Transit Services Update

• Since July 1, 2019 our CDL training program:
  – hired and trained 42 new drivers
  – Currently 19 new employees in our training program
  – A Hiring Event is happening here at Transit on Saturday, 2/29. Please let us know if you can post recruitment materials in your areas, we can provide them!

• Transit Services currently has 108 open (unassigned) bus driving shifts per week, down from 135 opens per week when we last met.

• Transit student driver starting pay is $16.25/hour, with $.25 increases each semester based on working at least 180 each semester.
Transit Services Update

• PVTA will replace 5 of our “end of life” 2006 40 foot Gillig PVTA buses
Transit Services Update

• PVTA will replace 5 of our “end of life” 2006 40 foot Gillig PVTA buses with 5 brand new 40 foot New Flyer buses.
  – Scheduled to arrive at Transit Services in early May and be “road-ready” during this summer.
Transit Services Update

• PVTA will replace 5 of our “end of life” 2006 40 foot Gillig PVTA buses with 5 brand new 40 foot New Flyer buses.
  – Scheduled to arrive at Transit Services in early May and be “road-ready” this summer.
  – Our Field Trip department will then incorporate the Gilligs into our Field Trip fleet and dispose of five older (1995 – 1999) Nova RTS buses through the PVTA in exchange.
  • This will provide Transit with much needed replacement vehicles for our field trip department at low cost.
  • The RTS buses are tired and in need of replacement, so this is a perfectly timed transition of equipment.

Parking Service Update

• Approved Paving Projects for Summer 2020
  – Lot 28!
    • 300 parking spaces to be created.
    • Currently used for contractor parking.
    • Designated as a purple lot, specifically for Commonwealth Honors College students.
    • Located west of the tennis courts along Mullins Way.
    • Cost: $2 million+. Campus may contribute. If not, Parking will borrow from campus and repay over a period of time.
Parking Service Update

• Worcester Parking Garage??...Maybe
  – Another study is in the works to investigate the potential of a parking garage on the site of the old Worcester Dining Hall.
  – Traffic patterns, footprint, size, etc..
  – Estimated cost is $14 million, or $40k per space for 350 parking space garage.
  – Potential revenue of $500k per year will obviously not cover the cost of the 20 year loan.
  – Administration is aware that if this happens they may have to cover some percentage of this cost.

Parking Service Update

- Parking Permit Ride-along Mailing Program
  - Parking Services will mail out approx. 15K new parking permits to UMass students, faculty and staff this summer.
  - Do you have something you’d like to promote?
  - If so, our permit mail piece is a guaranteed open, a perfect way to reach dedicated area consumers who spend between $250 - $1,300/year to park on the UMass campus.
  - Purchase space in the permit renewal envelope.
  - Last year, UMACC & UMass License Plate covered approximately 60% for the cost postage.
  - Parking would like to get some outside UMass interest.

- Select placement: your promotion won’t be one of ten or twenty, but one of just two ride-alongs in our package.
- First Class: 100% recipient-provided home mailing addresses, address correction-required; no “Occupant,” “ICO,” or General Delivery.
- Design flexibility: any size to fit in a standard, #10 business envelope.
- Generous weight: .65 oz. total.
- Schedule: mailing July through September, 2019.
- Volume: ≈15,000 non-duplicated names.
- Minimum: entire list (=15M).
- Low price: 18¢ per mail piece ($180/M).
Thank you for participating, only 73 days left until Commencement!

Our next PTAB meeting will take place in the Transit Services Conference room on Tuesday, April 14, 2019 at noon.
