employee's signature on the form
- Give the signed statement and information page to the employee prior to the start of employment
- Submit a copy of the signed form to the pension paying agency.

Social Security will not be setting any additional guidelines for the use of this form.

A fillable, downloadable version of the SSA-1945 is available online at the Social Security website, [www.ssa.gov/online/ssa-1945.pdf](http://www.ssa.gov/online/ssa-1945.pdf).

### Why are you being asked to complete this form?

We are a federal contractor or subcontractor. The law requires us to provide equal employment opportunity to qualified people with disabilities. We have a goal of having at least 7% of our workers as people with disabilities. The law says we must measure our progress towards this goal. To do this, we must ask applicants and employees if they have a disability or have ever had one. People can become disabled, so we need to ask this question at least every five years.

Completing this form is voluntary, and we hope that you will choose to do so. Your answer is confidential. No one who makes hiring decisions will see it. Your decision to complete the form and your answer will not harm you in any way. If you want to learn more about the law or this form, visit the U.S. Department of Labor's Office of Federal Contract Compliance Programs (OFCCP) website at [www.dol.gov/ofccp](http://www.dol.gov/ofccp).

## FICA/OBRA

The Federal Insurance Contribution Act (FICA) is a mandatory Social Security and Medicare contribution paid by everyone receiving a paycheck in Massachusetts. FICA withholdings are 1.45% of gross pay.

The Omnibus Budget Reconciliation Act (OBRA) is a mandatory employee funded retirement contribution plan for all part-time, seasonal and temporary employees in Massachusetts. OBRA withholdings are 7.50% of gross pay.

Graduate student employees receiving a paycheck in graduate hourly and/or graduate assistantship positions will have FICA/OBRA deductions made from their paychecks, unless they qualify for an exemption.

### Exemptions:

During the academic year, graduate student employees are exempted from FICA/OBRA withholdings if:

- They are enrolled half-time or more, that is 6 or more credits, OR
- They are enrolled in 1-5 credits with full or half time status declared and reported by the academic department. [This is submitted by the academic department to the Graduate Student Service Center.]

During the summer\*, graduate student employees are exempted from FICA/OBRA withholdings if:

- They are enrolled in 6 or more credits through Continuing Education, OR
- They are enrolled in 1-5 credits through Continuing Education with full or half time status declared and reported by the academic department. [This is submitted by the academic department to the Graduate Student Service Center.]

\*Summer registration must be completed by May 15, to qualify for the exemptions.

### No Exemptions:

Graduate student employees who are not enrolled through Continuing Education during the summer, are not eligible for FICA/OBRA exemptions.

