Definitions and Notes

Out-of-state: Out-of-state includes Regional Program Participants. At the undergraduate level, it also includes International students.

Transfer: A student who earned 12 or more credits at another higher education institution prior to enrolling at UMass Amherst.

Note 1: Data reflect the organizational structure as of Fall 2018.

Note 2: Only state-supported programs and degree-seeking students enrolled in these programs are included (i.e. programs administered by Continuing & Professional Education and non-degree students are excluded).

Note 3: Undergraduate students are counted based on the student's primary major.

Note 4: Master's includes Certificate of Advanced Graduate Study (C.A.G.S.) and Education Specialist (Ed.S.) in the College of Education.

Note 5: Undergraduate numbers include enrollments in Associate's degree programs.

Definitions and Notes

Out-of-state: Out-of-state includes Regional Program Participants. At the undergraduate level, it also includes International students.

Transfer: A student who earned 12 or more credits at another higher education institution prior to enrolling at UMass Amherst.

Note 1: Data reflect the organizational structure as of Fall 2018.

Note 2: Only state-supported programs and degree-seeking students enrolled in these programs are included (i.e. programs administered by Continuing & Professional Education and non-degree students are excluded).

Note 3: Undergraduate students are counted based on the student's primary major.

Note 4: Effective Fall 2015, the undeclared major was eliminated for incoming students. It was replaced by Exploratory Track (ET) programs within each school and college except Nursing. The College of Engineering stopped admitting ET students in Fall 2018. Therefore, undergraduate numbers are not comparable to prior years.

Definitions and Notes

Out-of-state: Out-of-state includes Regional Program Participants. At the undergraduate level, it also includes International students.

Transfer: A student who earned 12 or more credits at another higher education institution prior to enrolling at UMass Amherst.

Note 1: Data reflect the organizational structure as of Fall 2018.

Note 2: Only state-supported programs and degree-seeking students enrolled in these programs are included (i.e. programs administered by Continuing & Professional Education and non-degree students are excluded).

Note 3: Undergraduate students are counted based on the student's primary major.

Note 4: Effective Fall 2015, the undeclared major was eliminated for incoming students. It was replaced by Exploratory Track (ET) programs within each school and college except Nursing. The College of Engineering stopped admitting ET students in Fall 2018. Therefore, undergraduate numbers are not comparable to prior years.

Definitions and Notes

Out-of-state: Out-of-state includes Regional Program Participants. At the undergraduate level, it also includes International students.

Transfer: A student who earned 12 or more credits at another higher education institution prior to enrolling at UMass Amherst.

Note 1: Data reflect the organizational structure as of Fall 2018.

Note 2: Only state-supported programs and degree-seeking students enrolled in these programs are included (i.e. programs administered by Continuing & Professional Education and non-degree students are excluded).

Note 3: Undergraduate students are counted based on the student's primary major.

Definitions and Notes

Out-of-state: Out-of-state includes Regional Program Participants. At the undergraduate level, it also includes International students.

Transfer: A student who earned 12 or more credits at another higher education institution prior to enrolling at UMass Amherst.

Note 1: Data reflect the organizational structure as of Fall 2018.

Note 2: Only state-supported programs and degree-seeking students enrolled in these programs are included (i.e. programs administered by Continuing & Professional Education and non-degree students are excluded).

Note 3: Undergraduate students are counted based on the student's primary major.

Definitions and Notes

Out-of-state: Out-of-state includes Regional Program Participants. At the undergraduate level, it also includes International students.

Transfer: A student who earned 12 or more credits at another higher education institution prior to enrolling at UMass Amherst.

Note 1: Data reflect the organizational structure as of Fall 2018.

Note 2: Only state-supported programs and degree-seeking students enrolled in these programs are included (i.e. programs administered by Continuing & Professional Education and non-degree students are excluded).

Note 3: Undergraduate students are counted based on the student's primary major.

Note 4: Master's students enrolled in the Joint MRP/Sustainability Science program are counted in the Department of Landscape Architecture and Regional Planning.

Note 5: In 2010, the name of the B.S. in Natural Resource Studies was renamed Natural Resources Conservation and the program was reorganized with six new concentrations. The B.S. program in Forestry and Wildlife and the B.S. in Fisheries Conservation are being phased out. The B.S. in Building Materials and Wood Technology was renamed Building and Construction Technology.

Note 6: In 2010, the graduate program was reorganized with five new concentrations. The name of the Master's and Doctoral programs in Wildlife and Fisheries Conservation was changed to Environmental Conservation. The M.S. in Forest Resources will be phased out.

Note 7: Effective Fall 2011, the M.S. in Sustainability Science is offered.

