STPEC RECOMMENDED COURSE LIST – SPRING 2019

These courses are recommended to fulfill the STPEC requirements. If a course is listed under more than one category you may choose which category you wish the course to fulfill. No course may be used to satisfy more than one STPEC requirement. You may take additional STPEC Focus Seminars to fulfill upper level requirements. While other courses at UMass and the Five Colleges may be acceptable, obtain approval from the STPEC Academic Advisor before you take it.

If SPIRE will not let you register for a course on the STPEC course list because it is restricted to majors in a particular department or because it requires prerequisites, contact the instructor to ask if they are willing to override SPIRE to allow you to enroll.

Please crosscheck time periods on SPIRE or the Five College website. (If you cannot find a course in SPIRE, the department may have changed the schedule.)

Five College abbreviations: UM=UMass; AC=Amherst College; HC=Hampshire College; MHC=Mount Holyoke; SC=Smith College.