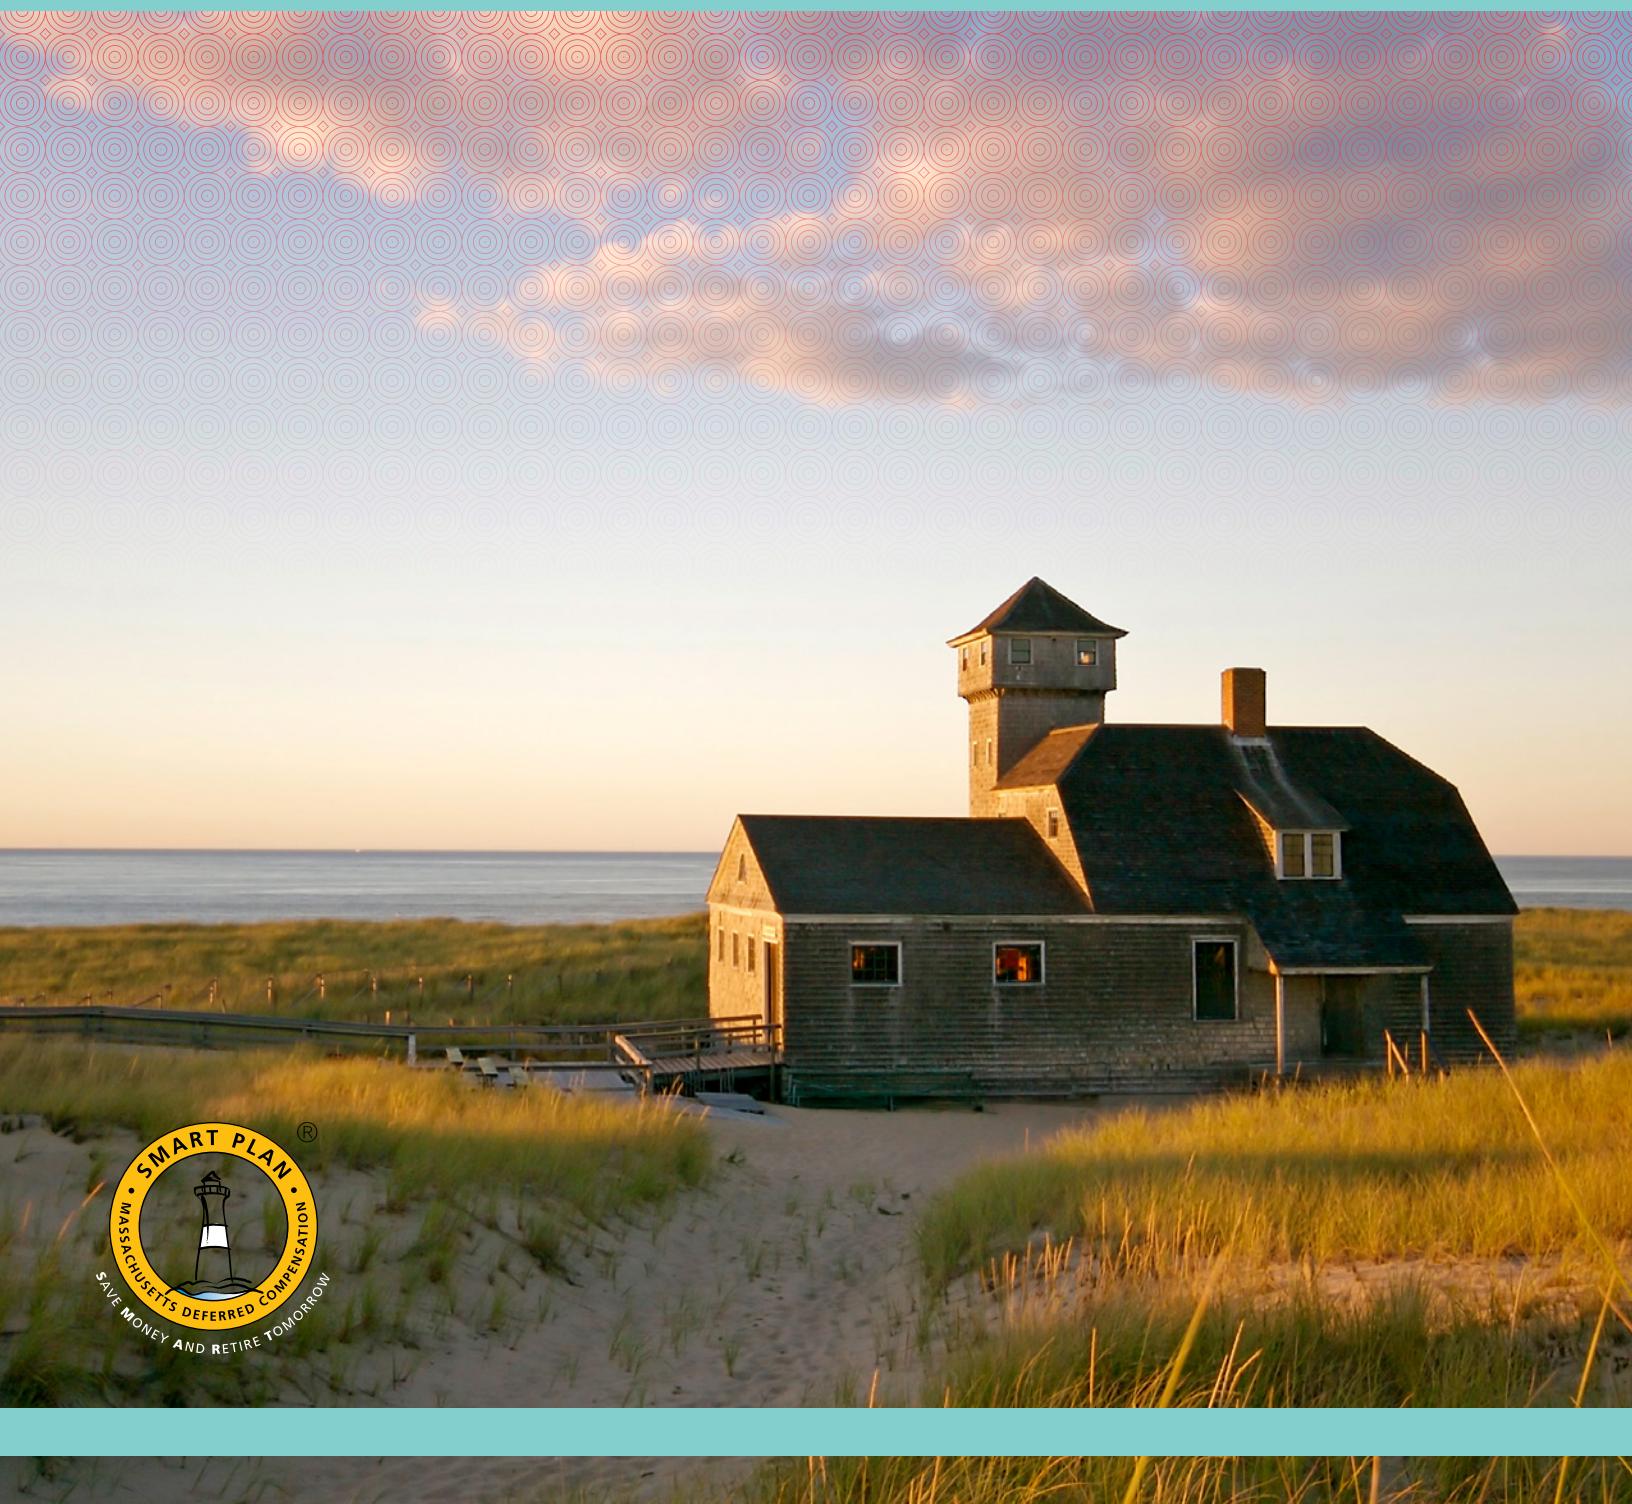

Other instances where graduate student employees do NOT qualify for FICA/OBRA exemptions:

- Graduate student employment work exceeds 34 hours/week, OR
- Graduate student employee is registered for Continuous Enrollment (Program Fee).

International students on J-1 or F-1 visa status are exempt from FICA/OBRA withholdings regardless of the number of credit hours they are enrolled in or whether their employment work exceeds 34 hours/week, until they have been present in the U.S. for more than 4 calendar years.

**Late Summer Enrollment** in Continuing Education credits, i.e. after May 15, and/or **late submission** by the academic department, i.e. after May 15, declaring enrollment status override may make you ineligible for FICA/OBRA exemptions. Please notify the Graduate Assistantship Office (GAO) as soon as possible of your change in enrollment and to request the FICA/OBRA exemption. Exemptions are not guaranteed and will not be retroactive.

# OBRA INFORMATION GUIDE

## Basic facts about OBRA and the Massachusetts Deferred Compensation SMART Plan

As a part-time, seasonal or temporary employee of the Commonwealth of Massachusetts—or a part-time, seasonal or temporary employee of a participating Massachusetts local government employer not eligible to participate in the employer's retirement program or not covered under a Section 218 Agreement—you are required to participate in the Massachusetts Deferred Compensation SMART Plan (SMART Plan).<sup>1</sup> The SMART Plan is an alternative to Social Security as permitted by the federal Omnibus Budget Reconciliation Act of 1990 (OBRA). OBRA, passed by the U.S. Congress, requires that beginning July 1, 1991, employees not eligible to participate in their employer's retirement program be placed in Social Security or another program meeting federal requirements. The SMART Plan meets those federal requirements.

### Mandatory contributions

As an OBRA employee, you must contribute at least 7.5% of your gross compensation per pay period to the SMART Plan. This contribution is deducted on a pretax basis, reducing your current taxable income. This means that you will not pay any tax on this money until it is distributed from your account.

Your human resources or payroll center representative will provide you with an OBRA Mandatory Participation Agreement. Please complete and return the form to either your human resources or payroll center representative.

