Total	41,612	21,215	3,696	24,911	4,269	741	5,010

* Other include Bachelor's Degree with Individual Concentration.

Note A. Some academic units have restricted the number of entering students, and many applicants are offered an alternate major. In the majority of cases, the alternate acceptance and enrollment figures do not represent acceptance or enrollment into that school or college, but acceptance or enrollment into the exploratory track program or an alternate major chosen by the student.

Note B. Data are based on current organizational structure of academic units and departments. Data for the previous year have been adjusted to reflect all changes.
