The UMass Amherst All-Campus Makerspace

Presentation to Faculty Senate
March 12th, 2020

Presented by Shira Epstein,
Director of Campus Makerspaces
shirae@umass.edu
What is a Makerspace?

A makerspace is a community space where people gather to share resources and knowledge, work on projects, network, and make things.
The UMass Maker Network
Where is the UMass All Campus Makerspace Now?

Open 6 days a week, 8 hours a day (check calendar on website)

Astronomy Research Facility
What we have now:

Most commonly needed resources:

- Soldering/electronics stations
- 3d printers, vacuum former
- Sewing/textiles equipment
- Hand tools
- Power tools
- Woodworking tools
- Mold-making and casting equipment
- And more...!

New capabilities added frequently.
How can faculty use the All-Campus Makerspace?
