Zoom: Restrict Meetings to UMass Authenticated Users Only

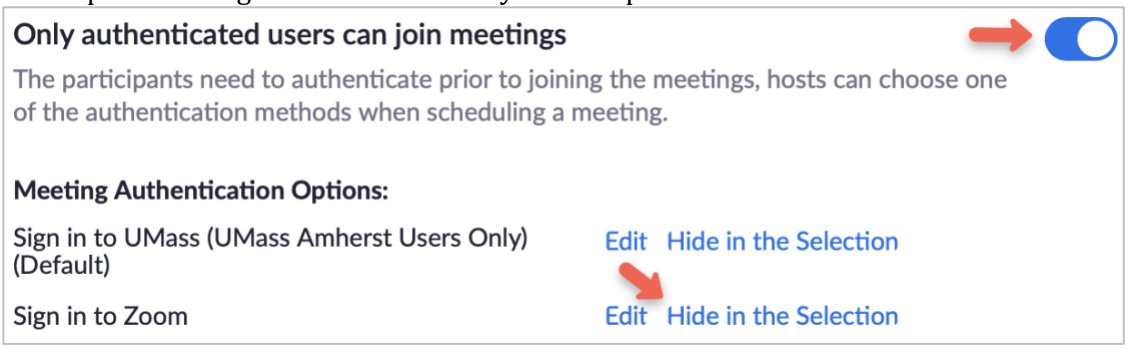
There are 2 steps to restricting Zoom meetings to allow only UMass authenticated users to attend.

1. Activate in Zoom Account Settings
2. Activate in Zoom Meeting Settings

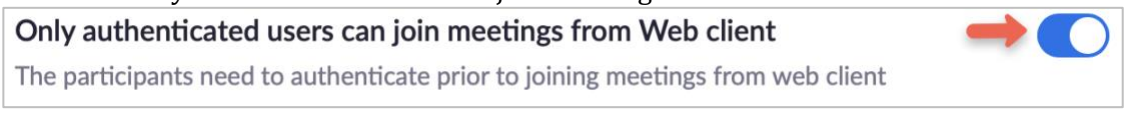
Zoom Account Settings

Make the following updates to your Zoom web portal Settings.

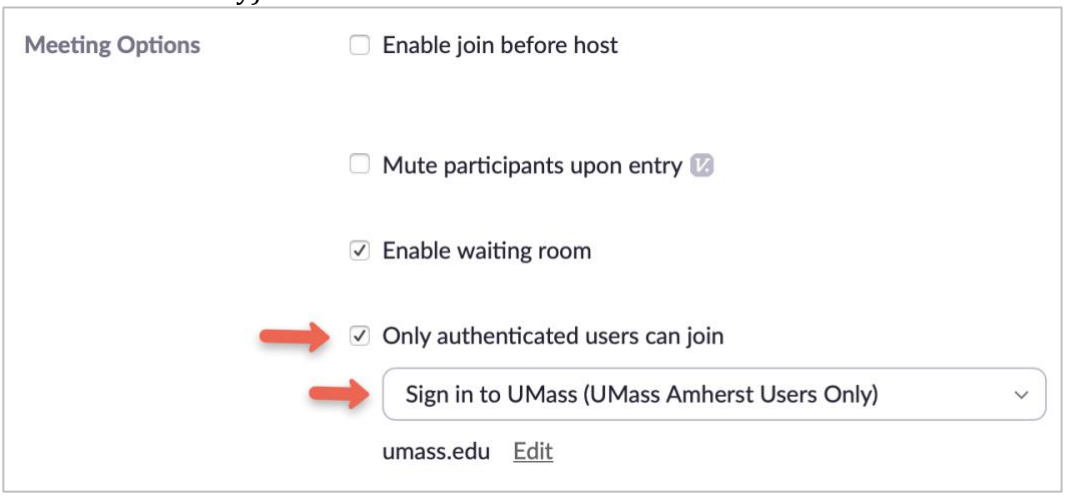
1. **Turn on** "Only authenticated users can join meetings"
   Hide option for "Sign in to Zoom" so only UMass option is visible



2. **Turn on** "Only authenticated users can join meetings from Web client"



Zoom Meeting Settings

Use the following settings when creating meetings from the Zoom Web Portal Meetings tool.


1. Under **Meeting Options**, check "Only authenticated users can join" and select "Sign in to UMass (UMass Amherst Users Only)"
