APPENDIX: ADDITIONAL INFORMATION ABOUT UMASS

I. General Information

a. University Overview:

The University of Massachusetts Amherst is a coeducational, nationally ranked research institution located in a beautiful, culturally rich New England town. As a public university, UMass offers an excellent education at an affordable price. Its size, diversity, and the richness of its academic and extracurricular offerings, provide almost unlimited possibilities for personal growth and professional development. A distinctive feature of UMass is the opportunity for undergraduates to become directly involved in research, and get hands-on experience in numerous areas through internships or field experience. UMass also offers a wide range of service learning and volunteer opportunities. Academically talented students may participate in the Commonwealth College that offers both the advantages of a small honors college and the wide-ranging opportunities of a nationally recognized research university. As a member of the nation's oldest and most successful college consortium, Five Colleges Incorporated, which includes Amherst, Hampshire, Mount Holyoke, and Smith colleges as well as the University, UMass students may take courses on any of the five campuses at no extra charge.

V. Academic Life

a. Average undergraduate class size Fall 2000:

Lectures: 37

Labs and discussions: 22

Common Data Set: 2000-2001
Appendix

Lectures, labs, and discussions: 33

b. Computer Facilities:

The University's computing center is one of the largest university-based systems in the Northeast. Internet and e-mail access is available from a thousand campus terminals. If students bring their own computer, access is available in their dorm rooms. Nearly all residential hall rooms have dedicated Ethernet hook-ups through the Campus Wide Wiring/Network Project (CWWNP). The Ethernet link is a step closer to the Internet, running up to 100 times faster than the quickest modem speed. Along with e-mail, FTP, and Telnet connections to host computers, the Ethernet link gives full access to the World Wide Web with all its graphical and multimedia elements.

c. Study Aboard:

Study abroad programs are available in over 40 countries. Programs are available in Africa, Asia, Australia, Canada, Caribbean, Ireland, Latin America, Russia and East Europe, Western Europe, Scandinavia, and the United Kingdom.

d. Honor Societies:

National Honor Societies: 30

Honor Societies: 40

VI. Student Life

a. Student Activities:

UMass has one of the most comprehensive student activities programs in the country, including student-run businesses, student government, organizations, cultural and religious activities, and over 200 Registered Student Organizations (RSOs).

b. Popular Student Organizations:

Minuteman Marching Band; MASSPIRG; Student Government Association; Student Businesses; Theater Guild; Ski Club; Outing Club; Massachusetts Daily Collegian (student newspaper).

c. Popular Campus Events:

UMass abounds with opportunities for everyone to experience the arts. Students may enjoy an exhibit at one of our galleries or a performance at one of our venues. They may take in a concert, off-Broadway show, experimental theater production, or a Friday night film. Special events include "Something Every Friday" (first-run movies; comedian and other live performances), Multicultural Film Festival, Black Musicians Festival, Jazz in July outdoor concerts, and Magic Triangle Jazz series. UMass basketball and hockey games are free of charge with student identification. Students can attend Center Series Events at the Fine Arts Center for as little as \$5, and many shows at the Mullins Center sports arena offer student discounts.

XI. Special Academic Programs

The Commonwealth College, an honors college, offers a dynamic curriculum, such as interdisciplinary seminars, enriched honors courses, and opportunities to link academics and community outreach. Commonwealth College resources include special housing opportunities, a computer laboratory, and academic support services, such as the Office of National Scholarship Advisement which assists students applying for prestigious fellowships. It offers students a small college environment with the resources of a major university.

Unique majors include the Bachelor's Degree with Individual Concentration, through which students may design their own interdisciplinary major under faculty guidance, Social Thought and Political Economy, and interdisciplinary majors such as Environmental Sciences.

Academic opportunities include national and international student exchange programs, internships and opportunities to engage in community service through a growing number of service learning courses in academic departments. Finally, students can enroll at no extra charge in courses at Amherst, Hampshire, Mount Holyoke, and Smith Colleges through the Five College Consortium. Five Colleges have open library borrowing, meal exchange, and a free bus system linking the campuses.
