Welcome to E-LIS

We now have **more than 10505** documents in our archive

E-LIS has been restored. Please note that e-mail alerts from the old version site have not been migrated to the new version, thus they should be re-created by the users. We have opened a Google group <http://groups.google.com/group/e-lis-e-prints-in-library-and-information-science> where you can ask about any doubt you might have concerning the new version of Eprints Software. We will also answer all questions published at <http://www.facebook.com/group.php?gid=5514259572>

what is grey literature?

what are the benefits of making grey literature available online?

repositories: collection and dissemination

Syllabus

Research Ethics: Responsibilities to Society, Science, and Self

GRAD-G 601 10258 – One credit hour

Fall 2009 – first eight week session – September 1-October 20

Tuesdays, 3:35-5:15 pm – Poynter Center Seminar Room (618 E. 3rd)

Kenneth D. Pimple, Ph.D.

Poynter Center, 618 East 3rd St.

856-4986 or pimple@indiana.edu

This syllabus should be considered a work in progress and is subject to change and to supplementation.

Description

This graduate seminar will prepare students in the physical, life, and social sciences to face and surmount current and emerging ethical issues as professional researchers, emphasizing cross-disciplinary topics such as mentorship, authorship, honesty, and other responsibilities to colleagues, society, and the common good.

Completion of 1 or 2 years of graduate school before enrolling in this course is recommended. Maximum enrollment is 10. Post-doctoral fellows are welcome, but must register to audit the course¹ and must complete all assignments.

Instructor

Degrees.

- B.S. in Mathematics and B.A. in English Honors (1967) Regis College, Denver, Colorado
- M.A. (1986) and Ph.D. (1991) in Folklore from Indiana University Bloomington

Current title.

how to represent grey literature
