

OTHER SPONSORS

If you need a no cost extension from a sponsor who is not listed in our quick links, please send an email to OPAM: opam@umass.edu to indicate that you want to make a request for a no cost extension. Please include the sponsor name and the award account number associated with your award.

The file will then be pulled, given to the administrator who handles that agency/sponsor and they will contact you directly and provide guidance and assistance.

Keep in mind that no cost extensions cannot be requested for the sole purpose of spending down residual funds!

Your request will need to address:

- Why the project could not be completed in the original time period awarded
- A description of the work left to be done
- A statement of how much residual funds remain
- How those funds will be used to complete the project.
