FALL 2024 Legal Assistant Internship Application

Legal assistants play a vital role at the Student Legal Services Office. Each legal assistant works under the direct supervision of a professional staff member, and has responsibilities ranging from:

- maintaining case files;
- performing legal research;
- drafting letters;
- observing court hearings; and
- assisting with legal education.

While working in our office, students have an excellent opportunity to gain skills in interpersonal communication, time management, and organization, along with developing a concrete understanding of the advocacy process and the lawyer's role in the judicial system.

Internship Requirements: Interns typically work 34.5 hours per week (between the business hours of 9AM to 5PM) and receive 12 academic credits for the internship. In addition, you will earn one extra academic credit for completing Positivity and Relaxation Training (PART) course offered as part of the SLSO internship curricular.

A UMass Amherst faculty member is required by each intern to sponsor their internship credits.

The Fall 24' internship begins on September 3, 2024 and ends on December 11, 2024. All interns must be available for orientation the first week of classes from 9:00 am – 5:00 pm and each Friday (from 10:00 am – 4:00 pm) during the academic semester for training sessions.

Eligibility: Applicants must have completed 45 credits, have a declared major, and cumulative GPA above a 2.0.
