CHANGING THE NAME FOR THE B.S. IN HUMAN NUTRITION TO THE B.S. IN NUTRITION

BACKGROUND AND RATIONALE

Names of majors are listed in the University publications in alphabetical order. Prospective students rely on that list to determine availability of a major they are interested in. Many students associate the degree as Nutrition and are therefore unable to find the information they are looking for because it is listed under Human Nutrition.

Approving the name change would facilitate access of interested students to information related to the major.

AMC RECOMMENDATIONS

The Academic Matters Council supports the change in the name of the major in Human Nutrition to "Nutrition."

MOVED: **That the Faculty Senate approve changing the name for the B.S. in Human
19-08 Nutrition to the B.S. in Nutrition, as presented in Sen. Doc. No. 08-022.**
