

2021-2022 Name Change Form

The University of Massachusetts Amherst requires that you submit a copy of the documentation that legally validates your change of name (e.g. marriage license, divorce decree). This ensures the protection of your record. It is understood that this change is made without any intent to defraud the University or those persons/institutions who might request a copy of your record.

Be Advised: If you receive financial aid you must update all of your financial aid records including your FAFSA form and your Social Security Administration record to be consistent with the above information. In order to comply with federal regulations and continue processing your financial aid for the 2021-2022 academic year, it is necessary to verify this information. Failure to do so will result in the cancellation of financial aid that you currently have and/or halt any further processing.