### Investment option

The qualified default investment option (QDIA) for OBRA mandatory accounts is the SMART Capital Preservation Fund. The SMART Capital Preservation Fund is designed to help protect your principal and maximize potential earnings. Your account will earn interest based upon the prevailing rates for this type of investment. Mandatory contributions may not be transferred out of the SMART Capital Preservation Fund.<sup>2</sup>

Additional information regarding the SMART Capital Preservation Fund may be obtained online at [www.mass-smart.com](http://www.mass-smart.com) > *Investing* > *Investment Options* or via the SMART Plan Service Center at **877-457-1900**.

*Carefully consider the investment option's objectives, risks, fees and expenses. Contact Empower for a prospectus, summary prospectus for SEC-registered products or disclosure document for unregistered products, if available, containing this information. Read each carefully before investing.*

## As of October 1, 2022, the SMART Plan is offering enhanced opportunities to save for the future!

The Massachusetts Deferred Compensation SMART Plan – Mandatory OBRA is now offering SMARTPath Retirement Funds and My Total Retirement™.<sup>3</sup> To learn more about these investment options, visit the **OBRA page** on the SMART Plan **website**.

*Online Advice and My Total Retirement are part of the Empower Advisory Services suite of services offered by Empower Advisory Group, LLC, a registered investment adviser.*

## Voluntary contributions

You may make additional contributions (voluntary contributions) above the mandatory contribution of 7.5% of compensation per pay period. Any voluntary contributions that you elect to make may be invested among the SMART Plan's wide array of investment options and are freely transferable among options in accordance with the terms of the SMART Plan. OBRA voluntary contributions will not be charged an additional administrative fee.

To set up voluntary contributions or to learn more, please contact your local SMART Plan Retirement Plan Advisor by calling **877-457-1900** and saying "representative."

## Account management

Once you are enrolled in the SMART Plan, you will have access to your account 24 hours a day, seven days a week through the website at [www.mass-smart.com](http://www.mass-smart.com) or via the SMART Plan Service Center at **877-457-1900**. Through either the website or SMART Plan Service Center, you can:

- Obtain your account balance(s), allocations and transaction history.
- Obtain investment option information and returns.
- Update your beneficiary information as needed.

## Statements

Your last annual statement will be delivered in January 2023. Beginning in April 2023, you will receive quarterly statements that show your contributions as well as any earnings, fees or distributions and the total value of your account. Please review your statement carefully to ensure your information is correct. It is extremely important that you keep the SMART Plan administrator advised of your current address.

To update your mailing or email address, call the SMART Plan Service Center at **877-457-1900** or visit [www.mass-smart.com](http://www.mass-smart.com). Once you log in to your account, click on your name in the top right corner to update your personal account information.

## Distributions

Distribution of your SMART Plan benefits can only be made upon:

- Severance from employment.
- Unforeseeable emergency (OBRA voluntary plan only).
- Attainment of age 59½.
- Your death.

Severance from employment occurs because of your voluntary or involuntary termination of employment. There is no early withdrawal penalty for taking a distribution of your account upon separation of service, regardless of your age.<sup>2</sup>

If you no longer work for the Commonwealth of Massachusetts or a Massachusetts local government employer, you may leave the assets in your OBRA account; take a lump-sum distribution (payable to you or to your beneficiary upon your death); or roll over your assets into another eligible employer-sponsored plan or traditional individual retirement account.

As with any financial decision, you are encouraged to discuss moving money between accounts, including rollovers, with a financial advisor and to consider costs, risks, investment options and limitations prior to investing.

A leave of absence is not a severance from employment. Also, a change from part-time to full-time employment, or any similar change, is not considered an event that could result in a distribution from the SMART Plan. Benefits attributable to your voluntary contribution account may be distributed under other options available in the SMART Plan.

You may elect to receive your distribution immediately upon severance from employment. For more information or to access a Distribution Request form, please contact the SMART Plan Service Center at **877-457-1900** or visit [www.mass-smart.com](http://www.mass-smart.com) > *About your plan* > *OBRA* > *Forms*.

## Beneficiaries and death

If you die before receiving all of your SMART Plan assets, the funds will go to your designated beneficiary. If you do not designate a beneficiary, your funds will be paid to your estate and will be distributed in accordance with Massachusetts probate law. It is essential that you designate a beneficiary on the Enrollment form to ensure your assets will pass on as you intended.

Updating your beneficiary is quick and easy. There are two ways:

### Online

Log in to the SMART Plan website at [www.mass-smart.com](http://www.mass-smart.com). Then go to *My Accounts > Beneficiaries*.

