PTAB AGENDA 2/23/21

• Approve minutes from 11/17/20
• Parking Services Update – Jonathan King, Parking Services Manager
• Transportation Services Update – Glenn Barrington, Transportation Manager
PARKING SERVICES UPDATE

• Solar canopy construction update (lots 21, 22, 49)
• Snow plowing contract
• Lot 63 Worcester opens
• Summer projects
• Solar Canopies Installation
  • Solar canopy installation in Lots 21, 22 and 49 is scheduled to begin in April.
  • Alternate parking for Lot 21 and Lot 22 permit holders will be in other sections of Lot 22, Lot 33 and Lot 32. Some very good options due to lack of lot occupancy.
  • Project is scheduled to be completed by August 30, 2021
• Snow plowing contract
  • This is the last year of the snow plowing contract with Karl’s Excavating.
  • The contract will be bid again this spring/summer.
• Lot 63 Worcester Opens!
  • Lot 63 behind the new Worcester Common officially opened in December.
  • All of those that were originally displaced were offered space in the new lot.
PARKING SERVICES UPDATE

• Summer Projects
  • No major paving projects this summer
  • A very small amount of crack sealing in just a few lots (budgeted $25k)
  • Some sign replacements and HP painting.
  • Looking to power wash the parking garage with an outside vendor.
A Little Bit of Normalcy

• Newly designed parking permits are approved for FY22

- PVTA ridership is increasing a bit this spring!
  - Averaging ~ 2,100+ riders per weekday this spring v 1,500 riders per weekday in fall 2020
  - Carrying ~ 12.5% of riders compared to pre-pandemic academic periods
PVTA schedules for Spring 2021

Schedules are available online only, no printed schedules available at PVTA:

- https://www.umass.edu/transportation/pvta-route-schedules

Spring 2021 Schedule Changes Compared to Fall 2020:

- Routes 30, 31, 33, 45, 46 – No Change
- Route 34 – Increased number of trips per weekday, bus now runs every 20 minutes instead of every 40 minutes
- Route 35 – Increased number of trips per weekday, bus now runs every 20 minutes instead of every 40 minutes
- Route 36 – No Service – Does not operate during academic periods
- Route 38 - Increased number of trips per weekday, bus now runs every 40 minutes instead of every 80 minutes
- Route 39 – No Service – Five College, Inc. Request. Identical to last fall semester
TRAINING UPDATE

• Training Update
  • Transit hired and trained:
    • 14 new drivers during the fall (August 24 – November 20)
    • 15 new drivers during winter break/first month of spring (November 21 - February 28)
  • Recruitment has been challenging because the number of students on campus is extremely limiting. We are now marketing our recruitment materials on television monitors in each dorm area. Hoping for improved recruitment
  • Increased recruitment is critical in order to resume “normal” operations at some point
TRANSPORTATION SERVICES UPDATE

• Spring/Summer Projects
  • PVTA Funded Paving Project
    • Begins April 1st, Complete by June 30, 2021.
    • The entire front portion of the Transit Services compound will be removed and replaced.
    • Fully funded by the Federal Transit Administration (FTA) via the PVTA.
    • Includes improvement to the storm drains with the addition/upgrade of concrete basins and an oil/water separator, sloped granite curbing, and a geofabric layer between the final pavement and 8 inch gravel base for additional strength.
    • Campus fuel pumps will be inaccessible during portions of this project. We will provide advanced notice to the campus community when this occurs.
      • All department vehicles include a fuel card that can be used at off-campus fueling locations if necessary.

TRANSPORTATION SERVICES UPDATE

• Spring/Summer Projects
  • PVTA Funded Paving Project
  • PVTA Funded Electric Bus Charging Station Installation
    • Has already begun. Must be completed by June 30, 2021
    • Fully funded by the Federal Transit Administration (FTA) via the PVTA
    • Will prepare Transit for the future, allowing for up to six (6) all-electric buses to be charged overnight.
    • Transit will receive one (1) 100% all-electric 40’ New Flyer bus in August 2021 and begin our move into this new technology.
    • Moving forward, we expect to see our fleet replaced yearly with additional all-electric replacement vehicles (as funding allows) when the older buses reach end of useful life (12 year lifecycle).
TRANSPORTATION SERVICES UPDATE
Thank you for participating.

Our next PTAB meeting will take place on Tuesday, April 20th.
