Definitions and Notes

Primary Majors: The actual count of undergraduate students whose primary major is in the school/college or department.

Secondary Majors: The actual count of undergraduate students whose secondary or tertiary major is in the school/college or department.

Undergraduate (Duplicated): Undergraduate total represents a duplicated count of primary and secondary majors. Summing data for multiple departments may result in a duplicated headcount.

Total: Unduplicated headcount of state supported and CPE majors. Associate's degree students, if any, are included. Pre-majors are reported in the school/college and department of major.

Note 1: Data reflect the organizational structure as of Fall 2018.

Note 2: Master's includes Certificate of Advanced Graduate Study (C.A.G.S.) and Education Specialist (Ed.S.) in the College of Education.

Definitions and Notes

Primary Majors: The actual count of undergraduate students whose primary major is in the school/college or department.

Secondary Majors: The actual count of undergraduate students whose secondary or tertiary major is in the school/college or department.

Undergraduate (Duplicated): Undergraduate total represents a duplicated count of primary and secondary majors. Summing data for multiple departments may result in a duplicated headcount.

Total: Unduplicated headcount of state supported and CPE majors. Associate's degree students, if any, are included. Pre-majors are reported in the school/college and department of major.

Note 1: Data reflect the organizational structure as of Fall 2018.

Note 2: Effective Fall 2015, the undeclared major was eliminated for incoming students. It was replaced by Exploratory Track (ET) programs within each school and college except Nursing. The College of Engineering stopped admitting ET students in Fall 2018. Therefore, undergraduate numbers are not comparable to prior years.

Definitions and Notes

Primary Majors: The actual count of undergraduate students whose primary major is in the school/college or department.

Secondary Majors: The actual count of undergraduate students whose secondary or tertiary major is in the school/college or department.

Undergraduate (Duplicated): Undergraduate total represents a duplicated count of primary and secondary majors. Summing data for multiple departments may result in a duplicated headcount.

Total: Unduplicated headcount of state supported and CPE majors. Associate's degree students, if any, are included. Pre-majors are reported in the school/college and department of major.

Note : Data reflect the organizational structure as of Fall 2018.

Primary Majors: The actual count of undergraduate students whose primary major is in the school/college or department.

Secondary Majors: The actual count of undergraduate students whose secondary or tertiary major is in the school/college or department.

Undergraduate (Duplicated): Undergraduate total represents a duplicated count of primary and secondary majors. Summing data for multiple departments may result in a duplicated headcount.

Total: Unduplicated headcount of state supported and CPE majors. Associate's degree students, if any, are included. Pre-majors are reported in the school/college and department of major.

Note 1: Data reflect the organizational structure as of Fall 2018.

Note 2: Master's students enrolled in the Joint MRP/Sustainability Science program are counted in the Department of Landscape Architecture and Regional Planning.

Note 3: In 2010, the name of the B.S. in Natural Resource Studies was renamed Natural Resources Conservation and the program was reorganized with six new concentrations. The B.S. program in Forestry and Wildlife and the B.S. in Fisheries Conservation are being phased out. The B.S. in Building Materials and Wood Technology was renamed Building and Construction Technology.

Note 4: In 2010, the graduate program was reorganized with five new concentrations. The name of the Master's and Doctoral programs in Wildlife and Fisheries Conservation was changed to Environmental Conservation. The M.S. in Forest Resources will be phased out.

Note 5: Effective Fall 2011, the M.S. in Sustainability Science is offered.

Definitions and Notes

Primary Majors: The actual count of undergraduate students whose primary major is in the school/college or department.

Secondary Majors: The actual count of undergraduate students whose secondary or tertiary major is in the school/college or department.

Undergraduate (Duplicated): Undergraduate total represents a duplicated count of primary and secondary majors. Summing data for multiple departments may result in a duplicated headcount.

Total: Unduplicated headcount of state supported and CPE majors. Associate's degree students, if any, are included. Pre-majors are reported in the school/college and department of major.

Note : Data reflect the organizational structure as of Fall 2018.

Definitions and Notes

Primary Majors: The actual count of undergraduate students whose primary major is in the school/college or department.

Secondary Majors: The actual count of undergraduate students whose secondary or tertiary major is in the school/college or department.

Undergraduate (Duplicated): Undergraduate total represents a duplicated count of primary and secondary majors. Summing data for multiple departments may result in a duplicated headcount.

Total: Unduplicated headcount of state supported and CPE majors. Associate's degree students, if any, are included. Pre-majors are reported in the school/college and department of major.

Note 1: Data reflect the organizational structure as of Fall 2018.

Note 2: Master's enrollment includes students enrolled in the Joint MLA/Architecture, Joint MRP/Architecture and Joint MRP/Sustainability Science programs. Students enrolled in the Joint MPPA/Regional Planning program are counted in the Department of Public Policy and Administration.

Definitions and Notes

Primary Majors: The actual count of undergraduate students whose primary major is in the school/college or department.

Secondary Majors: The actual count of undergraduate students whose secondary or tertiary major is in the school/college or department.

Undergraduate (Duplicated): Undergraduate total represents a duplicated count of primary and secondary majors. Summing data for multiple departments may result in a duplicated headcount.

Total: Unduplicated headcount of state supported and CPE majors. Associate's degree students, if any, are included. Pre-majors are reported in the school/college and department of major.

Note 1: Data reflect the organizational structure as of Fall 2018.

Note 2: The Department of Biomedical Engineering was formed in Fall 2018.

Definitions and Notes

Primary Majors: The actual count of undergraduate students whose primary major is in the school/college or department.

Secondary Majors: The actual count of undergraduate students whose secondary or tertiary major is in the school/college or department.

Undergraduate (Duplicated): Undergraduate total represents a duplicated count of primary and secondary majors. Summing data for multiple departments may result in a duplicated headcount.

Total: Unduplicated headcount of state supported and CPE majors. Associate's degree students, if any, are included. Pre-majors are reported in the school/college and department of major.

Note : Data reflect the organizational structure as of Fall 2018.

Definitions and Notes

Primary Majors: The actual count of undergraduate students whose primary major is in the school/college or department.

Secondary Majors: The actual count of undergraduate students whose secondary or tertiary major is in the school/college or department.

Undergraduate (Duplicated): Undergraduate total represents a duplicated count of primary and secondary majors. Summing data for multiple departments may result in a duplicated headcount.

Total: Unduplicated headcount of state supported and CPE majors. Associate's degree students, if any, are included. Pre-majors are reported in the school/college and department of major.

Note : Data reflect the organizational structure as of Fall 2018.
