University *of* Massachusetts
Amherst

Welcome to the University of Massachusetts Amherst!
Complimentary access to the UMass Wireless Network is available throughout campus, including Hotel UMass & the Campus Center/Student Union Complex.

<u>Wireless Guest Account Access</u>
Login instructions for the wireless network are below.

· In the WiFi settings on your phone/computer/tablet select the **UMASS** network

· Open up a web browser (IT suggests using Safari or Firefox)

· Manually type in the address bar: http://www.umass.edu

· Either a page telling you that this site is unsecure will present itself OR the UMass wireless login page will appear

· If it is a page telling you the website is unsecure, click "More Details" or "Advanced" at the bottom and click on the link to visit the page anyway

· You should then be on the UMass wireless network login page

· Enter the credentials below
    Guest ID: *32754967*
    Password: *19966788*
IT recommends that you save the guest ID and password in your browser to shorten the process for future logins

· The UMass home page should load and from this point you can type in any search query/website name you wish to visit

NOTE: If you close the web browser, shut the laptop, or change your location you will need to initiate the login session from the beginning.
