BE REVOLUTIONARY™

THE UMASS EDGE

A revolutionary spirit is key to our past and powers our campus today. In the heart of New England, our 22,500 undergraduate and 6,600 graduate students discover their strengths, expand their vision, and reach out to change the world. Here we have more than 1,400 full-time faculty members dedicated to providing boundless freedom of choice and creating vast opportunities for our students. At UMass Amherst, our diverse community is united in our commitment to the relentless pursuit of progress.

RESEARCH OPPORTUNITIES FOR THE CURIOUS

We are one of the nation's top public research universities, and undergraduate research is a critical part of a UMass Amherst education. Put your curiosity to work through course-related research, summer research experiences, foreign exchange, internships, scholarships and fellowships, and positions in faculty labs.

JOIN OUR STELLAR STUDENTS

We have a holistic approach to admissions. Of course, we examine your academic achievements, but we also look at your life context and personal qualities—your tenacity, intellectual curiosity, maturity, concern for others, and more. We want students who are great learners and full contributors to our vibrant campus community. No specific grade point average, test score, or other qualification by itself ensures admission. For specific requirements, please visit umass.edu/admissions.

First-year and transfer students may apply online using the Common App: commonapp.org

Massachusetts community college graduates in approved programs may apply using the Mass Transfer application: umass.edu/umccc

APPLICATION TYPES AND DEADLINES

EARLY ACTION

DEADLINE*
Nov 5

DECISION NOTIFICATION
Dec – Jan

ACCEPT DECISION DEADLINE
May 1

* Early Action and Regular Decision applicants receive full consideration for merit scholarships and admission to the Commonwealth Honors College.

REGULAR DECISION

DEADLINE

TEST OPTIONAL THROUGH FALL 2023

Students applying for any deadline between now and Fall 2023 are not required to provide an ACT or SAT test score for admission or scholarship consideration.

INNOVATIVE LEARNING SPACES BUILT FOR YOU

Thanks to \$2 billion in investments, we've expanded and refreshed our campus in the past several years, and today our facilities are among the most modern in the nation. From science and the arts, you'll have the opportunity to flourish in state-of-the-art learning spaces equipped with new technology.

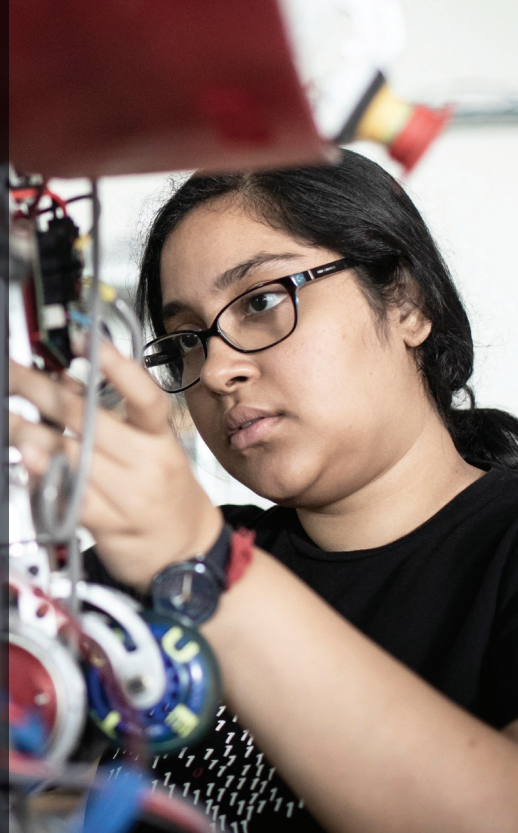

EXPLORE YOUR ENTHUSIASMS

We have more than 300 Registered Student Organizations, where you'll meet others who share your interests. UMass Amherst offers robust intramural and club athletics. We have 21 Division 1 sports teams, including our 2021 national championship hockey team. Go UMass!

Here are just a few of our clubs and organizations:

Archery Club | Black Student Union | Comedy League |
Engineers Without Borders | Food Science Club | Independent
Film Production Club | Isenberg Women in Business |
Latinos Unidos | Meeting and Event Managers Association |
National Association of Black Accountants | National
Pan-Hellenic Association | Photography Club | Pre-Medical
Society | Quidditch Club | Running Club | Super Smash Bros
Club | Society of Physics Students | South Asian Students
Association | Stonewall Center | Student Nurses Association |
Theatre Guild | UVC-TV 19 | Volunteer UMass

SEE THE WORLD

Study abroad is possible in every major. Our advising team can help you find the best place for you to gain a global perspective and make lifelong friends through international study. UMass Amherst also offers domestic exchange. The university is part of a network of over 170 universities and colleges in 48 states and in U.S. territories where you can study for a semester or an academic year.

LIVE LARGE

More than half of our undergraduate students live on campus—in traditional residence halls, suites, and apartments—and we guarantee housing for first-year students. In all of our 52 residential buildings, UMass Amherst helps you integrate your residential, academic, and social life.

First-year students can opt for a Residential Academic Program (RAP), where you take classes in your living area, live with students who share similar interests and values, receive peer mentoring, and strengthen your leadership skills. Other special housing options—for transfer students, foreign language learners, LGBTQIA+ students, and more—are plentiful.

Some of our Residential Academic Programs:

Careers in Education | Cultural Explorations | Exploring the Arts | Global Opportunities | Literary Studies | Politics Today | Impact! Service Learning | Scientific Connections | Sustainability | Veterans Community

SHARE THE BEST MEALS ANYWHERE

The Princeton Review has ranked UMass Amherst number one for Best Campus Food for five straight years. Gather with friends over healthy, sustainable, locally grown, and delicious food that reflects our rich campus culture. Choose among four modern residential dining commons, 12 Campus Center eateries, and more than 20 campus cafés, where UMass chefs cater to your dietary needs and preferences.

GO ALL IN WITH HONORS

Commonwealth Honors College provides a more intensive approach to learning for those who are ready to charge headlong into their studies. Honors students think critically, challenge convention, and sharpen their research skills. They benefit from an honors academic advisor, smaller classes, an opportunity to live in the honors residential community, and the two-semester journey of their senior thesis.

INVEST IN YOUR FUTURE

UMass Amherst has been named to The Princeton Review's guide to the nation's "Best Value Colleges." UMass is lauded for its high return on your tuition investment as well as for the quality of life on our campus and our commitment to sustainability. At UMass Amherst, there are opportunities for internships and co-ops, career development and planning assistance, and faculty and industry networking that add value to your education even after you graduate.

We offer need-based financial aid and merit funding to eligible students. For more information on financial aid and to get a better sense of your actual cost of attendance, please visit the Office of Financial Aid Services at umass.edu/umfa.

UNDECIDED

For students who are undecided about their major, UMass Amherst offers the Exploratory Track program. Students in this program benefit from working closely with academic advisors to explore potential majors within their collegiate unit and across campus.

A pre-health advisory track is available for students interested in careers in health professions.
