Landscape Architect / Designer (0 - 10 Years Experience) – Burlington, VT

T.J. Boyle Associates, a landscape architecture and planning firm practicing for over 50 years in Burlington, Vermont, is accepting applications for a full-time landscape architect / designer, preferably with GIS experience.

We are a small office that handles a wide range of projects throughout Vermont, New England, and the United States. The available position offers the opportunity to work on a variety of residential, commercial, and institutional projects including master planning for mixed-use, sustainability-oriented developments, as well as work supporting renewable energy projects such as scenic assessment, aesthetic analysis, 3D visualization, photographic simulation, and GIS analysis. Due to the variety of projects, experience with a wide range of computer programs such as AutoCAD, ArcGIS, 3DS Max, and Adobe Creative Suite is a plus, as well as the ability to quickly become proficient with new computer programs. The available position is targeted to a technically oriented individual with an eye for detail and creativity.

If you meet these criteria, enjoy a diverse project palette, and desire to work in a closely-knit team environment, please respond with your letter of interest, resume and examples of work to Michael Buscher at info@tjboyle.com.

The ideal applicant will demonstrate:

- Strong communication skills and flexibility to collaborate in a multidisciplinary team environment
- Strong technical writing and communication skills
- The ability to work on a variety of project types and tasks
- Strong organizational and management skills
- Strong design and graphic skills
- Experience with a wide range of computer programs including AutoCAD, MS Office, Adobe Creative Suite.
- Experience with a wide range of computer programs including ArcGIS, AutoCAD, 3DS Max, MS Office, Adobe Creative Suite

**Education Requirements:** Bachelor’s Degree in Landscape Architecture

**Experience Required:** 0 - 10 Years

T.J. Boyle Associates offers competitive salary commensurate with experience, and full benefits including medical, 401k, paid time off, and professional development.
