THE NEW HILLS LOT – LOT 52

• Current design for the new Hills lot has approximately 100 spaces

• Metered parking will be ParkMobile only inside the lot. Close to 80% of the metered time paid for on campus is now done through ParkMobile. Street parking will be physical meters with ParkMobile option.
• Waitlist is now open. Must be done on-line. We generally do not allow customers to be on more than one waitlist. Lot 52 will be the exception.
