

Student Success

At UMass, we create resources and opportunities to support student success. Your success is a goal shared by the departments, offices, and individuals that you'll work with. You'll get to know faculty and staff who will ensure that you have everything you need to persevere and thrive on your way to graduation.

**YOUR
SUCCESS**

UMassAmherst

Student Success

Student Success is committed to helping you make the most of your UMass journey. Comprised of full-time, graduate, and student staff, we offer tools to support success in your college career. Check out our website and follow us on social media!

- ✓ **Residential Academic Programs (RAP)**
Develop community through a small, engaging course with students in your residence hall
- ✓ **First-Year Seminars**
Make connections and discover resources and opportunities that support your success
- ✓ **Transfer Seminars**
For transfer students, a 1-credit seminar to support your entry to UMass
- ✓ **Student Success Planner**
A year-long planner packed with strategies to support your success
- ✓ **Study Skills Workshops**
Academic skill-building to help you stay on track in your classes
- ✓ **Smart About Money (SAM)**
Peer-to-peer coaching that will help you make sense of and maximize your finances
- ✓ **Domestic Exchange and Five-College Registration**
Opportunities to study and take classes at other colleges and universities, both locally and nationally

Student Success is committed to all undergraduate students at UMass Amherst. First-generation students, transfer students, and students experiencing financial insecurity are particularly encouraged to connect with us.
