Appeal for Special Circumstance Policy

Appeal Policy:

Your eligibility for financial aid was initially calculated based on the information you provided on the Free Application for Federal Student Aid (FAFSA). Using this information all families undergo a consistent evaluation of the family's ability to pay for college. The formula assumes that 2021 income is a good indicator of the family's financial strength during the student's 2023-2024 enrollment.

Financial Aid Services at the University of Massachusetts Amherst recognizes that families experience changes in income or other family circumstances that are not reflected in the 2021 tax return information. Therefore it is possible for students to appeal their financial aid eligibility if they have special financial circumstances.

Examples of Special Circumstances <u>NOT</u> considered:

- Home repairs
- Private school tuition
- Credit card debt
- Mortgage payments
- Weddings and other major purchases
- Car payments
- Previous educational loan debt

Examples of Special Circumstances considered:

- Reduction of income or benefits in 2023.
- Extraordinary medical or dental expenses in 2022.
- Death of a parent or spouse whose information is on the FAFSA form.
- Divorce or separation after filing the 2023-2024 FAFSA form.
- Withdrawal of IRA/Pension for 2021.

Please remember, granting appeals is based on a one-time special circumstance. It also depends on the availability of funds and the timeliness of your FAFSA. Submitting this form does not guarantee an adjustment or increase in your financial aid. In the event that we are not able to offer additional financial aid please review the alternative financing options available to help finance your education. Information regarding loans is available on our website at **umass.edu/financialaid**. Please refer to the Bursar's website for information on payment plans at umass.edu/bursar.

Appeals are reviewed within 30 days after receipt of all required and supporting documentation. However, response time may vary depending on volume of appeals at the time of your request.

• If you determine that your 2023 income will be the same or higher than 2021, do not complete this form.

• Please do not disregard your university bill due date while waiting for the appeal decision.