### Paper

Go to [www.mass-smart.com](http://www.mass-smart.com) > *About your plan* > *OBRA* > *Forms*. Click on the OBRA Mandatory Beneficiary Designation form. Mail or fax the completed form to the address or fax number provided on the form.

You will receive a written confirmation after your beneficiary information has been updated. It is extremely important that you keep the SMART Plan administrator advised of your beneficiary changes.

## Converting to full-time status

If you become a permanent, full-time employee and at one time made contributions to an OBRA mandatory account, you may elect to transfer your OBRA mandatory account to your voluntary account in the SMART Plan. In order to take advantage of this option, you cannot be actively contributing to the OBRA mandatory plan. To implement this change or to learn more, please contact your local Retirement Plan Advisor by calling 877-457-1900 and saying "representative."

## Service buyback

If you reach a point where you are no longer making OBRA mandatory contributions but you're still working for a Commonwealth of Massachusetts state agency or municipality, you may be eligible for a service buyback of your creditable years of service to your qualified governmental defined benefit retirement plan. Service buybacks may be funded from transferred assets from the OBRA mandatory and/or voluntary contribution accounts.

<sup>1</sup> The Social Security Administration website at [www.socialsecurity.gov/form1945](http://www.socialsecurity.gov/form1945) reminds state and local governmental employers of the requirement under the Social Security Protection Act of 2004 to disclose the effect of the Windfall Elimination Provision (WEP) and the Government Pension Offset (GPO) to employees hired on or after January 1, 2005, in jobs not covered by Social Security. Some jobs may not be covered under Social Security because they are not subject to mandatory coverage and there is no Section 218 agreement that covers them. The GPO provision impacts the amount of Social Security benefits received as a spouse or as an ex-spouse. The WEP affects the retirement or disability benefits received under Social Security if an individual has worked for an employer who does not withhold Social Security taxes. The law requires newly hired public employees to sign a statement, Form SSA-1945, that they are aware of a possible reduction in their future Social Security benefit entitlement. A copy of Form SSA-1945 is available at [www.socialsecurity.gov/form1945/SSA-1945.pdf](http://www.socialsecurity.gov/form1945/SSA-1945.pdf).

<sup>2</sup> Withdrawals may be subject to income tax.

<sup>3</sup> There are fees associated with this option.

# EARNED SICK TIME

## Notice of Employee Rights

Beginning July 1, 2015, Massachusetts employees have the right to earn and take sick leave from work.

### WHO QUALIFIES?

**All employees** in Massachusetts can earn sick time.

This includes full-time, part-time, temporary, and seasonal employees.

### HOW IS IT EARNED?

- Employees earn 1 hour of sick time for every 30 hours they work.
- Employees can earn and use up to **40 hours per year** if they work enough hours.
- Employees with unused earned sick time at the end of the year can **rollover up to 40 hours**.
- Employees **begin earning** sick time on their first day of work and **may begin using** earned sick time 90 days after starting work.

### WILL IT BE PAID?

- If an employer has 11 or more employees, sick time must be paid.
- For employers with 10 or fewer employees, sick time may be unpaid.
- Paid sick time must be paid on the same schedule and at the same rate as regular wages.

### WHEN CAN IT BE USED?

- An employee can use sick time when the employee or the employee's child, spouse, parent, or parent of a spouse is sick, has a medical appointment, or to address the effects of domestic violence.
- The smallest amount of sick time an employee can take is one hour.
- Sick time cannot be used as an excuse to be late for work without advance notice of a proper use.
- Use of sick time for other purposes is not allowed and may result in an employee being disciplined.

### CAN AN EMPLOYER HAVE A DIFFERENT POLICY?

Yes. An employer can have their own sick leave or paid time off policy, so long as employees can use at least the same amount of time, for the same reasons, and with the same job-protects as under the Earned Sick Time Law.

### RETALIATION

- Employees using earned sick time cannot be fired or otherwise retaliated against for exercising or attempting to exercise rights under the law.
- Examples of retaliation include: denying use or delaying payment of earned sick time, firing an employee, taking away work hours, or giving the employee undesirable assignments.

### NOTICE & VERIFICATION

- Employees must **notify** their employer before they use sick time, except in a emergency.
- Employers may require employees to **use a reasonable notification system** the employer creates.
- If an employee is out of work for 3 consecutive days **OR** uses sick time within 2 weeks of leaving their job, an employer may require documentation from a medical provider.

