**Online Master of
Healthcare
Administration**
Program Information

University of
Massachusetts
Amherst

UMassAmherst | School of Public Health
& Health Sciences

Healthcare today needs leaders who can combine strategic vision with real-world action.

The Online Master of Healthcare Administration (MHA) at UMass Amherst School of Public Health & Health Sciences is designed for working professionals ready to advance their leadership impact without putting their careers on pause.

ABOUT THE PROGRAM

Grounded in over 25 years of online teaching excellence, our part-time, asynchronous format empowers you to learn anywhere, anytime — and immediately apply your knowledge in your organization.

WHAT MAKES OUR PROGRAM STAND OUT

FACULTY ACCESS

Gain direct access to UMass faculty inside and outside the virtual classroom, ensuring you receive timely guidance rooted in real-world expertise

ADVISING SUPPORT

Professional advisors assist you before admission, throughout your studies, and as an alum, helping you make informed decisions at every stage

UMASS RESOURCES

Enjoy full access to UMass libraries, research tools, and student services across the Five-College Consortium to support your academic success

FLEXIBLE PATHWAY

Study at your own pace with options to take one or multiple classes per term, pause when needed, and rejoin anytime without cohort restrictions

SERVICE-LEARNING CAPSTONE

A workplace-based project aligned with CAMHE accreditation standards. Students develop a real case study with guidance from faculty and organizational partners.

Preparation includes three 1-credit seminars:

- Data Collection & Analysis
- Writing & Presentation
- Career Development

A real-world project that advances career

Students secure institutional support prior to enrolling in this capstone. Projects may:

- Be completed within your current organization, or
- Be proposed at another department or institution aligned with your future career goals

Management Core

Gain operational and financial skills essential to healthcare leadership.

Courses:

- IT Management
- Financial Management
- Human Resources Management

Strategic Management Core

Learn how to design strategy, implement change, and lead organizational transformation.

Courses:

- Strategy Formulation
- Strategy Implementation

Leadership Core

Strengthen your leadership style, team management, and change leadership capabilities.

Courses:

- Team Leadership
- Change Leadership

Graduate Seminars

Three 1-credit seminars build practical skills in:

- Data Collection & Analysis
- Writing & Presentation
- Career Development

Capstone

Apply your learning to a real-world project that advances your career and contributes to your organization

OUR CURRICULUM

TOTAL CREDIT: 39

Health Policy & Management Core

APPLICATION PROCESS

01

Check eligibility

Bachelor's degree, minimum GPA, and professional experience in healthcare or public health

02

Submit your application

Complete the two-step application process by applying through [SOPHAS](#), then submitting the UMass Amherst supplemental application

APPLICATION DEADLINES

We accept applications on a rolling basis with 3 start terms a year

- **Spring admission:** October 15
- **Summer admission:** April 15
- **Fall admission:** June 15

APPLICANTS MUST HAVE:

A bachelor's degree from an accredited institution

A cumulative GPA of 2.75+ on a 4.0 scale (successful applicants typically have 3.0+ in undergraduate and/or graduate work)

At least 2 years of professional experience in healthcare or public health:

- One year may be waived if you hold a BA/BS in Public Health
- One year may be waived if you hold a graduate certificate in Public Health

For international applicants or U.S. citizens who completed their education abroad:

- Bachelor's degree must be officially evaluated as equivalent to a U.S. four-year degree

READY TO APPLY?

01

CV/Resume

02
