Among the procedures which may be used to select personnel to fill vacant positions are a review of work experiences, reference checks, employment interviews and skill testing. Tests are administered in Room 167, Whitmore Administration Building, Monday through Friday (except holidays) by appointment only. Some positions may require additional testing.

It is not necessary that all on-campus applicants for a particular vacant position receive a personal interview with the person making the selection. Employee Applications for Classified Position Vacancies (on-campus applications) must be received in the University Employment Office, Whitmore Administration Building on or before the application closing dates indicated for the various position vacancies if such applications are to be referred to departments concerned for review. Application closing dates for each position are listed weekly on the Classified Employment Opportunity Sheet (Yellow Sheet).

This listing pertains only to classified positions. For information regarding full or part-time 03, trust or grant-funded hourly positions, visit the Employment Office. A bulletin board is maintained by the Employment Office for advertisement of hourly positions.

The University of Massachusetts is committed to a policy of equal opportunity without regard to race, color, religion, gender, gender identity or expression, age, sexual orientation, national origin, ancestry, disability, military status, or genetic information in employment, admission to and participation in academic programs, activities, and services, and the selection of vendors who provide services or products to the University. To fulfill that policy, the University of Massachusetts is further committed to a program of affirmative action to eliminate or mitigate artificial barriers and to increase opportunities for the recruitment and advancement of qualified minorities, women, persons with disabilities, and covered veterans. It is the policy of the University of Massachusetts to comply with the applicable federal and state statutes, rules, and regulations concerning equal opportunity and affirmative action.
