

## Clinical Consultation

- Provide clinical consultation to local HD and PHNs to support Foundational Public Health Services.
- Serve as mentors for new nurses or those new to Local Public Health Nursing.
- Support the clinical and programmatic work of seasoned LPHNs as needed.
- Community focused technical assistance and support.

## Local Public Health Nurse Consultants

**UMASS Amherst**  
**Elaine Marieb College of Nursing**

## Training Program

- Develop and deliver training for local public health nurses.
- Three-tiered training curriculum with ongoing quality improvement.
- Tier 1: Asynchronous eLearning modules.
- Tier 2: Instructor led courses on LPH topics as part of the LPHIT program.
- Tier 3: practice based clinical training using real public health scenarios.

## Workforce Development

- Work with OLRH Workforce Unit on various recruitment strategies.
- Outreach will start with all BSN programs in Massachusetts.
- In person presentations to introduce nursing students to the Profession of Public Health Nursing.
- Work with academic partners within each of the five regions to build relationships for workforce development.
- Facilitate preceptorships and clinical experiences for nursing students with LPH partners in each region.

## ABOUT US

Partnership between the University of Massachusetts (UMASS) Amherst's Elaine Marieb College of Nursing (EMCON) and the Massachusetts Department of Public Health's Office of Local and Regional Health (OLRH).