Definitions and Notes

Out-of-state: Out-of-state includes Regional Program Participants. At the undergraduate level, it also includes International students.

Transfer: A student who earned 12 or more credits at another higher education institution prior to enrolling at UMass Amherst.

Note 1: Data reflect the organizational structure as of Fall 2018.

Note 2: Only state-supported programs and degree-seeking students enrolled in these programs are included (i.e. programs administered by Continuing & Professional Education and non-degree students are excluded).

Note 3: Undergraduate students are counted based on the student's primary major.

Definitions and Notes

Out-of-state: Out-of-state includes Regional Program Participants. At the undergraduate level, it also includes International students.

Transfer: A student who earned 12 or more credits at another higher education institution prior to enrolling at UMass Amherst.

Note 1: Data reflect the organizational structure as of Fall 2018.

Note 2: Only state-supported programs and degree-seeking students enrolled in these programs are included (i.e. programs administered by Continuing & Professional Education and non-degree students are excluded).

Note 3: Undergraduate students are counted based on the student's primary major.

Note 4: Effective Fall 2013, a new Master's concentration in Applied Molecular Biotechnology is offered.

Definitions and Notes

Out-of-state: Out-of-state includes Regional Program Participants. At the undergraduate level, it also includes International students.

Transfer: A student who earned 12 or more credits at another higher education institution prior to enrolling at UMass Amherst.

Note 1: Data reflect the organizational structure as of Fall 2018.

Note 2: Only state-supported programs and degree-seeking students enrolled in these programs are included (i.e. programs administered by Continuing & Professional Education and non-degree students are excluded).

Note 3: Undergraduate students are counted based on the student's primary major.

Note 4: Effective Fall 2014, the Department of Psychology was renamed the Department of Psychological and Brain Sciences.

Definitions and Notes

Out-of-state: Out-of-state includes Regional Program Participants. At the undergraduate level, it also includes International students.

Transfer: A student who earned 12 or more credits at another higher education institution prior to enrolling at UMass Amherst.

Note 1: Data reflect the organizational structure as of Fall 2018.

Note 2: Only state-supported programs and degree-seeking students enrolled in these programs are included (i.e. programs administered by Continuing & Professional Education and non-degree students are excluded).

Note 3: Undergraduate students are counted based on the student's primary major.

Note 4: Undergraduate numbers include enrollments in Associate's degree programs in the Stockbridge School of Agriculture.

Note 5: In Fall 2012, the Stockbridge School of Agriculture was formed as a new department within CNS with the following Associate's degree programs: Sustainable Food and Farming, Sustainable Horticulture and Turfgrass Management.

Note 6: Effective Fall 2013, the Stockbridge School of Agriculture began offering its own Baccalaureate degree programs. These programs were approved in early 2013 which enabled students to declare a major and to graduate in one of these programs in Spring 2013.

Note 7: In 2016, the Associate's degree program in Sustainable Horticulture started being offered through Continuing and Professional Education.

Note 8: In 2017, the baccalaureate program was renamed from Sustainable Horticulture to Horticultural Science.

Definitions and Notes

Out-of-state: Out-of-state includes Regional Program Participants. At the undergraduate level, it also includes International students.

Transfer: A student who earned 12 or more credits at another higher education institution prior to enrolling at UMass Amherst.

Note 1: Data reflect the organizational structure as of Fall 2018.

Note 2: Only state-supported programs and degree-seeking students enrolled in these programs are included (i.e. programs administered by Continuing & Professional Education and non-degree students are excluded).

Note 3: Undergraduate students are counted based on the student's primary major.

Note 4: In 2013, the Department of Resource Economics moved to the College of Social and Behavioral Sciences after being in the School of Management (2009 to 2012) and the former College of Natural Resources and the Environment (pre-2009).

Note 5: Effective Fall 2015, the undeclared major was eliminated for incoming students. It was replaced by Exploratory Track (ET) programs within each school and college except Nursing. The College of Engineering stopped admitting ET students in Fall 2018. Therefore, undergraduate numbers are not comparable to prior years.

Definitions and Notes

Out-of-state: Out-of-state includes Regional Program Participants. At the undergraduate level, it also includes International students.

Transfer: A student who earned 12 or more credits at another higher education institution prior to enrolling at UMass Amherst.

Note 1: Data reflect the organizational structure as of Fall 2018.

Note 2: Only state-supported programs and degree-seeking students enrolled in these programs are included (i.e. programs administered by Continuing & Professional Education and non-degree students are excluded).

Note 3: Undergraduate students are counted based on the student's primary major.

