				x no. of days	x no. of days
Toddler	\$223.44	\$296.32	\$364.40	\$6.83	\$11.39
Preschool	\$206.64	\$273.92	\$336.40	\$6.31	\$10.51

What is included in the tuition fee?

- * In addition to high quality early education and care for your child provided by trained and experienced teachers who are assisted by undergraduate students, tuition includes morning and afternoon snacks, an insect repellent/sunscreen product, and enrichment activities.
- * Tuition is based on the age group in which a child is enrolled, not the child's chronological age.
- * Tuition is based on the child's enrollment, not attendance.
- * Tuition is not charged for the three weeks each year when CEEC is closed for services.
- * A currently enrolled family may hold an enrollment space during an extended absence of four (4) or more weeks due to the child's documented medical leave or the parent's documented sabbatical leave by paying 50% of the usual rate.

How do I make tuition payments?

- * Families pay tuition on a monthly basis. The monthly rate is determined by dividing the total tuition cost by the number of contracted months of enrollment. For example: August through May enrollment is paid in nine (9) monthly payments.
- * A tuition invoice is placed in the Parent Mailbox the third week of each month.
- * Tuition payment is due on the first day of the month of service.
- * Tuition is paid by check or cash via the University Bursar's Office. Check payments may be placed in the Campus Mail pick-up bin in the CEEC office.
- * University employees are requested to pay tuition via payroll deduction. Speak with the Office Supervisor to arrange a convenient bi-weekly payroll deduction payment schedule.

Is tuition assistance available?

- * See the reverse side for flexible-schedule and state subsidized tuition assistance information. Speak with the Manager of Personnel & Enrollment Services about these and other child care tuition assistance programs for which your family may be eligible.
