

SHOW ME THE MONEY! TIPS ON FUNDING YOUR EDUCATION

Cost is an important factor to consider when choosing a college or university, and so is understanding the return on investment that your education will provide. We are committed to supporting you and your family throughout the admissions process by providing a full understanding of the financial aid options at UMass Amherst.

WHERE DO I START?

The Free Application for Federal Student Aid (FAFSA) is the only application used to apply for financial aid. Complete your 2025–2026 FAFSA as soon as possible.

The first step to completing the FAFSA is to get a Federal Student Aid (FSA) ID at fafsa.gov. If you are a dependent student, at least one parent also needs an FSA ID. Your FSA ID serves as your electronic signature and will allow you to make electronic corrections to your FAFSA information once you have applied. Remember to list the University of Massachusetts Amherst as one of the schools on your FAFSA form! UMass Amherst's school code is **002221**.
