Interested in global health, but not sure what positions are available in the field? Want to gain some real world global health experience in Africa?

The MGH Division for Global Health and Human Rights is recruiting for a Kenya-based program coordinator position for their programs in Western Kenya at Sagam Community Hospital and the African Institute for Health Transformation (AIHT) for the 2016-2017 academic year. Great opportunity to learn about global health innovations and implementation!

**General Responsibilities:**
- Research Coordination and program assistance
- Data collection/ data management
- Coordinating in-country travel logistics for visitors
- Budget monitoring and reporting
- General Administrative duties
- Maintain strong and clear communication between MGH Boston office and in-country partners

**Required:**
- 6 months – 1 year commitment
- Bachelors Degree, preferably in public health or health related
- Start date flexible, preferably can start October/November

Please send a resume and letter of interest to Moytrayee Guha, Director of Operations and Finance at mguha@mgh.harvard.edu.

If you would like to know more general information about what the position entails please contact Jeffrey Edwards at jeffreyedwards@post.harvard.edu.
