‡ Designates master's only programs.

Enrollments include both master's and doctoral students.

Residency is based on tuition classification.

Note A: Data are based on the current organizational structure of academic units and departments. Therefore, school or college totals may not be directly comparable to previous years due to the consolidation, reassignment, or suspension of selected academic programs.

Note B: Includes students enrolled in programs administered by CPE.

Source: OIR enrollment census file, September.
