Student Affairs and Campus Life (SACL)
Student Affairs and Campus Life is committed to providing meaningful assistantship experiences for graduate students, particularly when these experiences enhance SACL priorities and are relevant to the pursuit of a graduate assistant’s professional goals. It is within this context that SACL makes this assistantship available.

Department: Residential Life – Residence Education
Residential Life is a national leader in creating a dynamic residential experience that is engaging, socially just, and promotes student learning. Residential Life offers a residential experience that supports students’ learning, personal growth, and academic achievement. We foster inclusive communities, create social and educational opportunities, and provide safe and well-maintained residences.
Assistant Residence Director/Learning Communities Graduate Assistants (LCGAs) are educators who strive to build positive communities and implement the Residential Curriculum of Residence Education in first-year student communities. LCGAs provide academic success leadership for first-year communities of 275-625 residents across 1-4 residence halls. LCGAs supervise live-in undergraduate Peer Mentors. LCGAs serve as a member of a leadership team comprised of several professional and graduate assistant staff members. LCGAs are directly supervised by the Coordinator for Student Success.

All Residence Education Graduate Assistants are expected to be available every Wednesday afternoon from 1:00 – 3:00pm for staff meetings and professional development, unless an excused academic exception has been made.

**Community Development and Student Learning**
- Serves as a member of the senior staff team within a residence hall cluster to provide leadership for all aspects of the community.
- Is visible and available to the residents in the community by holding regular posted office hours (10 hours per week between 12:00 – 8:00pm Monday – Friday), attending events and programs, conducting walk-throughs of community, being present and visible and facilitating community events.
- With the Residence Director and Coordinator for Student Success, provides leadership for the cluster Residential Curriculum.
- Implements and supports student success and first year transition initiatives.
- Plans and implements academic support initiatives for the residence hall communities including initiatives involving faculty, new students orientation initiatives, and Residential Academic Program Initiatives.
- May teach EDUC391R: Community of Residential Educators (CORE) which is a 1-Credit Course required to meet eligibility to apply for the RA and Peer Mentor positions.

**Supervision**
- Provides supervision for Peer Mentors (PM) including, but not limited to, training, goal-setting, one on one facilitation, evaluation, recognition, and discipline.
- Host weekly one-on-one meetings and staff meetings to support the daily work of Peer Mentors.
- Facilitates positive working relationships between Peer Mentors and all other staff working towards the overall positive experience of the residential community.
- Assists in departmental processes designed to effectively select, orient, and train student staff including development and implementation of staff training.
- Understands the RA/PM collective bargaining agreement and implements appropriately.

**Student Conduct and Crisis Management**
- Develops knowledge of student conduct expectations and protocols for responding to student concerns. Reports and documents residence hall incidents as outlined in Residence Education protocols.
- Supervises staff in responding appropriately to student conduct issues and incidents.

**Equity, Diversity and Inclusion (EDI)**
- Integrates EDI into the development of programs, practices, policies and processes.
- Supports and meets the needs of traditionally underrepresented students.

**Administration**
• Attends staff meetings and other meetings related to the cluster’s functioning
• Participates in hall move-in and move-out processes, fall New Students Orientation initiatives and other initiatives that support the smooth transition of students to campus.
• Responsible for management of Procurement Card in order to purchase supplies for programs. Works with supervisor to manage programming budget.
• Communicates and writes reports as expected by supervisor.
• Utilizes computer skills and technology to accomplish position responsibilities.

Residential Life Projects and Responsibilities
• Participates in all required staff training and development including, but not limited to, Student Affairs and Campus Life graduate staff training and Residential Life August and January Training.
• Participates in and supports Residential Life, Student Affairs and Campus Life, and University programs and initiatives.
• Participates in staff meetings and functions including, but not limited to, regular staff meetings, committee work, and search processes.
• Position is identified as a Title IX Responsible Employee and a Clery Campus Security Authority and is expected to respond and report accordingly.
• Understands, is committed to, and implements affirmative action and nondiscrimination regulations, policies and principles.
• Performs other related tasks as assigned.

Minimum Required Qualifications:
• Enrollment as graduate student in good standing during entire term of appointment.
• Eligibility for appointment to this assistantship, as determined by the Graduate School.
• Availability to serve the entire assistantship term.
• Willingness to perform all mandated compliance reporting and related requirements.
• Strong interpersonal communication skills and the ability to interact with a diverse population of students.
• Understands and is committed to the University and departmental affirmative action and non-discrimination policies.
• Demonstrated skills in program development and implementation.
• Familiarity with residence halls and college/university faculty.
• One year work experience directly related to event planning or programming.
• Regular evening and some weekend work required.

Preferred Qualifications:
• One or two years experience living in a residence hall system.
• Experience with academic support, academic advising or other student success initiatives.
• Strong skills planning programs/events.
• One year experience as a Resident Assistant, student organization leader, and/or directly related work experience

Compensation and Benefits
Specific compensation and benefits accruing to graduate assistantships are informed by the collective bargaining agreement (“Contract”) with the Graduate Employees Organization
(“GEO”) in force during the appointment period. All Graduate Assistants should review this agreement carefully for detailed explanations of compensation and benefits that may apply. Generally, however, Graduate Assistants receive:

1. A stipend based on the number of weekly hours allocated to the applicable assistantship;
2. Tuition and curriculum fee scholarship waiver (as provided in the GEO Contract);
3. Reduced fees for health coverage; and,
4. Vacation leave

**Collective Bargaining Agreement**

Graduate Assistants are employees of the University. Appointments to graduate assistantships must be approved in advance by the Graduate School. Employment matters are guided and informed by University policy and by provisions of a collective bargaining agreement (“Contract”) with the Graduate Employee Organization (“GEO”), a recognized employee union at the University. GEO is affiliated with the United Auto Workers.

The GEO Contract can be found at:
