

Students and Employees with Service Animals & Service Animals in Training

Students and employees with Service Animals and Service Animals-In-Training who will reside in University housing are encouraged to register the animal with Residential Life Student Services following the steps below. Residential Life encourages owners of Service Animals and Service Animals-In-Training to also register with Disability Services.

- Complete the *Animal in Residence Registration Form*.
- Provide a copy of required documentation (veterinary materials, town license if applicable).

Students and Employees with Assistance Animals

Students and employees requesting an assistance animal reside with them in their on-campus assignment must obtain approval from Disability Services and Residential Life Student Services following the steps below. Assistance animals may not be brought into University housing without expressed approval from Residential Life.

- Submit formal request to the University's Disability Office for an accommodation and receive approval.
- After receiving official written approval, complete the *Animal in Residence Registration Form*.
- Complete the Assistance Animal Agreement.
- Provide a copy of all required documentation for the animal (veterinary materials, town license if applicable).
