Internship Agreement

1. **Job Description**: [position title]
   [site supervisor/partner organization should provide a job description]

2. **Supervision and Evaluation**
   [site supervisor, and if applicable, faculty sponsor should provide information about how intern will be supervised & evaluated]

3. **Communicating Concerns**
   [site supervisor, and if applicable, faculty sponsor should provide information about the protocol that the intern and/or partner organization should follow to communicate concerns]

4. **Learning Goals, credit-bearing internships**
   [faculty sponsor should provide information about the learning goals of credit-bearing internships]

5. **Terminating the Agreement**
   [site supervisor, and if applicable, faculty sponsor should agree on terms with the intern regarding an appropriate notification period to terminate the agreement before the end of the contract]
By signing below, both the Student and the Site Supervisor (and Faculty Sponsor, if applicable) confirm that they have discussed these items.

Although the Spanish & Portuguese Unit at UMass Amherst has taken reasonable steps to provide the student with trained and skilled supervisors, it should be understood this internship is not without risks. In signing this internship contract, the student acknowledges inherent hazards and risks and assumes those beyond control of the college staff and faculty.

I have read and I understand this Internship Agreement Form.