**NOTICE AND ACKNOWLEDGEMENT  
PAID FAMILY AND MEDICAL LEAVE LAW  
MGL c. 175M**

In 2018, Massachusetts signed into law a statute that provides paid family and medical leave (PFML) benefits to public and private workers. That law requires covered employers to provide employees with notice of the benefits and the employer/employee contributions for the Paid Family Medical Leave program. The University of Massachusetts is providing you with this notice in order to comply with this requirement. Options and instructions for how to acknowledge this notice are located at the bottom of this document.

## **Explanation of Benefits**

- **Beginning January 1, 2021,**
  - employees may be entitled to up to 12 weeks of paid family leave in a benefit year for the birth, adoption, or foster care placement of a child, or because of a qualifying exigency arising out of the fact that a family member is on active duty or has been notified of an impending call to active duty in the Armed Forces.
  - employees may be entitled to up to 20 weeks of paid medical leave in a benefit year if they have a serious health condition that incapacitates them from work.
  - employees may be entitled to up to 26 weeks of paid family leave in a benefit year to care for a family member who is a covered service member undergoing medical treatment or otherwise addressing consequences of a serious health condition relating to the family member's military service.
- **Beginning July 1, 2021,**
  - employees may be entitled to up to 12 weeks of paid family leave in a benefit year to care for a family member with a serious health condition.

Employees may be eligible for up to 26 total weeks, in the aggregate, of paid family and medical leave in a single benefit year. An employee's weekly benefit amount will be based on the employee's earnings, with a percentage of wages up to a maximum benefit of \$850 per week.

Leave taken under M.G.L. c. 175M shall run concurrently with leave taken under other applicable state and federal leave laws, including but not limited to, the Commonwealth's Parental Leave Act (section 105D of M.G.L. c. 149), the federal Family and Medical Leave Act of 1993 (29 U.S.C. 2601 et seq.), as amended, when the leave is for a qualified reason under those acts.

In some instances, paid leave provided under a collective bargaining agreement or employer policy and paid at the same or higher rate than paid leave available under this law may count against the allotment of leave benefits available under this law.

## **Employer/Employee Contributions to the DFML Family and Employment Security Trust Fund**

- On October 1, 2019, contributions to the Department of Family and Medical Leave (DFML) Employment Security Trust Fund will begin. An employer will be responsible for sending contributions to the DFML for all employees.
- Currently, the total contribution amount is 00.75% of wages. Of that 00.75% total contribution amount, there is a split: 17.5% is a family leave contribution and 82.5% is a medical leave contribution.
- Under the law, employers are permitted to deduct from employees' wages up to 40% of the medical leave contribution and up to 100% of the family leave contribution.
- As an employee of the University of Massachusetts, the Default Employee Share from your earnings is as follows:
  - 40% of the Medical Leave Contribution
  - 100% of the Family Leave Contribution

Your employer will contribute:

- 60% of the Medical Leave Contribution
- 0% of the Family Leave Contribution

## **Job Protection, Continuation of Health Insurance and No Retaliation**

- **Job Protection:** Generally, an employee who has taken family or medical leave under the law must be restored to the employee's previous position or to an equivalent position, with the same status, pay, employment benefits, length-of-service credit and seniority as of the date of leave.
- **Continuation of Health Insurance:** The employer must continue to provide for and contribute to the employee's employment-related health insurance benefits, if any, at the level and under the conditions coverage would have been provided if the employee had continued working continuously for the duration of such leave.
- **No Retaliation:** It is unlawful for any employer to discriminate or retaliate against an employee for exercising any right to which such employee is entitled under the paid family and medical leave law. An employee or former employee who is discriminated or retaliated against for exercising rights under the law may, not more than three years after the violation occurs, institute a civil action in the superior court.

## **How to File a Claim**

- Employees must file claims for paid family and medical leave benefits with the DFML using the Department's forms. Forms and claim instructions will be available on the Department's website [www.mass.gov/DFML](http://www.mass.gov/DFML) before January 2021.
- Employees are required to provide at least 30 days' notice to their employer of the anticipated starting date of Paid Family Medical Leave, the anticipated length of the leave and the expected date of return. An employee who is unable to provide 30 days' notice due to circumstances beyond his or her control is required to provide notice as soon as practicable.
