PARKING SERVICES UPDATE

  • Should have at least base coat of blacktop before asphalt plants close at the end of November. There is a possibility it will be completely done by end of November.
  • Either way we will be parking on it by end of November.
  • Lost 88 spaces when we closed the old Lot 63. Getting back about 80 spaces with the new lot.
  • 66 permit holders were displaced two years ago. Looks like there are a little over 50 still affiliated with UMass.
  • Those 50 will be first back in the new lot. Will hold off on waitlist moves until September 2021.
  • 2 double head level II EV chargers to be installed (4 hoses)

    • The section of Lot 49 off of Windmill Lane won’t be installed because they were able to get more panels into Lot 21/22

    • Similar to schedules we operated this past summer
    • Will run through Sunday, January 31, 2021
    • Schedules are available online:
      • https://www.umass.edu/transportation/pvta-route-schedules
      • http://www.pvta.com/schedules.php

• Spring 2021 – Yet to be determined.
  • Waiting for response from five College, Inc. in mid December
  • Will determine appropriate level of service once we have a definitive understanding of how many students will be eligible to take classes/live on campus next Spring
  • Deadline for dorm selection process ends on November 20th
Training Update

Transit hired and trained 14 new drivers during the fall semester (since August 24, 2020).

Recruitment has been challenging because the number of students on campus is extremely limiting.
• Fleet Garage Hours
  • The UMass Fleet Garage will be closed:
    • On Thanksgiving and the following Friday, 11/26 & 11/27
    • The week between Christmas and New Years, 12/28/20 through 1/1/21
  • The Fleet garage is open Monday through Friday, 7:00am – 3:00pm
  • Fleet does not have adequate clerical support, so please avoid dropping in unannounced. Doing so distracts our workforce and delays completion of work being performed.
  • Call UMass Fleet Garage Management at 413-545-6511 (please leave a message if no answer), or email umassfleet@umass.edu to schedule an appointment. “Drop-ins” are discouraged.
  • For general information about fueling, accidents, etc.:

Thank you for participating.

Our next PTAB meeting will take place on Tuesday, February 23rd.
