Your Fall 2019 Room Selection Checklist

• Use this checklist to track your progress through Fall 2019 Online Room Selection! For more information, look through this brochure.

• Groups and Group Leaders - be prepared! Review your room selection process carefully.

• Don’t forget the Important Tips section!

☐ Re-read and sign the Residence Hall Contract and resubmit your Housing Profile in SPIRE under Main Menu > Residential Life.

☐ Request an appointment for the process you plan to use.
Remember, everyone who plans to participate MUST request an appointment. You will receive an email confirmation of your successful request.

☐ Research early and prepare by watching Online Room Selection Video Tutorials and discussing housing preferences with potential roommates.

☐ When appointments post, perform test searches to familiarize yourself with room selection.

☐ Select Your Assignment!
Remember, once you select in a process, you are not eligible to participate in other processes until the Summer Change Process.

☐ Get Confirmation!
When you are assigned, you will receive a confirmation email.
When can I select a room for fall?

Appointments Post: March 20, 2019 by 3:00pm
Room Selection: March 21 – March 29, 2019 4:00pm

What happens if I miss a deadline or don’t select an assignment?

Students who miss the Multi-Year Room Selection appointment deadline or who do not select a housing assignment by March 29 at 4:00pm are not guaranteed an assignment. If you have missed the deadline, please contact our office to discuss options.
1. Every student who wants to participate in a room selection process must request an appointment in SPIRE or apply for each process. Students who do not submit an application or request an appointment by the deadline are not eligible to participate in the process and will not be given an extension or exception.

2. Your appointment is determined by how many semesters you have lived on campus. You can see this under Residential Life > Room Selection Priority on SPIRE. Priority will be recalculated for fall room selection on February 18, 2019.

3. A Group Leader can only invite a person into a roommate group if they have an appointment for that process.

4. When you accept a group invitation, your group leader is responsible for selecting an assignment for the group. You are not able to select the assignment yourself. Follow up with your group leader to ensure they have fulfilled their responsibility! If you decide to leave the group, the group leader must dissolve that group.

5. If your group wishes to continue searching after they have selected an assignment, they must re-form the group!

6. In each selection process, students can select or change their assignment three (3) times. “Selection Opportunities Remaining” on the Room Selection Home page indicates this limit.

7. Get confirmation! After you request an appointment, join or form a group, or select an assignment, ensure that you or your group leader complete all the steps by checking your Room Selection Home page or your confirmation emails.

8. Once you select an assignment, you are subject to the contract cancellation fee. Only select an assignment if you are sure you want to live on campus for fall 2019.
Your Residence Hall Contract is for the full academic year. Students who select an assignment and later cancel are subject to a minimum $100 Cancellation Fee which increases monthly. Click here for the Fall 2019 Cancellation Fee schedule.
