

We Offer

MASTER'S AND DOCTORAL DEGREES

in Resource Economics with a quantitative and applied econometrics focus. We offer specializations in:

- Empirical Industrial Organization
- Environmental and Natural Resource Economics
- Experimental and Behavioral Economics
- Health Economics

Consider graduate studies . . .

- *in a collegial environment*
- *in a beautiful New England setting*
- *in close proximity to Boston and New York City*
- *with the potential for stipend, tuition waiver, and health insurance!*

OUR FACULTY has expanded in recent years with many new hires in Environmental Economics, Industrial Organization, Experimental Economics, and Health Economics!
