

# Want to have friends over?

## Follow these CDC tips to keep yourself and your friends safe

**Keep it small, keep it safe**

**Show friends where they can wash or sanitize their hands.**

Make an outdoor handwashing station!

**Mask up for safety and make sure your friends do too!**

**Ask friends to stay home if they aren't feeling well**

**Go outside.** If indoors, open your windows.  
**Noise travels, register through Party Smart Registration!**

**Set up your space with 6 feet social distance in mind.**

Different household, different chairs

**Wave and verbally greet your friends. Don't hug, don't shake hands, or bump elbows or fists**

**Clean and disinfect frequently touched surfaces daily, as well as before friends arrive and after they leave**

**Avoid games or activities where people touch the same items**

**Avoid shared drinks and food like chips, dips, and platters. Provide disposable dishes and utensils**
