Postdoctoral Fellowship in Pharmaceutical Economics and Policy
Health Policy and Management Program; Department of Public Health
School of Public Health and Health Sciences; University of Massachusetts, Amherst

The University of Massachusetts Amherst, School of Public Health and Health Sciences, Department of Public Health is accepting applications for one postdoctoral fellowship in Pharmaceutical Economics and Policy in the Health Policy and Management program at the Department of Public Health.

Position: This program enables outstanding scholars to sharpen their analytic skills and advance their research agenda in the field of pharmaceutical economics and policy. Scholars come from various disciplines including health economics, economic evaluation of health care services and programs, and pharmaceutical economics and policy. The Program gives Fellows a great opportunity to jump-start their research careers. Housed within the Department of Public Health, the Health Policy and Management program blends formal and informal training and extensive collaboration with distinguished researchers in Economics, Health Policy, Management and Biostatistics. One-year fellowship is renewable for a second year and provides a stipend and health insurance.

Fellows must have a Ph.D. in Health Economics or a related discipline. Fellows must possess strong statistical and analysis skills, and excellent writing skills. The successful candidate will have an established record of high quality research publications. The program is open to new scholars, as well as individuals who have some research experience or are on leave from an academic position. The review of applications will start immediately and continue until the position is filled, with an anticipated start date of January, 2014.

Applications: Applicants should submit the following: (1) a statement of their research goals for the Fellows program; (2) a curriculum vitae; (3) a sample of written work; and (4) two or more letters of recommendation. Materials should be sent to: Rosa Rodriguez-Monguio, Ph.D., Associate Professor, Program Director 322 Arnold House, 715 N. Pleasant Street; University of Massachusetts, Amherst MA 01003. Email:rmonguio@schoolph.umass.edu; Phone: (413) 545-7427; Fax (413) 545-1645. For additional information, please visit http://www.umass.edu/sphhs/health-policy-and-management or contact Rosa Rodriguez-Monguio rmonguio@schoolph.umass.edu.

The University of Massachusetts Amherst is an Affirmative Action/Equal Opportunity Employer. Women and members of minority groups are strongly encouraged to apply.
