

**Example Course Progression Chart
Department of Kinesiology**

For students entering the major after June 1st 2013
Chiropractic

How to read this chart:

- ALL KIN degree requirements are listed in **Bold**.
- Additional courses represent some “common” listed prerequisites for postgrad programs.
- Postgrad program prerequisites can vary. Students are advised to research specific programs.
- The KIN Dept. **cannot** guarantee enrollment in non-KIN courses. Students are advised to note the eligibility and prerequisites of non-KIN courses.

**** This schedule is meant to be used as an example and is flexible. Courses can be taken at other times than listed****

With the exception of KIN 340 (Fall only) and KIN 343 (Spring only)

American College of Sports Medicine: <http://www.acsm.org>
