Job description

Landscape Design Assistant Job Summary
We are looking for a landscape design assistant to become a part of our team at Land Design Associates. We are a rapidly growing design-build landscape construction company servicing the greater Boston area. Check out our projects at https://www.landdesignassociates.com/featured-projects/

In this position, you will assist the landscape design team in producing layout plans, planting plans, and material boards to use in presentations with prospective clients. While computer and design skills are important, you also need familiarity with what types of plants thrive in a particular environment, so horticultural experience is beneficial.

Landscape Design Assistant Duties and Responsibilities

- Photo and measure new sites to document pertinent information
- Use Vectorworks to produce base plans
- Design layout plans and planting plans with assistance from the landscape designers
- Create presentation tools including material boards and plant packets

Landscape Design Assistant Requirements and Qualifications

- Bachelor’s degree in landscape architecture or landscape design
- Vectorworks experience preferred
- Site measurement experience
- Knowledge of design concepts, plants, and hardscaping

Job Type: Part-time
Salary: $20.00 - $25.00 per hour
Schedule:
- 8 hour shift
- Monday to Friday
Education:
- Bachelor's (Preferred)
Experience:

- AutoCAD: 1 year (Preferred)

Work Location:

- 1415 Main Street, Walpole MA

This Job Is Ideal for Someone Who Is:

- Dependable -- more reliable than spontaneous
- People-oriented -- enjoys interacting with people and working on group projects
- Adaptable/flexible -- enjoys doing work that requires frequent shifts in direction
- Detail-oriented -- would rather focus on the details of work than the bigger picture
- Achievement-oriented -- enjoys taking on challenges, even if they might fail
- High stress tolerance -- thrives in a high-pressure environment