Definitions and Notes

Out-of-state: Out-of-state includes Regional Program Participants. At the undergraduate level, it also includes International students.

Transfer: A student who earned 12 or more credits at another higher education institution prior to enrolling at UMass Amherst.

Note 1: Data reflect the organizational structure as of Fall 2018.

Note 2: Only state-supported programs and degree-seeking students enrolled in these programs are included (i.e. programs administered by Continuing & Professional Education and non-degree students are excluded).

Note 3: Undergraduate students are counted based on the student's primary major.

Note 4: Effective Fall 2015, the undeclared major was eliminated for incoming students. It was replaced by Exploratory Track (ET) programs within each school and college except Nursing. The College of Engineering stopped admitting ET students in Fall 2018. Therefore, undergraduate numbers are not comparable to prior years.

Definitions and Notes

Out-of-state: Out-of-state includes Regional Program Participants. At the undergraduate level, it also includes International students.

Transfer: A student who earned 12 or more credits at another higher education institution prior to enrolling at UMass Amherst.

Note 1: Data reflect the organizational structure as of Fall 2018.

Note 2: Only state-supported programs and degree-seeking students enrolled in these programs are included (i.e. programs administered by Continuing & Professional Education and non-degree students are excluded).

Note 3: Undergraduate students are counted based on the student's primary major.

Note 4: Master's includes Certificate of Advanced Graduate Study (C.A.G.S.) up to and including 2013 and Education Specialist (Ed.S.) starting in 2014.

Note 5: Students enrolled in the Joint MPPA/MEd are reported in the College of Education.

Note 6: Effective Fall 2012, the undergraduate program in education is restored. Students are generally admitted at the end of their sophomore year and are expected to complete a secondary major in the College of Humanities and Fine Arts, the College of Natural Sciences, the College of Social and Behavioral Sciences or the School of Public Health and Health Sciences.

Note 7: Effective Fall 2013, the School of Education was renamed the College of Education.

Note 8: Effective Fall 2015, the undeclared major was eliminated for incoming students. It was replaced by Exploratory Track (ET) programs within each school and college except Nursing. The College of Engineering stopped admitting ET students in Fall 2018. Therefore, undergraduate numbers are not comparable to prior years.

Definitions and Notes

Out-of-state: Out-of-state includes Regional Program Participants. At the undergraduate level, it also includes International students.

Transfer: A student who earned 12 or more credits at another higher education institution prior to enrolling at UMass Amherst.

Note 1: Data reflect the organizational structure as of Fall 2018.

Note 2: Only state-supported programs and degree-seeking students enrolled in these programs are included (i.e. programs administered by Continuing & Professional Education and non-degree students are excluded).

Note 3: Undergraduate students are counted based on the student's primary major.

Note 4: Students enrolled in the Joint MBA/MS in Engineering program are reported in the School of Management.

Definitions and Notes

Out-of-state: Out-of-state includes Regional Program Participants. At the undergraduate level, it also includes International students.

Transfer: A student who earned 12 or more credits at another higher education institution prior to enrolling at UMass Amherst.

Note 1: Data reflect the organizational structure as of Fall 2018.

Note 2: Only state-supported programs and degree-seeking students enrolled in these programs are included (i.e. programs administered by Continuing & Professional Education and non-degree students are excluded).

Note 3: Undergraduate students are counted based on the student's primary major.

Note 4: Students enrolled in the Joint MBA/MS in Hospitality and Tourism Management program are counted in the School of Management.

Note 5: In 2013, the Master of Science in Hospitality and Tourism Management was eliminated.

Definitions and Notes

Out-of-state: Out-of-state includes Regional Program Participants. At the undergraduate level, it also includes International students.

Transfer: A student who earned 12 or more credits at another higher education institution prior to enrolling at UMass Amherst.

Note 1: Data reflect the organizational structure as of Fall 2018.

Note 2: Only state-supported programs and degree-seeking students enrolled in these programs are included (i.e. programs administered by Continuing & Professional Education and non-degree students are excluded).

Note 3: Undergraduate students are counted based on the student's primary major.

Note 4: In 2017, the master's program was renamed from Communication Disorders to Speech-Language Pathology.

Definitions and Notes

Out-of-state: Out-of-state includes Regional Program Participants. At the undergraduate level, it also includes International students.

Transfer: A student who earned 12 or more credits at another higher education institution prior to enrolling at UMass Amherst.

Note 1: Data reflect the organizational structure as of Fall 2018.

Note 2: Only state-supported programs and degree-seeking students enrolled in these programs are included (i.e. programs administered by Continuing & Professional Education and non-degree students are excluded).

Note 3: Undergraduate students are counted based on the student's primary major.
