

## To open the .PDF copy of your paycheck on iPhones or iPads:

You will need to temporarily disable your pop-up blocker.

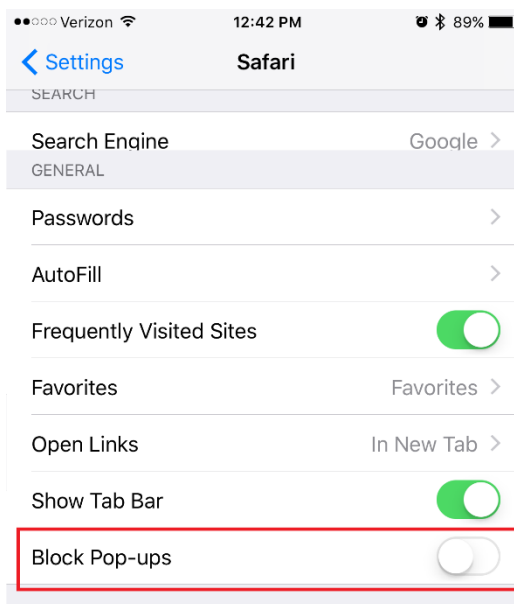

1. Go into your Settings icon:

2. Scroll down and select Safari:

3. Turn the "Block Pop-ups" slider off:

4. Go back to your Safari icon and navigate to your paystub link. It's recommended that you turn your pop-up blocker back on when you're not attempting to view your paystub.
