

University of Massachusetts Amherst Common Data Set Appendix, 2010-11

A. General Information

1. University Overview

The University of Massachusetts Amherst is a coeducational, major public research university located in a beautiful, culturally rich New England town. As a public university, UMass offers an excellent education at an affordable price. Its size, diversity, and the richness of its academic and extracurricular offerings, provide almost unlimited possibilities for personal growth and professional development. A distinctive feature of UMass is the opportunity for undergraduates to become directly involved in research, and get hands-on experience in numerous areas through internships or field experience. UMass also offers a wide range of service learning and volunteer opportunities. Academically talented students may participate in the Commonwealth Honors College that offers both the advantages of a small honors college and the wide-ranging opportunities of a nationally recognized research university. As a member of the nation's oldest and most successful college consortium, Five Colleges Incorporated, which includes Amherst, Hampshire, Mount Holyoke, and Smith Colleges as well as the University, UMass students may take courses on any of the five campuses at no extra charge.

Students enrolled in the program prior to Fall 2006 will continue to pay 50% above in-state tuition.

D. Transfer Admissions

1. Transfer Agreements

The University of Massachusetts Amherst honors articulation agreements for students graduating from Massachusetts public community colleges. Under Joint Admissions, students graduating with a 2.5 or higher GPA in designated programs are guaranteed admission to specified colleges within the university. Under the Commonwealth Transfer Compact, students graduating in designated programs are guaranteed junior status and fulfillment of the university's general education requirements. These programs are being replaced by MassTransfer. For students entering Massachusetts public community colleges in Fall 2009 or later, MassTransfer offers some admission and credit guarantees to students in designated transfer programs.

E. Academic Life

1. Average undergraduate class size (Fall 2010)

Lectures	41
Labs and discussions	24
All classes (lectures, labs, and discussions)	35

2. Computer Facilities

The campus offers centralized computing services through the Office of Information Technologies (OIT). All matriculated students are required to have an OIT Account. This Account provides students with access to: a campus wide network accessible from residence halls, public buildings and off-campus, an email account, the campus online course management system, and the campus wireless network. Registration, grades, and student information are available online. The campus also offers tools and training to faculty who wish to integrate technology into their curriculum.

3. Study Abroad

The University offers more than 500 domestic and international exchange programs in over 65 countries to more than 700 students each year. Programs are available in Africa, Asia, Australia, Canada, Caribbean, Ireland, Latin America, Russia and East Europe, Western Europe, Scandinavia, and the United Kingdom.

4. Honor Societies

National Honor Societies	30

5. Special Academic Programs

Commonwealth Honors College, an honors college, offers a dynamic curriculum, including interdisciplinary seminars, enriched honors courses, and opportunities to link academics and community outreach. It offers students a small college environment with the resources of a major university. Commonwealth Honors College resources include special housing opportunities, a computer laboratory, and academic support services, such as the Office of National Scholarship Advisement which assists students applying for prestigious fellowships. Also, students can participate in undergraduate research with the opportunity to present their work at an annual academic conference.

Unique majors include the *Bachelor's Degree with Individual Concentration*, through which students may design their own interdisciplinary major under faculty guidance.

University Without Walls (UWW) – This program offers non-traditional students an opportunity to earn flexible, individually designed B.A. or B.S. degrees which can be interdisciplinary in nature.

Residential Academic Programs (RAP) allow students to combine living and learning experience through residentially based academic programs. They include Arts & Humanities, Careers in Education, Social Justice, Sustainable Environment, and TAP (Talent Advanced Program) in a variety of disciplines.

Other academic opportunities include national and international student exchange programs, internships and opportunities to engage in community service through a growing number of service learning courses in academic departments.

Students can enroll at no extra charge in courses at Amherst, Hampshire, Mount Holyoke, and Smith Colleges through the *Five College Consortium*. The five colleges have open library borrowing, meal exchange, and a free bus system linking the campuses.

3. Popular Campus Events

UMass Amherst abounds with opportunities for everyone to experience the arts. Students may enjoy an exhibit at one of the on-campus galleries or a performance at one of several venues. They may take in a concert, off-Broadway show, experimental theater production, or a Friday night film. Special events include first-run movies, comedian and other live performances, First Week (a week-long celebration that kicks off each academic year), Festival of the Arts, Multicultural Film Festival, Haitian, Dominican, and CASA Cultural Night, Jazz in July, and Magic Triangle Jazz series. UMass Amherst sports events are free of charge with student identification. Students can attend Center Series Events at the Fine Arts Center for as little as \$10, and many shows at the Mullins Center sports arena offer student discounts. Downtown Amherst, just a short walk from campus, was recently named the top college town in the country and has restaurants, movies and shopping. The Five College Consortium (Amherst, Smith, Mt. Holyoke and Hampshire Colleges) offers additional opportunities off-campus for experiencing the arts.

6. Support Services for Minority Students

Center for Multicultural Advancement and Student Success

Women of Color Leadership Network (WOCLN) - provides advocacy, coaching, mentoring, internships, and a wide range of workshops and events for Native American, Latina, Asian American, Native American, Middle Eastern American, multiracial, and multicultural women with the aim of strengthening self-identity and community.

Diversity in Management Education Services (DiMES) - The Isenberg School of Management sponsors DiMES. Its goal is to introduce more students of color to Isenberg's educational programs and to promote diversity within the school's community.

Multicultural Engineering Program (MEP) - MEP recruits traditionally under-represented minority students through visits to high schools in Massachusetts and college fairs nationwide, and by hosting an annual career day for high school students. To support students once they enroll in the UMass Amherst College of Engineering, MEP provides academic advising, tutoring, mentoring, and financial aid counseling. The program also works with students to find research, co-operative education, and internship opportunities during their college years, and jobs upon graduation.

8. Student Housing (Fall 2010)

	# of occupants	% of total
